Letter from the Chairman

10 March 2021

Dear Shareholders,

SHARE PURCHASE PLAN OFFER

On behalf of the Board of Directors of Fat Prophets Global Contrarian Fund Limited ("FPC"), **I am pleased to invite you to participate in a share purchase plan ("SPP") to purchase up to \$30,000 worth of fully paid ordinary shares in FPC ("Shares").**

Last year will go down in financial markets history as being of the most extraordinary on record. Whether it was the fastest stock market crash in history that was quickly followed by the fastest recovery, or the record-breaking volatility, 2020 will be a year that many will never forget. The disruption that transpired in financial markets cost the Fund initially, but ground was quickly made up as risk was added back to the portfolio in late March, and then April and May before what was to become the quickest recovery from a global recession in history. **In this environment the Fund has thrived, with the share price, pre-tax and post-tax NTA recently hitting record levels, and the fully franked interim dividend being increased 20% over the previous year.**

One of the reasons for the sharp recovery has been the record amount of fiscal stimulus injected by various governments around the world. Some US\$30 trillion has been distributed throughout the global economy by the US and other nations, on a scale that has been unprecedented. The measures taken by central banks and governments differ completely to the GFC, and measures adopted back then. The 2009 bailout of the global banking system saw money printed by central banks and injected into the financial system, but not passed on to the consumer by banking institutions. **The situation today could not be more different.**

Money has effectively been "helicoptered" to the four corners of the world, and we believe the world is about to experience much higher levels of inflation. We are anticipating strong world economic growth this year, driven by the rollout of the vaccine, and reopening of the world economy, the significant stimulus measures, pent up global consumer demand and robust household balance sheets. However, we are of the view that higher inflation will result. Such a scenario will have several implications for the financial markets. **We believe the Fund is well positioned for such a scenario being short, long-duration bonds, long precious metals and materials, and Japanese banks.** Given these potential opportunities and feedback from shareholders, the Board believes it is an appropriate time to offer shareholders the opportunity to add to their investment in the Company.

Reflecting the current investment environment, FPC's recent investment returns have been strong. Financial year to date, **the portfolio has generated net investment returns of 27.67%** while calendar year-to-date returns have also been strong (and this includes the February – March crash period). **Net investment returns have been 24.60% over the past 12 months.** Both performance figures represent considerable outperformance of equity, bond, credit and alternative markets (see figure 1 below). **Since inception FPC has generated net investment returns of 7.20% per annum,** which is consistent with the Fund's objectives.

Funds raised under the SPP will be invested in accordance with the investment objectives currently adopted by FPC.

The SPP is not underwritten.

The SPP provides eligible shareholders with the opportunity to increase their shareholding in FPC without incurring brokerage, commissions or other transaction costs. The Offer Price is the lower of \$1.30 or the five-day VWAP during the last five trading days prior to, and including, the Closing Date, less a 2% discount (rounded down to the nearest cent). **The Closing Date is 31 March 2021.**

The increase in the size of FPC as a result of the SPP will benefit shareholders in a number of ways. First, the trading liquidity for shares in FPC will increase. Second, growing FPC's assets will make the company more relevant in the market and improve the prospects of FPC receiving broker and research coverage.

Shareholders who participate in the SPP will be entitled to the fully franked interim dividend of 3c per share which will be paid on 16 June 2021.

The SPP is scheduled **to close at 5.00pm (Sydney time) on 31 March 2021**, although the Directors reserve the right to close the Offer early or extend the Closing Date (as the case may be), should it be considered by them necessary to do so. **To participate, you need to ensure that you have paid your application monies via BPAY® pursuant to the instructions set out on the Application Form available online at <https://fatprophetssp.thereachagency.com>**, so that payment is received before this time and date.

