Tuesday 23rd February 2021

No reliance

To the maximum extent permitted by law, the information contained in this presentation is given without any liability whatsoever being accepted by Superloop Limited (**Superloop**) or any of its related bodies corporate or their respective directors, officers, partners, employees, advisors and agents (**Relevant Parties**). The information contained in this presentation is not intended to constitute legal, tax or accounting advice or opinion. No representation or warranty, expressed or implied, is made as to the accuracy, completeness or thoroughness of the information, whether as to the past or future. Recipients of the document must make their own independent investigations, consideration and evaluation.

Limited disclosure

This presentation contains summary information about Superloop and its activities which is current at the date of this presentation. The information in this presentation is of a general nature. The presentation does not purport to contain all the information that a prospective investor may require in evaluating a possible investment in Superloop, nor does it contain all the information which would be required in a disclosure document prepared in accordance with the requirements of the *Corporations Act 2001* (Cth) and should not be used in isolation as a basis to invest in Superloop. It should be read in conjunction with Superloop's other periodic and continuous disclosure announcements lodged with the Australian Securities Exchange, which are available at www.asx.com.au.

Seek your own advice

In providing this presentation, Superloop has not considered the objectives, financial position or needs of the recipient. The recipient should consult with its own legal, tax or accounting advisers as to the accuracy and application of the information contained herein, and conduct its own due diligence and other enquiries in relation to such information and any investment in Superloop and the recipient's objectives, financial position or needs.

No offer to acquire Superloop shares

The information in this presentation is not an offer or recommendation to purchase or subscribe for securities in Superloop or to retain or sell any securities that are currently held. In particular, this document does not constitute any part of any offer to sell, or the solicitation of an offer to buy, any securities in the United States or to, or for the account or benefit of any 'US person' as defined in Regulation S under the U.S. Securities Act of 1933 (**Securities Act**). Superloop shares have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States, and may not be offered or sold in the United States or to any US person without being so registered or pursuant to an exemption from registration.

Forward-looking statements

To the maximum extent permitted by law, Superloop and the Relevant Parties disclaim any responsibility for any errors or omissions in such information, including the financial calculations, projections and forecasts and indications of, and guidance on, future earnings and performance and financial position set forth herein. This presentation contains certain 'forward-looking statements'. The words "forecast", "estimate", "like", "anticipate", "project", "opinion", "should", "could", "may", "target" and other similar expressions are intended to identify forward-looking statements. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors and are subject to significant business, economic and competitive uncertainties and contingencies associated with exploration and/or production, many of which are beyond the control of Superloop, that may cause actual results to differ materially from those predicted or implied by any forward-looking statements. No representation or warranty is made by or on behalf of Superloop or the Relevant Parties that any projection, forecast, calculation, forward-looking statement, assumption or estimate contained in this presentation should or will be achieved or that actual outcomes will not differ materially from any forward-looking statements.

Services	CMS + Cybersecurity	10.0	5.0	50%	4.5	2.5	57%	(2.5)	(49%)

Core Fibre Connectivity
+29% growth in gross margin as business continues to focus on building recurring revenue through increased utilisation of network assets.

Fixed Wireless Connectivity
-\$0.4m gross margin driven by customer churn.

Guest WiFi
International Border closures due to COVID-19, impact education and hospitality sectors. Gross margin impacted also due to fixed cost base.

Home Broadband
NBN continued subscriber growth with 9k net adds during the period. Gross margin reduction due to FW/NBN product mix.

Services inc. CMS & Cybersecurity
Accelerated retirement of non-core cloud managed services.

Financial Position at 31 December 2020

\$'Mil	H1 FY20	H1 FY21	Change
Operating cash flows	6.0	8.0	2.0
Investing cash flows	(44.9)	(8.3)	36.6
Financing cash flows	36.0	(3.0)	(39.0)
Net cash flows	(3.0)	(3.3)	(0.3)

Balance Sheet (\$m)	June 20	Dec 20	Change
Cash & cash equivalents	17.1	13.7	(3.4)
Property, plant & equipment	231.6	226.2	(5.4)
Network IRUs intangible assets	59.9	57.1	(2.8)
Goodwill from acquisitions	135.1	135.1	-
Other intangible assets	45.0	37.8	(7.2)
Total Assets	519.7	496.5	(23.2)
Net debt ⁽¹⁾	36.3	40.4	4.1
Total Liabilities	124.9	127.6	2.7
Net Assets	394.8	368.9	25.9

Free Cash flow by Half⁽³⁾

Cash Flows

+ \$2.0m operating cash flows compared to previous corresponding period

+ Reduction in Investing cash flows, as capital expenditure normalises.

+ Financing cash flows during the period includes interest, net debt repaid and lease payments.

Balance Sheet

Balance sheet remains stable with **net debt at \$40.4m** and **leverage ratio⁽²⁾ 2.8x** (FY20: 3.1x)

Capital Expenditure

\$8m expenditure H1 FY21 excluding IRU swaps (H1 FY20 \$12m)

⁽¹⁾ Net debt = short-term & long-term interest-bearing borrowings (excluding Operating Leases) less cash & cash equivalents.

⁽²⁾ Leverage ratio = 12 month rolling Adjusted EBITDA / Net Financial Indebtedness.

