## HomeSend KPI Update

3 February 2021

**Wameja** (LSE: WJA.L & ASX: WJA.AX), a joint venture partner with Mastercard in the HomeSend global payment hub, is pleased to provide the following update on the performance of HomeSend for the quarter to 31 December 2020.

KPI	Q4 2020	Previous Quarter Q3 2020
Average Transaction Value	6% increase over prior quarter	4% decline over prior quarter
Gross Value Flows across HomeSend platform	7.1% increase over prior quarter	23.0% increase over prior quarter
Payments terminating to a bank account on the HomeSend network as a percentage of Gross Value Flows	62%	59%
Key Destination Markets* Covered	82	74

\*Key Destination Markets are markets in which HomeSend has a ubiquitous reach through banking partners.

The fourth quarter saw a recovery in Average Transaction Value consistent with the increase in bank transfers as a percentage of Gross Value Flows over the period. The quarter also saw continued improvement in Gross Value Flows across the HomeSend platform.

The period saw Key Destination Markets increase by approximately 10% as HomeSend completed integrations to reach a number of new markets during the quarter, principally through the Mastercard network.