Eligible Shareholders may apply for a parcel of New Shares from a minimum value of \$1,000 to a maximum value of \$30,000 (subject to any scale back) irrespective of the size of an eligible shareholder's existing shareholding. Applications can be made to purchase a parcel of Shares with a dollar amount of \$1,000, \$2,000, \$3,500, \$5,000, \$7,500, \$10,000, \$15,000, \$20,000, \$25,000 and \$30,000.

Participation in the SPP is optional and the right to participate is not transferable.

FPC has the absolute discretion to scale back applications under the SPP in any manner it sees fit.

You should consult your stockbroker, accountant or other independent professional adviser to evaluate whether or not to participate in the SPP.

On behalf of the FPC Board, I invite you to consider this investment opportunity and thank you for your ongoing support of our company.

Important Notices

The offer of Shares under the SPP is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 which grants relief from the requirement in the Corporations Act 2001 (Cth) to issue a disclosure document for the SPP.

The Board recommends that you read the terms and conditions of the SPP attached to this letter carefully and in their entirety before deciding whether to participate in the SPP.

In particular, you should note the future market price of Shares is uncertain and may rise or fall. This means the price you pay for New Shares may be either higher or lower than the Share price trading on ASX at the time the New Shares are issued to you under the SPP, with the effect that the value of your investment in Shares could rise or fall.

This letter does not provide financial advice and has been prepared without taking account of any person's investment objectives, financial situation or particular needs. If you are in any doubt about the course of action you should follow, you should consult your financial, taxation or other professional adviser before participating in the SPP.

Further Information

If you have any questions in relation to the SPP please contact the Company Secretary on 0411 713 555.

Yours sincerely,

Michael Gallagher
Non-Executive Chairman

Fat Prophets Global Contrarian Fund Limited (“FPC”)

SHARE PURCHASE PLAN – TERMS AND CONDITIONS

These terms and conditions are the terms and condition of the Fat Prophets Global Contrarian Fund Limited Share Purchase Plan and are binding on any Shareholder completing a Share Purchase Plan Application Form attached to these terms and conditions.

Important notices

This document has been prepared by FPC.

The offer to purchase New Shares under the Share Purchase Plan is not a recommendation to purchase New Shares. Nothing in this document, these terms and conditions, the Application Form or any other accompanying documentation constitutes investment or financial product advice or is intended to influence your decision whether or not to participate in the Share Purchase Plan. The Share Purchase Plan documentation does not constitute a prospectus or a product disclosure statement and does not (and nor is it required under the Corporations Act to) contain all the information that a prospectus or a product disclosure statement is required to contain under the Corporations Act. Rather, the Corporations Act and ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 allow an offer under share purchase plans to be made by providing certain confirmations to the market on the basis that all information that investors and their professional advisers would reasonably require to make an informed investment decision in relation to the offer, when read with this booklet and the accompanying information, is publicly available. Accordingly, you must rely on your own knowledge of the Company, previous disclosures made by the Company to the ASX and, if necessary, consult with your professional adviser when making your decision whether or not to apply for New Shares under this Share Purchase Plan.

The Offer contained in this document is not a recommendation to purchase Shares. If you are in any doubt about the Offer, you should consult your financial or other professional adviser.

If you apply to participate in the Share Purchase Plan by making a BPAY® payment, you are accepting the risk that the market price of Shares may change between the date of the Offer and the allotment date. This means it is possible that, up to or after the allotment date, you may be able to buy Shares at a lower price than the Offer Price.

Participation in the Share Purchase Plan is not being offered, directly or indirectly, in the United States or to any person that is, or is acting for the account or benefit of, a US Person. This document and any related offering documents must not be mailed or otherwise transmitted or distributed in or into the United States or to any person that is, or is acting for the account or benefit of, a US Person.

Capitalised terms used in these terms and conditions are both defined in the body of, as well as in section 17 of, these terms and conditions.

1. THE OFFER

1.1 Class Order

The Offer is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 which grants relief from the requirement in the Corporations Act to issue a disclosure document for the Offer.

