### Review of Operations

The principal activities of ISA Group are to own and operate experiential, training, and simulation solutions across the region, targeting a wide market that includes, tourists, thrill seekers, industry, and the military. It operates two Indoor skydiving facilities in Australia; iFLY Downunder (Penrith NSW) and iFLY Gold Coast and has a joint venture with shopping centre owner, 1 Utama, in Kuala Lumpur, Malaysia.

Throughout the period, ISA Group expanded its wholly owned virtual reality business, FREAK Entertainment. The latest store, FREAK Bondi, opened on the 13th November within Westfield Bondi Junction. Future sites are under development within the greater Sydney region.

For the half-year ended 31 December 2020 (first period under AASB 16), ISA Group reported Earnings Before Interest, Tax, Depreciation and Amortisation (EBITDA) profit of \$867,532 (2019: loss of \$1,651,445) and a net loss after tax of \$625,576 (2019: loss of \$3,375,943). This EBITDA calculation includes non-cash expenses of \$283,330 associated with the four-year royalty holiday arising from the Perth sale.

EBITDA is not an accepted classification under the accounting standards, however, the Directors consider it a useful measure when considering the performance of operations.

The following table summarises key reconciling items between statutory profit after tax attributable to the shareholders of the consolidated entity and EBITDA.

## NOTES TO THE FINANCIAL STATEMENTS

### For the Half Year Ended 31 December 2020

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### a. General information and basis of preparation

The condensed interim consolidated financial statements ('the interim financial statements') of ISA Group are for the six (6) months ended 31 December 2020 and are presented in Australian Dollar (\$AUD), which is the functional currency of the Parent Company. These general purpose interim financial statements have been prepared in accordance with the requirements of the Corporations Act 2001 and AASB 134 Interim Financial Reporting. They do not include all of the information required in annual financial statements in accordance with Australian Accounting Standards, and should be read in conjunction with the consolidated financial statements of ISA Group for the year ended 30 June 2020 and any public announcements made by ISA Group during the half-year in accordance with continuous disclosure requirements arising under the Australian Securities Exchange Listing Rules and the Corporations Act 2001.

The interim financial statements have been approved and authorised for issue by the Board of Directors on 25 February 2021.

##### b. Significant accounting policies

The interim financial statements have been prepared in accordance with the same accounting policies adopted in ISA Group's last annual financial statements for the year ended 30 June 2020.

The accounting policies have been applied consistently throughout ISA Group for the purposes of preparation of these interim financial statements.

##### c. Estimates

When preparing the interim financial statements, management undertakes a number of judgements, estimates and assumptions about recognition and measurement of assets, liabilities, income and expenses. The actual results may differ from the judgements, estimates and assumptions made by management, and will seldom equal the estimated results.

The judgements, estimates and assumptions applied in the interim financial statements, including the key sources of estimation uncertainty were the same as those applied in ISA Group's last annual financial statements for the year ended 30 June 2020.

##### d. Going Concern

The Group incurred a loss for the half year after tax of \$625,576 (2019: loss of \$3,375,943) and, as at 31 December 2020, had a net current deficiency in assets of \$5,444,730 (2019: deficiency \$2,816,381). The Group generated positive cash flows from operations during the half year of \$586,096 (2019: \$174,765). Future expected cash flows have not been taken into account in determining the current assets position. Included within current liabilities is deferred revenue of \$992,140 that will be realised as revenue once the service has been delivered to the customer.

The following matters have been considered by the directors in determining the appropriateness of the going concern basis of preparation in the financial statements:

- i. Management has prepared detailed cash flow forecasts that are monitored on an ongoing basis.
- ii. The company's senior financier, Westpac, remains supportive and positive discussions are underway to resolve a longer-term solution
- iii. Birkdale (an entity associated with Chairman, Steve Baxter) remains supportive. As previously agreed and announced, the partial conversion of \$1.2m of its existing \$3.0m loan into shares at \$0.01 per share will occur pending shareholder approval which will be sought at an EGM to be held in Q4 of FY2021.

Given the current strategic plan underway by the ISA Group Board, along with forecasted cash flows from operations the Directors are of the view that the company will continue as a going concern.

**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE MEMBERS OF INDOOR SKYDIVE AUSTRALIA GROUP LIMITED**

**Independent Auditor's Review Report  
To the Members of Indoor Skydive Australia Group Limited**

**Report on the Half Year Financial Report**

We have reviewed the accompanying half-year financial report of Indoor Skydive Australia Group Limited (the "Company") and its subsidiaries (the "Group"), which comprises the consolidated statement of financial position as at 31 December 2020, the consolidated statement of profit and loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

---

**Directors' Responsibility for the Half-Year Financial Report**

---

The directors of the Group are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

---

**Auditor's Responsibility**

---

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Group's financial position as at 31 December 2020 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulation 2001*. As the auditor of the Group ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

---

**Independence**

---

In conducting our review we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Group, would be in the same terms if given to the directors as at the time of this auditor's report.

---

## Emphasis of Matter

---

We draw attention to Note 1(d) of the half-yearly financial statements which details the fact that the ability of the Group to continue as a going concern is dependent on the courses of action being considered by ISA Group Management and forecasted cash flow operations. In addition, the Group's net working capital deficiency of \$5,444,730 has contributed to the Group's non-compliance with debt covenants. Our opinion is not modified in respect of this matter.

---

## Conclusion

---

Based on our review, which is not an audit, we have not become aware of any matters that makes us believe that the half-year financial report of Indoor Skydive Australia Group is not in accordance with the *Corporations Act 2001* including:

- + Giving a true and fair of the Group's financial position as at 31 December 2020 and of its performance for the half-year ended on that date; and
- + Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulation 2001*.
