On 21 September 2020, Investigator announced that it had executed a Heads of Agreement with DGO, in which DGO could spend up to \$6.36M in a three-stage program over 5 years, whereby DGO may earn up to an 80% interest in Investigator's Stuart Shelf tenements.

Drilling on the Whittata tenement is the first exploration work undertaken by DGO under this Heads of Agreement in their pursuit of Zambian Copper Belt (ZCB) style sediment hosted copper targets on the Stuart Shelf.