1.2 The Offer

The Offer is an invitation to all Eligible Shareholders to subscribe for New Shares at a subscription price of the lower of \$1.30 or the five-day VWAP during the last five trading days prior to, and including, the Closing Date, less a 2% discount (rounded down to the nearest cent), up to a maximum subscription of \$30,000.

The Offer will open at 9.00am (Sydney time) on 10 March 2021 and will remain open until 5.00pm (Sydney time) on 31 March 2021.

You may choose not to accept the Offer.

The Offer to each Eligible Shareholder is made on the same terms and conditions. The Offer is non-transferrable and non-renounceable (ie you may not transfer your right to acquire a New Share to anyone else).

The number of New Shares you receive will depend on the value of the parcel of New Shares you apply for and on the total number of New Shares applied for by all Eligible Shareholders. The Company reserves the right to scale back Applications where the total number of New Shares applied for under the Offer exceeds the Overall Cap (see section 1.3 below).

1.3 Overall Cap and scale back

The Directors have determined that the maximum number of shares to be issued under the SPP is 30% of the shares on issue by FPC on the Closing Date (**Overall Cap**). As at 5 March 2021, there are 38,860,771 shares on issue and therefore the maximum number of shares to be issued under the SPP is currently 11,658,231. In the event that FPC buys back further shares prior to the Closing Date, the maximum number of shares to be issued under the SPP will be reduced accordingly.

If Applications are received in excess of the Overall Cap, the Company reserves the right to scale back Applications in any manner it sees fit. Any decisions made will be final.

If a scale back produces a fractional number when applied to an individual Application, the number of New Shares that will be issued to the relevant Eligible Shareholder will be rounded down to the nearest whole number of New Shares.

In the event of a scale back, the difference between the application monies received and the number of New Shares allocated to an Eligible Shareholder multiplied by the Offer Price, will, if it exceeds \$2.00, be refunded to the relevant Eligible Shareholder by direct credit (to their nominated account as recorded on the register of the Company) or cheque, without interest, as soon as practicable following the issue date. Any individual refund amounts below A\$2.00 will be retained by the Company.

1.4 Offer not taken up

Participation in the Offer is optional. If you are an Eligible Shareholder and do not wish to subscribe for New Shares, you are not obliged to do anything. You will not receive any benefits or New Shares.

The number of existing Shares you hold as at the Record Date and the rights attached to those existing Shares will not be affected if you choose not to accept any of your entitlement under this Share Purchase Plan (although, the percentage of the Company's issued share capital that they represent will be reduced).

2. OPENING AND CLOSING DATES

The Opening Date of the Offer will be 9.00am (Sydney time) on 10 March 2021 and the Closing Date will be 5.00 pm (Sydney time) on 31 March 2021. The Directors reserve the right to close the Offer early or extend the Closing Date (as the case may be), should it be considered by them necessary to do so.

3. ELIGIBILITY

3.1 Eligibility

You are eligible to apply for the New Shares if:

(a) your registered address in the Company's register of members is in Australia or New Zealand; and

(b) you were registered as a holder of Shares in the Company as at 7:00pm Sydney time on 4 March 2021 (**Record Date**).

3.2 Individual Shareholders

If you are the only registered Shareholder of a holding of Shares, but you receive more than one Offer under the Share Purchase Plan (for example, because you hold Shares in more than one capacity), you may only apply for New Shares with a value of up to \$30,000.

The Company reserves the right to reject any Application where it believes there has not been compliance with this rule.

3.3 Joint Shareholders

If you are recorded with one or more other persons as the joint Shareholder of a holding of Shares, that joint Shareholding is considered to be a single registered Shareholding for the purpose of the Share Purchase Plan, and the joint Shareholders are entitled to participate in the Share Purchase Plan in respect of that single holding only. If the same joint Shareholders receive more than one offer under the Share Purchase Plan due to multiple registered holdings, the joint Shareholders may only apply for New Shares with a value of up to \$30,000.

