# Directors' report

---

The directors of APN Funds Management Limited (ACN 080 674 479), the Responsible Entity of APN Asian REIT Fund (the "Fund") submit herewith the interim financial report of the Fund for the half-year ended 31 December 2020.

In order to comply with the provisions of the *Corporations Act 2001*, the directors report as follows:

## Information about the directors

The following persons were directors of the Responsible Entity during the half-year and up to the date of this report:

Geoff Brunsdon AM	Chairman and Independent Director
Howard Brenchley	Independent Director
Jennifer Horrigan	Independent Director
Michael Johnstone	Independent Director
Joseph De Rango	Alternate Director for Howard Brenchley

## Principal activities

The Fund is a registered managed investment scheme domiciled in Australia. The principal activity of the Fund is to invest in property-based securities.

There has been no significant change in the activities of the Fund during the half-year.

The Fund did not have any employees during the half-year.

## Review of operations

The principal investment objective of the Fund is to provide investors with a consistent, relatively high level of income combined with some capital growth, derived predominantly from investing in Asian Real Estate Investment Trusts ('REITs').

## Market overview and COVID-19

The COVID-19 pandemic had a significant impact on REITs in Asia in the first half of 2020, particularly those in the retail and hospitality sectors. However, as lockdown measures and border closures were successfully enforced to curb the spread, it has allowed economic activity to resume across the region. This economic recovery in the region was reflected in the Asian REIT market returns that improved in the second half of 2020 with a modest 0.2% gain, following a weak first half that returned -16.8%. We believe Asian economies are set up for a strong rebound in 2021, helped by loose US and domestic monetary policy, rollout of the vaccine, strengthening domestic consumption trends and a recovery in global trade.

Rent relief has mostly been phased out from what was provided earlier in the year as normal business activity has slowly resumed, however, some rent relief continues to be provided on a case by case basis. The REITs that did withhold some portion of payable distributions due to uncertainties of the operating environment have started paying that back to unitholders in the most recent reporting periods, as confidence grows in the sustainability of the recovery. The Fund's portfolio remains well diversified and balanced across the various property types, with increased exposure to the industrial and residential sectors due to the continued strength and stability of fundamentals in these sectors.

The Fund has held its distribution rate steady because of the relatively small impact on the dividends announced by the REITs. However, the directors of the Responsible Entity will continue to monitor this closely. The continuing low interest rate environment underpins a healthy outlook for the REIT markets in Asia, with the Fund expected to continue to deliver attractive and sustainable monthly income over 2021 and beyond.

## Results

The results of the operations of the Fund are disclosed in the condensed statement of profit or loss and other comprehensive income. Total comprehensive income for the half-year ended 31 December 2020 was \$1,309,000 (31 December 2019: \$1,685,000).

As lead audit partner for the review of the half-year financial report of APN Asian REIT Fund for the half-year ended 31 December 2020, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (ii) any applicable code of professional conduct in relation to the review.

Yours faithfully

## Independent Auditor's Review Report to the Unitholders of APN Asian REIT Fund

### *Conclusion*

We have reviewed the half-year financial report of APN Asian REIT Fund ("the Fund"), which comprises the condensed statement of financial position as at 31 December 2020, and the condensed statement of profit or loss and other comprehensive income, the condensed statement of changes in equity and the condensed statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration as set out in pages 6 to 14.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the Fund is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Fund's financial position as at 31 December 2020 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

### *Basis for Conclusion*

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Half-year Financial Report* section of our report. We are independent of the Fund in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Responsible Entity of the Fund (the "Directors"), would be in the same terms if given to the Directors as at the time of this auditor's review report.

### *Directors' Responsibility for the Half-Year Financial Report*

The Directors are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibilities for the Review of the Half-year Financial Report*

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Fund's financial position as at 31 December 2020 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## 1. GENERAL INFORMATION

APN Asian REIT Fund is a registered managed investment scheme domiciled in Australia.

