MARKET RELEASE

**SkyCity Entertainment Group Limited
(SKC.NZX/SKC.AX)**

14 February 2021

Further COVID-19 Restrictions at SkyCity's New Zealand Properties

SkyCity Entertainment Group Limited ("**SkyCity**") advises that, from 11.00pm this evening, it will be closing its Auckland casino and entertainment facilities and implementing physical distancing and hygiene requirements at its Hamilton and Queenstown properties.

SkyCity's Auckland hotels will remain open to accommodate existing guests currently staying in-house, pending further advice from the New Zealand Government. Appropriate physical distancing and hygiene requirements will also be implemented at the Auckland hotels.

These measures have been implemented in response to the announcement by the New Zealand Government earlier this evening that, following three new cases of COVID-19 in the Auckland community, the COVID-19 Alert Level will increase to Alert Level 3 in Auckland and to Alert Level 2 for the rest of the country from 11.59pm tonight for a period of three days. These COVID-19 Alert Levels will be reviewed in 24 hours.

SkyCity's businesses outside of New Zealand are unaffected by these latest restrictions in New Zealand. SkyCity Adelaide remains open with physical distancing and hygiene requirements already in place and SkyCity Online Casino remains open.

SkyCity still intends to release its financial results for the six-month period to 31 December 2020 on Thursday 18 February 2021.

SkyCity will provide further updates as new material information becomes available.