3.4 Custodians

If you are a Custodian within the definition set out in **section 15** and hold Shares on behalf of one or more persons resident in Australia and New Zealand (each a **Participating Beneficiary**), you may be

entitled to apply for up to \$30,000 worth of Shares for each Participating Beneficiary, subject to you providing a certificate (**Custodian Certificate**) to the Company containing the information prescribed in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547.

If you are a Custodian and would like a Custodian Certificate or further information on how to apply, you should contact the Company Secretary on 0411 713 555.

3.5 Trustee or nominee

If you hold Shares as a trustee or nominee for another person, but are not a Custodian, you cannot participate for beneficiaries in the manner described in **section 3.4** unless the Company otherwise agrees. In this case, the rules for multiple single holdings set out in **section 3.2** apply.

3.6 Directors and employees

Directors and employees of FPC who hold Shares may be Eligible Shareholders.

3.7 Treatment of overseas Shareholders

The Offer is not being extended to any Shareholder, as at the Record Date, whose registered address is not situated in Australia or New Zealand.

The Company has determined that it is not practical for Shareholders with registered addresses in other jurisdictions to participate in the Offer. Accordingly, no action has been taken to register or qualify the New Shares or the Offer or otherwise to permit an offering of the New Shares in any jurisdiction outside Australia and New Zealand.

Recipients may not send or otherwise distribute this disclosure document or the Application Form to any person outside Australia (other than to Eligible Shareholders).

(a) New Zealand

The New Shares are not being offered or sold to the public within New Zealand other than to existing Shareholders at the Record Date with registered addresses in New Zealand to whom the offer of New Shares is being made in reliance on the Financial Markets Conduct Act 2013 (New Zealand) and the Financial Markets Conduct (Incidental Offers) Exemption Notice 2016 (New Zealand).

This Offer Document has not been registered, filed with or approved by any New Zealand regulatory authority. This Offer Document is not a product disclosure statement under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

(b) Important information for Shareholders outside Australia and New Zealand

This Offer Document does not constitute an offer of securities in any place outside Australia or New Zealand. In particular, this Offer Document does not constitute an offer to sell, or a solicitation of an offer to buy, securities in the United States. The New Shares have not been and will not be registered under the US Securities Act of 1933, as amended, (the Securities Act) or the securities laws of any state or other jurisdiction of the United States. The New Shares may not be offered, sold or otherwise transferred in the United States except in a transaction exempt from, or not subject to, the registration requirements of the Securities Act and the applicable securities laws of any state or other jurisdiction.

in the United States. Because of these legal restrictions, you must not send copies of this Offer Document or any other material relating to the SPP to any person resident in the United States or elsewhere outside Australia and New Zealand.

 - (xiii) you authorise the Company (and its officers and agents) to do anything on your behalf necessary for New Shares to be issued to you in accordance with these terms and conditions.

4. OFFER PRICE

The Offer is an invitation to all Eligible Shareholders to subscribe for New Shares at the Offer Price of the lower of \$1.30 or the five-day VWAP during the last five trading days prior to, and including, the Closing Date, less a 2% discount (rounded down to the nearest cent), up to a maximum subscription of \$30,000.

The price of \$1.30 is a 2.98% discount to the last closing price \$1.34 of FPC shares on the ASX on 4 March 2021.

Eligible Shareholders who apply for New Shares under the Offer agree to pay the Offer Price per New Share for the number of New Shares allocated to them under the Offer. The price at which Shares trade on the ASX may vary between the date of this Offer, the date that you apply for New Shares and the date of issue of New Shares to you. Therefore, the Offer Price of New Shares under the Offer may be more than or less than the market price of the Shares at the time of issue. The value of your investment in New Shares may therefore rise or fall. There is no certainty that Shares will trade at or above the Offer Price following the issue of New Shares under the Offer.