APN Funds Management Limited, a public company incorporated and operating in Australia, is the Responsible Entity and Manager of the Fund. The address of its registered office and principal place of business is as follows:

Level 30  
101 Collins Street  
MELBOURNE VIC 3000  
Tel: (03) 8656 1000

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### 2.1. Statement of compliance

The interim financial report is a general purpose financial report prepared in accordance with the *Corporations Act 2001* and AASB 134 *Interim Financial Reporting*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*. The interim financial report does not include notes of the type normally included in an annual financial report and should be read in conjunction with the most recent annual report.

For the purposes of preparing these condensed financial statements, the Fund is a for-profit entity.

The financial statements were authorised for issue by the directors on 11 February 2021.

### 2.2. Going concern

The Responsible Entity of the Fund remains comfortable that the Fund can continue as a going concern considering its underlying investments are fully liquid and diversified and will be able to meet any redemption requests as per the Fund's Product Disclosure Statement ("PDS").

The condensed financial statements have therefore been prepared on a going concern basis.

### 2.3. Basis of preparation

The condensed financial statements have been prepared on the basis of historical cost, except for the revaluation of certain assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. All amounts are presented in Australian dollars unless otherwise noted.

The Fund is an entity of the kind referred to in *ASIC Corporations (Rounding in Financials / Directors' Reports) Instrument 2016/191*, dated 24 March 2016, and in accordance with that Corporations Instrument amounts in the directors' report and the interim financial report have been rounded off to the nearest thousand dollars unless otherwise stated.

The accounting policies and methods of computation adopted in the preparation of the interim financial report are consistent with those adopted and disclosed in the Fund's annual financial report for the financial year ended 30 June 2020, except for the impact from the adoption of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) described below. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

# Notes to the condensed financial statements (continued)

## 2.3 Adoption of new and revised Australian Accounting Standards and interpretations

The Fund has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and effective for the current half-year. The new and revised Standards did not have any material impact to the Fund.

New and revised Standards and amendments thereof and Interpretations effective for the current half-year that are relevant to the Fund are:

- AASB 2018-7 Amendments to Australian Accounting Standards – Definition of Material
- AASB 2019-1 Amendments to Australian Accounting Standards – References to the Conceptual Framework
- AASB 2019-5 Amendments to Australian Accounting Standards – Disclosure of the Effect of New IFRS Standards Not Yet Issued in Australia

## 5. FINANCIAL INSTRUMENTS

### Fair value hierarchy

The following table provides an analysis of financial instruments that are measured at fair value at 31 December 2020, grouped into Levels 1 to 3 based on the degree to which the fair value inputs are observable:

	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
<b>31 December 2020</b>				
<b>Financial assets</b>				
Listed equities	47,762	-	-	<b>47,762</b>
<b>Total</b>	<b>47,762</b>	<b>-</b>	<b>-</b>	<b>47,762</b>

## Notes to the condensed financial statements (continued)

Listed equities	47,411	-	-	<b>47,411</b>
<b>Total</b>	<b>47,411</b>	<b>-</b>	<b>-</b>	<b>47,411</b>

- Level 1 fair value measurements are those derived from quoted prices in active markets for identical assets or liabilities.
- Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).
- Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs). The fair value of the unlisted equities and funds are determined using the latest available net asset value ("NAV") per unit / share provided by the investment managers of the underlying investments using models with unobservable inputs and assumptions that may not necessarily be supported by prices from observable current market transaction.

## 7. COMMITMENT AND CONTINGENCIES

There are no commitments or contingencies in effect as at 31 December 2020 (31 December 2019: nil).

## 8. SUBSEQUENT EVENTS

The COVID-19 pandemic had created unprecedented uncertainty. Whilst Australia's strong economic response / recovery along with its successful management of COVID has increased landlord income certainty resulting in distributions being reinstated, albeit some at reduced levels, uncertainty remains due to the roll-out timeline and efficacy of the COVID vaccine. At the date of issuing the condensed financial statements, an estimate of future impact on the Fund's investments cannot be made as this will depend on resurgent infection rates around the world and potential for domestic outbreaks.

Actual economic events and conditions in the future may materially differ from those estimated by the Fund at the reporting date.

Other than the above, there has not been any matter or circumstance occurring subsequent to the end of the half-year that has significantly affected, or may significantly affect, the operations of the Fund, the results of those operations, or the state of affairs of the Fund in future financial periods.
