EXECUTIVE DIRECTORS' REVIEW

COVID-19

COVID-19 negatively impacted the number of new callers seeking our assistance, predominately for our Services segment. This was due to Government and Bank support packages and temporary changes to the Bankruptcy Act. These changes included extending the Bankruptcy Notice compliance period from 21 days to 6 months and increasing the Bankruptcy Notice threshold from \$5,000 to \$20,000. We subsequently restructured our Services segment to reduce costs. Conversely COVID-19 positively impacted collections, arrears and hardships for existing clients.

Since January 2021 we have seen an increase in the demand for our services. On 1 January 2021 the Bankruptcy Notice compliance period returned to 21 days and the Bankruptcy Notice threshold reduced to \$10,000. We believe the withdrawal of Government and Banks support packages will further increase the demand for our services.

During COVID-19 we focused on arrears and hardship management for our Consumer Lending segment. We are now focusing on developing a broker channel and growing our loan pools.

Financial Overview

For the half year ended 31 December 2020, FSA Group generated \$32.0 million in operating income, a 7% decrease and a profit after tax attributable to members of \$11.2 million, a 35% increase compared to the half year ended 31 December 2019. Our net cash inflow from operating activities was \$14.3 million, an 81% increase.

We advise that the Directors have declared a fully franked interim dividend of 3.00 cents per share, with a record date of 12 February 2021 and payable on 26 February 2021.

Strategy and Outlook

Our focus over the 2021 financial year will be as follows:

Services - Regrow the segment.

Consumer Lending - Develop a broker channel and grow our loan pools.

Earnings - Expect earnings growth of 10% to 20%

Capital Management - Due to our strong net cash inflow driven by long term annuity income from our clients, we expect our full year dividend to be between 6c to 7c per share with the balance of earnings to be reinvested. We plan to continue with our on market share buy-back.

Preparing our business for the future - Continue with the offshoring to our Philippines and Indian offices a number of administrative tasks and automating others.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of FSA Group Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of FSA Group Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2020, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, a summary of statement of accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- (i) Giving a true and fair view of the Group's financial position as at 31 December 2020 and of its financial performance for the half-year ended on that date; and
- (ii) Complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2020 and its financial performance for the half-year ended on that date and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