You acknowledge the risk that the market price of New Shares may rise or fall between the date of this Offer and the date the New Shares are issued to you under the Offer, which may mean that the Offer Price you pay for the New Shares may exceed the market price of the New Shares when issued.

5. RIGHTS

The rights and obligations of the New Shares are contained in the constitution of the Company, which is available for inspection at the registered office of the Company during the Offer period. The New Shares will be issued on the same terms as, and will rank equally with, all existing Shares and the Company will apply for the New Shares to be quoted on ASX.

If the New Shares are not quoted on ASX, the New Shares will not be issued and all funds received exceeding \$2.00, be refunded to the relevant Eligible Shareholder by direct credit (to their nominated account as recorded on the register of the Company) or cheque, without interest. Any individual refund amounts below A\$2.00 will be retained by the Company.

6. NUMBER OF NEW SHARES

Each Eligible Shareholder has the right to apply for up to a maximum of \$30,000.

If applications for more than the Overall Cap are received, FPC may, at its absolute discretion, scale back the number of SPP Shares that will be allotted to individual Shareholders under the Share Purchase Plan. In implementing any scale back, FPC will ensure that smaller Shareholders can obtain a meaningful allocation which may be more than their pro rata allocation (for example, by setting a minimum allocation such as \$1,000, although there is no guarantee that this exact minimum amount will be used). If a scale back produces a fractional number of New Shares when applied to your parcel, the number of New Shares you will be allotted will be rounded down to the nearest whole number of New Shares. If there is a scale back, the difference between the application monies received from you, and the number of New Shares allocated to you multiplied by the Offer Price, will be refunded to you without interest.

Each shareholder may apply for a parcel of New Shares from a minimum value of \$1,000 to a maximum value of \$30,000 (subject to any scale back) irrespective of the size of an eligible shareholder's existing shareholding. Applications can be made to purchase a parcel of Shares with a dollar amount of \$1,000, \$2,000, \$3,500, \$5,000, \$7,500, \$10,000, \$15,000, \$20,000, \$25,000 and \$30,000.

The total cost of New Shares purchased by each Eligible Shareholder (including through joint holdings, multiple share accounts or any holding which they have a beneficial interest) must not exceed \$30,000. The Directors reserve the right to issue to an Eligible Shareholder less New Shares than the number specified in the Application Form for whatever reason including the possible subscription of over \$30,000 worth of New Shares by a Shareholder through multiple Applications or joint holdings.

No fractions of New Shares will be issued. Any fraction of a New Share will be rounded up to the nearest whole number of New Shares.

7. PARTICIPATION COSTS

You must pay the Offer Price and any fees or charges incurred by you in completing the Application Form (for example, bank fees or fees of professional advisors). The Company will pay any brokerage or stamp duty.

8. APPLICATION MONEY AND ALLOTMENT OF NEW SHARES

8.1 Application money

All Application money received before the New Shares are issued will be held in a special purpose account. After any Application money is refunded (if required) and New Shares are issued to Applicants, the balance of funds in the account plus accrued interest will be received by the Company.

8.2 Allotment of New Shares

Subject to ASX granting the New Shares official quotation, it is expected that the New Shares will be quoted on the ASX by 9 April 2021. If you trade any New Shares before you receive your Share statement, then you do so at your own risk.

9. PAYMENT FOR THE SHARES

9.1 Application options

If you would like to apply for New Shares under the Share Purchase Plan, you must make your payment by BPAY in accordance with instructions set out in section 9.2 below. Cash payments will not be accepted. Receipts for payment will not be issued.

If you apply for:

- (a) less than \$1,000 of New Shares, the Company will not allot any New Shares to you and will refund your Application monies to you;
- (b) between \$1,000 and \$30,000 of New Shares, the Company will (subject to any scale back) allot to you the number of New Shares that you applied for (subject to any scale back in the event of oversubscriptions); and
- (c) more than \$30,000 of New Shares, the Company will (subject to any scale back in the event of oversubscriptions) allocate to you a parcel of \$30,000 of New Shares and your excess Application monies will be refunded to you.

