ASX Market Announcements

ASX Limited

20 Bridge Street

Sydney NSW 2000

1 March 2021

Dear Option holder,

### Important Information for Listed Option Holders

#### **NAOS Emerging Opportunities Company Limited Bonus Options (ASX: NCCOB) and the forthcoming FY21 interim dividend**

The Board of Directors of NAOS Emerging Opportunities Company Limited ('Company') recently declared a **fully franked interim dividend of 3.75 cents per share** for the period ending 31 December 2020. As a holder of NCC bonus options ('Options'), you are reminded that should you choose to exercise your Options prior to 5pm on the dividend record date of **Tuesday, 30 March 2021**, you will be eligible to receive this dividend.

#### **Exercising your Options**

Your Options are exercisable into ordinary shares at \$1.02, which represents a 6.4% discount to the NCC share price, based on a close price of \$1.09 on 26 February 2021. The exercise price of \$1.02 also represents a 6.4% discount to the 31 January 2021 pre-tax Net Tangible Assets per share ('NTA') of \$1.09.

No brokerage or other transaction costs will apply if you choose to exercise your Options.

To exercise your Options, please follow the instructions on the attached personalised option exercise form. Payment can be arranged by BPAY or cheque.

#### **Selling your Options**

The NCCOB Options are listed securities and can be bought or sold on the Australian Securities Exchange (ASX). Option holders who wish to realise value by selling their Options may do so on market under the ticker code ASX: NCCOB. The last closing price for the Options was 4.5 cents on 26 February 2021.

Importantly, if you do not exercise your Options or sell them on market prior to the expiry date on 29 June 2021, you will be unable to convert them into ordinary shares, and they will expire worthless.

For further information, or if you have any questions relating to the NCCOB bonus options, please contact the Company by telephone on (02) 9002 1576 or by email at [enquiries@naos.com.au](mailto:enquiries@naos.com.au). The Board recommends you seek independent financial advice if you are unsure whether to exercise your bonus options.

Yours sincerely

David Rickards

## Lodgement of Application

Naos Emerging Opportunities Company Limited C/- Boardroom Pty Limited, GPO Box 3993, SYDNEY NSW 2001

Neither Boardroom Pty Limited nor the Company accepts any responsibility if you lodge this Application at any other address or by any other means.

The terms of the Options are set out below.

**Exercise Price:**

Each Option has an exercise price of A\$1.02.

**Exercise Period:**

An Option may be exercised on any business day from the date of grant to 29 June 2021 (inclusive) but not thereafter. An Option Exercise Form is only effective when the Company has received the full amount of the exercise price in cash or cleared funds.

**Expiry Date:**

The expiry date for the Options is 29 June 2021.

**Quotation of Options:**

The Company will apply for quotation of the Options on the ASX.

**Register:**

The Company will maintain a register of holders of Options in accordance with section 168(1)(b) of the Corporations Act.

**Transfer/Transmission:**

An Option may be transferred or transmitted in any manner approved by the ASX.

**Exercise:**

On valid exercise, the Company will issue one Share for each Option exercised. Options may be exercised wholly or in part by delivery to the Registry of the Option Exercise Form together with payment of the aggregate exercise price in the manner prescribed in section 2.3 of this Prospectus and any further instructions on the Option Exercise Form.

**Quotation of Shares:**

The Company must make an application for quotation of Shares issued on exercise of the Options on ASX in accordance with the Listing Rules.

**Dividend entitlement:**

Options do not carry any dividend entitlements. Shares issued on exercise of Options rank equally with other issued Shares of the Company on and from issue. Shares issued upon the exercise of Options will only participate in a future dividend or other shareholder action if such Shares have been issued on or prior to the applicable record date for determining entitlements.

**Voting Rights**

The Options do not confer upon the holder a right to receive notices of general meetings (except as may be required by law), nor any right to attend, speak at or vote at general meetings of the Company.

**Reorganisations:**

If there is any reorganisation of the issued share capital of the Company, the rights of the Option holders will be varied to the extent necessary to comply with the ASX Listing Rules which apply to the reorganisation at the time of reorganisation.

**Participating rights**

For determining entitlements, Option holders may only participate in new issues of Securities to holders of Shares in the Company if the Option has been exercised and Shares allotted in respect of the Option before the record date of the proposed new issue. The Company must give at least six business days' notice to Option holders of any new issue before the record date for determining entitlements to the issue in accordance with the Listing Rules.

**Adjustments**

If between the date of issue and the date of exercise of an Option the Company makes one or more rights issues (being a pro-rata issue of Shares in the capital of the Company that is not a bonus issue) in accordance with the Listing Rules, the Exercise Price of Options on issue will be reduced in respect of each rights issue according to the following formula:

$$NE = OP - E [P - (S + D)] / (N + 1)$$

Where:

NE is the new exercise price of the Option; OP is the old exercise price of the Option;

E is the number of underlying Shares into which one Option is exercisable;

P is the volume weighted average market price per Share recorded on ASX during the 5 trading days ending on the day before the ex-rights date or ex-entitlements date (excluding special crossings and overnight sales);

S is the subscription price for Shares to be issued under the pro rata issue

D is the amount of any dividend due but not yet paid on the existing Shares (except those to be issued under the pro rata issue);

N is the number of existing Shares with rights or entitlements that must be held to receive a right to one new Share under the pro rata issue.

If there is a bonus issue to the holders of Shares, the number of Shares over which the Option is exercisable will be increased by the number of Shares which the holder of the Option would have received if the Option had been exercised before the record date for the bonus issue.

**ASX listing:**

The Company must apply for quotation of the Shares issued on exercise of the Options to the ASX in accordance with the Listing Rules. Shares so issued will rank equally with other issued Shares of the Company.
