### About Coronado

Coronado Global Resources is one of the world's largest producers of high-quality metallurgical coal. Through our market leading expertise, we operate some of the cleanest and lowest cost mines in the industry. Coronado employs approximately 1500 people and our operations are located in two of the largest and most productive metallurgical coal basins in the world: the Bowen Basin in Queensland, Australia, and the Central Appalachian region of the USA. Our mining operations are situated close to transportation infrastructure and we supply customers throughout the Asia-Pacific, India, the Americas and Europe. With a diversified production base and significant Reserves and Resources, Coronado is well placed to grow over many years. As a reliable supplier to the steel industry, we are dedicated to making a positive contribution to the global economy; and through our sustainable business practices, to the local economies and communities where we operate.