⁽³⁾ Free cash flow = operating cash flows less investing cash flows (does not include lease payments)

H1 FY21 Outlook

\$18m- \$20m

FY21 EBITDA
Guidance

Re-affirming EBITDA Guidance of \$18m - \$20m.

Latest expectation bottom end of the range primarily due to continuing but temporary implications of COVID on Hospitality and Education sectors.

With record results across all our major financial metrics H1 21 clearly demonstrated the strong momentum in each of our three customer segments, we remain confident that our strategy will see this progress continue into the future.

Paul Tyler
Chief Executive Officer

\$m Revenue by Half

H2 FY19

H1 FY20

H2 FY20

H1 FY21

Fibre Connectivity
 Continuous growth in strong underlying recurring fibre connectivity revenue, with 30% PcP growth.

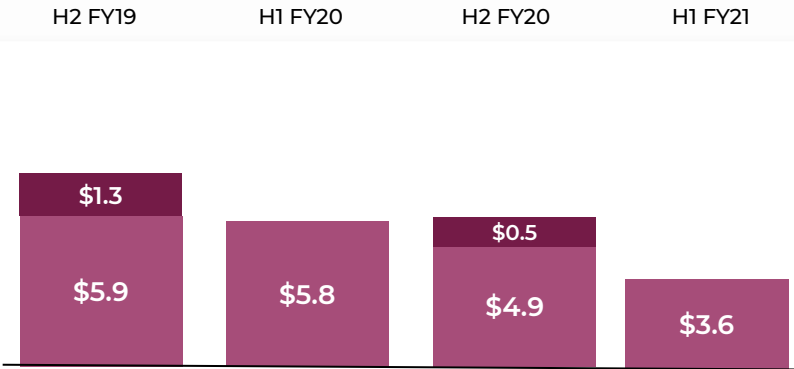

Fixed Wireless Connectivity
 Revenue reduction of 13% PcP due to net customer churn.

⁽¹⁾Core Fibre Connectivity revenues excluding INDIGO development revenue and design & construction revenues.

Broadband Segment leveraging our Fibre Connectivity Foundation

\$m Revenue by Half

47%
Margin %

Guest WiFi Broadband

Underlying recurring revenue reduction of 38% Pcp, International border closures due to COVID-19 has impacted occupancy rates at student accomodation sites. Gross margin has also been impacted during the period due to predominantly fixed cost base.

34%
Margin %

Home Broadband

Subscription growth of 66% from December 2019, a total of 9k net subscribers added in H1 FY21. Margin reduction due to higher mix of NBN to Fixed Wireless subscribers.

⁽¹⁾ Guest Wifi excludes revenue from GX2 US entity due to divestment and installation revenue

Services Segment includes non-core CMS + core CyberHound

\$m Revenue by Half

Cloud Managed Services

In 2019, Superloop notified investors and customers that CMS would be discontinued. There has been an accelerated decline in H1 FY21 with all customers exited as at 31 December 2020.

An impairment of all goodwill relating to the CMS segment was raised in FY19, with disposal taking effect as at 31 December 2020.

CyberHound Security

Superloop CyberHound offers schools the most advanced multi-layered cybersecurity & web filtering solution, backed up by professional support and managed security services. The service also offers unique welfare and efficiency tools for students and staff.

Superloop has invested in its cybersecurity technology focused development teams and will release further innovative solutions for schools as well as the broader enterprise market towards the end of FY21.

⁽¹⁾ AASB 16 Leases was applied on 1 July 2019 in accordance with the modified retrospective transition approach, therefore the comparative information has not been restated and continues to be reported under AASB 117.

'Rest of Business' contains Broadband and Services segment.

Broadband includes Guest WiFi provided to education, health & leisure campuses & Home Broadband to Australian homes.

Services segment includes CyberHound cybersecurity and non-core cloud managed services.

Operational costs are contained at a group level.

H1 FY21 Direct & Indirect Operating Costs Performance

\$'Mil	H1 FY20	H1 FY21	PcP
Connectivity Direct Costs	\$(12.3)	\$(14.8)	(20.8)%
Broadband Direct Costs	\$(7.5)	\$(11.9)	(57.7)%
Services Direct Costs	\$(5.0)	\$(1.9)	61.1%
Total Direct Costs	\$(24.8)	\$(28.6)	(15.5)%
Employee Costs ⁽¹⁾	\$(14.7)	\$(11.5)	21.9%
Professional fees	\$(1.6)	\$(1.3)	15.9%
Marketing costs	\$(1.3)	\$(0.7)	46.1%
Admin. and other expenses	\$(4.8)	\$(3.0)	39.1%
Total Operating Costs	\$(22.4)	\$(16.5)	26.6%

⁽¹⁾ Job Keeper Govt support provided in H1 FY21 totalling \$2.5m.

Direct Costs

Increase in direct costs generally attributable to increase in sales. Services direct cost closely managed through the divestment of CMS.

Operating Costs

Down 27%, in-year savings gained due to limited travel expense with border closures in place. Lower Admin costs with Sydney office vacancy and staff working from home.

Government Job Keeper assistance of \$2.5m was received during the period, with COVID-19 cost optimisation offset with investment in new enterprise team.

Marketing reduction due to cancellation of sponsored events and conferences.
