

1 February 2021

## **ADDENDUM TO QUARTERLY ACTIVITIES REPORT**

It has been noted that the following information was omitted from the December Quarter 2020 Activities Report lodged on 27 January 2021:-

“In accordance with Listing Rule 5.3, the Company spent \$145,000 on exploration activities during the quarter. There were no mining development or production activities conducted during the quarter.

The expenditure predominantly related to:-

- The aerial survey at the Georgina Basin project; and,
- Technical consulting and field work for the Alpha Torbanite project.”

-Ends-

Authorised for issue by the Board.
