Entitlement Offer – Notice to ineligible shareholders

Not for release to US wire services or distribution in the United States except by KGL Resources Limited to Approved US Shareholders

Dear Shareholder

On Monday, 22 February 2021, KGL Resources Limited (**KGL Resources**) announced the completion a placement to institutional investors, raising (before offer costs) approximately \$12 million (**Institutional Placement**) and a proposed 1 for 13 non-renounceable entitlement offer of fully paid ordinary shares in KGL (**New Shares**) to raise (before offer costs) approximately \$11.77 million (**Entitlement Offer**) (the Institutional Placement and Entitlement Offer together referred to as the **Equity Raising**).

Proceeds from the Equity Raising will be applied to KGL's Jervois Copper Project and will enable KGL to optimise the mine planning, complete the full project feasibility study, undertake financing, and provide a pool of funds to test some of what KGL believes are exciting additional exploration targets in the area.

Under the Entitlement Offer, Eligible Shareholders (defined below) will be invited to subscribe for 1 New Share for every 13 existing KGL Resources ordinary shares held at 7.00pm (AEDT) on Thursday, 25 February 2021 (**Record Date**) at an offer price of \$0.42 per New Share (**Entitlement**).

The Entitlement Offer is being made by KGL Resources without a disclosure document or product disclosure statement under section 708AA Corporations Act 2001 (Cth) (**Corporations Act**).

Documents relating to the Entitlement Offer were lodged with ASX on Monday, 22 February 2021 and will be mailed to Eligible Shareholders. Shareholder approval is not required for KGL Resources to make the offer under the Entitlement Offer.

Eligibility of shareholders to participate in the Entitlement Offer

KGL Resources has determined, under ASX Listing Rule 7.7.1(a) and section 9A(3) Corporations Act, that it would be unreasonable to make offers to all shareholders in all countries in connection with the Entitlement Offer. Accordingly, in compliance with ASX Listing Rule 7.7.1(b) and section 9A(3)(b) Corporations Act, this letter is to inform you that KGL Resources has determined that you are not an Eligible Shareholder and therefore are ineligible to apply for New Shares under the Entitlement Offer.

You are not required to do anything in response to this letter.

The Entitlement Offer is only available to Eligible Shareholders. An Eligible shareholder means a holder of KGL Resources shares at 7.00pm (AEDT) on the Record Date who:

-) has a registered address in Australia, New Zealand or Singapore or is a shareholder that KGL Resources has otherwise determined is eligible to participate;
-) is an 'Approved US Shareholder', being an existing shareholder of KGL Resources that is an institutional 'accredited investor' within the meaning of Rule 501(a)(1), (2), (3) or (7) under the US Securities Act of 1933, as amended;

-) is not in the United States and is not a person (including nominee or custodian) acting for the account or benefit of a person in the United States, excluding any Approved US Shareholders; and
-) is eligible under all applicable securities laws to receive an offer under the Entitlement Offer without any requirement for a prospectus to be lodged or registered.

As you do not satisfy the criteria for eligibility, KGL Resources is unfortunately unable to extend the Entitlement Offer to you.

As the Entitlement Offer is non-renounceable, you will not receive any payment or value for these entitlements in respect of any New Shares that would have been offered to you if you were eligible.