9.2 To pay by BPAY®

Submit your payment via BPAY® using the customer reference number shown on your Application Form (available online at <https://fatprophetssp.thereachagency.com>) which is required to identify your holding.

Eligible Shareholders should be aware that their own financial institution may implement earlier cut-off times with regards to electronic payment. It is the responsibility of each Applicant to ensure that the Application money is submitted through BPAY® with sufficient time for it to be processed by their financial institution and received by the Company no later than 5:00pm (Sydney time) on the Closing Date.

If you make your payment using BPAY®, you do not need to return your Application Form. However, you will be taken to have represented to the Company that the total Application price for the following does not exceed \$30,000:

- (a) the New Shares the subject of the Application; and
- (b) any other New Shares which you have instructed a Custodian to acquire on your behalf under the Share Purchase Plan.

You cannot withdraw or revoke your Application once you have submitted payment via BPAY®.

10. OFFERS UNDER THE SHARE PURCHASE PLAN

The Company may make more than one invitation to acquire Shares under a share purchase plan in any 12-month period. Shareholders will not be able to acquire Shares to a value exceeding \$30,000 pursuant to the share purchase plans where the Company offers such share purchase plan in reliance on the ASIC Instrument in any 12-month period. An exception to this rule is that the Offer enables Eligible Shareholders who are Custodians to acquire Shares under the Share Purchase Plan on behalf of beneficiaries on whose behalf the Custodian is holding Shares, provided that the Custodian can certify particular requirements.

The Company may amend the terms and conditions of the Share Purchase Plan to provide for different terms to apply to different invitations. The Company may terminate the Share Purchase Plan at any

time. Notice of invitations, the terms of invitations and any termination of the Share Purchase Plan will be provided to ASX.

11. APPLICATION OF THE SHARE PURCHASE PLAN

The Company may act or omit to act in relation to the Share Purchase Plan (including applying the terms of the Share Purchase Plan) in its absolute discretion. The Company may settle any question of fact or interpretation in relation to the Share Purchase Plan in any matter it thinks fit, whether generally or in relation to any participant, Application or New Share. The Company's decision will be conclusive and binding. The Company reserves the right to waive strict compliance with the terms of the Share Purchase Plan. The Directors of the Company or any authorised delegate may exercise the powers of the Company under the terms of the Share Purchase Plan.

12. RISK CONSIDERATIONS

A subscription under the Share Purchase Plan is a speculative investment. The market price may change between the dates you apply for the New Shares and the issue of the New Shares to you. Accordingly, the value of the New Shares applied for may rise or fall.

This Offer is not a prospectus and does not require the types of disclosures required under the Corporations Act. You must rely on your own knowledge of the Company, previous disclosures made by the Company to ASX and, if necessary, consult your professional adviser when deciding whether or not to accept the Offer and participate in the Share Purchase Plan.

By completing the Application Form, you will be providing personal information to FPC. The *Privacy Act 1988* (Cth) governs the use of a person's personal information and sets out principles governing the ways in which organisations should treat personal information. The Company collects information about each Applicant provided on an Application Form for the purposes of evaluating and processing the Application and, if the Application is successful, to administer the Applicant's security holding in FPC. If FPC is obliged to do so by law, investors' personal information will be passed on to other parties strictly in accordance with legal requirements. Once personal information is no longer needed for FPC's records, FPC will destroy or de-identify it.

By submitting an Application Form, each Applicant agrees that FPC may use the information provided by an Applicant on the Application Form for the purposes set out in this privacy disclosure statement and may disclose it for those purposes to the share registry (Automic), FPC's related bodies corporate, agents, contractors and third-party service providers, including mailing houses and professional advisers, and to ASX and regulatory authorities.

If you do not provide the information required on the Application Form, FPC may not be able to process your Application.
