DIRECTORS' REPORT

31 December 2020

The directors present their report, together with the consolidated financial statements of WT Financial Group Limited (WTL or the Company) and its controlled entities (the Group) for the half-year ended 31 December 2020 (H1FY2021).

The Company is listed on the Australian Securities Exchange (ASX code: WTL). The Company's Corporate Governance Statement is located at www.wtfglimited.com.

Ian Morgan Company secretary

Principal activities

WT Financial Group Limited is a diversified financial services company that contains two distinct channels, being its primary business-to-business (B2B) operations under its Wealth Today Pty Ltd (Wealth Today) subsidiary and brand; and its complementary direct to consumer (or B2C) operations under its Spring Financial Group brand.

The Group's Wealth Today operations contribute around 70% of Revenue from Ordinary Activities and are the engineroom for growth as the disruption occurring in the financial services industry presents unprecedented growth opportunities.

Wealth Today provides independent financial advisers operating as authorised representatives with a comprehensive range of licensing, compliance, education & training, and technical support; and practice management and development services, including extensive consumer marketing and education tools.

Importantly, Wealth Today is a B2B brand, (rather than a consumer facing brand) with its authorised representatives operating under their own company, business and brand names enabling them to build personal connection to their clients and the communities in which they operate.

Through the various entities that make up the Spring Financial Group B2C operations the Group provides wealth management, retirement, investment and financial advice; mortgage and finance advice; real estate advice and buyers agency services. It is also the investment and asset manager of a disability housing fund; and provides accounting & tax advice and compliance services.

These operations underwrite critical intellectual property, and skilled human resources experienced in the practical application of financial advice and services, regulatory and legislative compliance, and training and education, which enable the Group to provide meaningful "real world" support and insights to the growing number of advisers in its Wealth Today dealer group - this provides a competitive advantage in attracting new advisers.

The Group's B2C operations also serve as a "research and development lab" for both consumer and practice management strategies; setting Wealth Today apart from dealer groups that have no exposure to the practical application of the marketing and delivery of advice to consumers on a day-to-day basis.

The Group also offers market-leading financial education and market information services for advisers and consumers through regular training and seminar programs, and the publication of its Wealthadviser library of more than 100 financial literacy handbooks and manuals on a broad range of financial and investment market topics.

Operating results and Review

A. Operating results for the year

The consolidated loss of the Group after providing for income tax for H1FY2021 amounted to \$332,614 (H1FY2020: profit \$61,431). The key matters contributing to the results are as follows:

Total revenue and other income increased 15% to \$7.13M (H1FY2020: \$6.22M), while operating expenses were relatively steady, down 3% to \$2.48M (H1FY2020: \$2.55M).

Cost of goods sold increased 39% to \$4.48M (H1FY2020 \$3.19M), reflective of an increased revenue contribution from non-salaried advisers in the Group's Wealth Today network, which resulted in an EBITDA profit of \$169K (H1FY2020 \$466K).

DIRECTORS' REPORT

31 December 2020

Impacted by costs associated with restructuring credit facilities and the inclusion of \$45K of financing charges associated with premises leases (in line with the mandatory adoption of AASB16 – Leases), finance costs were up 108% on the PCP to \$248K.

Depreciation & amortisation was up 56% on the PCP to \$376K (H1FY2020 \$240K) and included \$240k associated with surplus office accommodation leases (again in line with the mandatory adoption of AASB16 – Leases).

Income tax benefit was \$122K (H1FY2020: expense \$45K) resulting in a consolidated loss of \$332K (H1FY2020: NPAT \$61,431).

More detailed information relating to the performance of the Group's two key segments, which are "financial planning, investment advice and product sales revenue"; and "accounting & taxation services", is included at Note 3 of the financial statements.

Matters impacting the Results

Over the past three years the Group has embarked on a transformational restructure to reduce its focus and reliance on business-to-consumer (B2C) and non-recurring revenue, to emerge as a primarily business-to-business (B2B) focused enterprise targeting predominately recurring revenue lines. Recurring and repeat revenue now accounts for around 72% of all revenue and other income.

Central to its strategic transformation has been the acquisition of the Group's Wealth Today Pty Ltd (Wealth Today) subsidiary which provides a comprehensive range of "dealer group" services to financial advisers who are independent business operators acting as authorised representatives.

Concurrently the Group has rationalised its B2C financial advice and wealth management operations conducted under the Spring Financial Group banner, which has helped deliver the significant cost reductions. This rationalisation has also resulted in the surplus office accommodation.

This surplus office accommodation had a total (negative) net impact of \$398K on the half year profit before tax.

The Company expects continued revenue growth to continue, and to achieve reductions in occupancy costs totalling around \$800K pa (above and below the EBITDA line) as it exits the contractual commitments of its surplus office accommodation, which the directors expect will deliver sustainable profitability.

The conclusion of its Sydney premises lease in November 2021 will result in around \$600K pa of reductions. Surplus Melbourne accommodation remains under contract until November 2022, however whilst the COVID19 lockdowns in Melbourne hampered sublease/lease assignment efforts across 2020, the Company is confident that it will be able to exit ahead of lease expiry delivering a further cost reduction of \$200K pa if and when it does.

B. Review of financial condition

Financial position

The financial position of the Group as 31 December 2020 is summarised as follows:

Notes to the Consolidated Financial Statements

1. Summary of Significant Accounting Policies

The financial report of WT Financial Group Limited for the half- year ended 31 December 2020 was authorised for issue in accordance with a resolution of the Directors on 09 March 2021. The principal accounting policies adopted in the preparation of the financial statements are set out in this Note 1, below. These policies have been consistently applied to all the years presented.

(a) Basis of Preparation

Significant accounting policies Statement of compliance

The half-year financial report is a general purpose financial report prepared in accordance with the *Corporations Act 2001* and AASB 134 *Interim Financial Reporting*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 Interim Financial Reporting. The half-year report does not include notes of the type normally included in an annual financial report and shall be read in conjunction with the most recent annual financial report.

Basis of preparation

The condensed consolidated financial statements have been prepared on the basis of historical cost, except for the revaluation of certain financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the Company's 2020 annual financial report for the financial year ended 30 June 2020. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

(b) Adoption of New and Revised Accounting Standards

New Accounting Standards and Interpretations issued but not yet effective

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The directors have decided against early adoption of these Standards but does not expect the adoption of these standards to have any impact on the reported position or performance of the Group.

for the half-year ended 31 December 2020

for the half-year ended 31 December 2020

3. Operating Segments

Operating segments are presented using the 'management approach', where the information presented is on the same basis as the internal reports provided to the Chief Operating Decision Makers (CODM). The CODM is responsible for the allocation of resources to operating segments and assessing their performance.

The consolidated entity is organised into two separate operating segments:

- Financial planning, investment advice and product sales includes the provision of financial services delivered to consumers primarily through a group of independent financial advisers operating as authorised representatives under its Wealth Today Pty Ltd subsidiary. It also delivers a range of services directly to consumers under the Spring Financial Group banner, encompassing financial planning, residential real estate investment services, and mortgage brokerage; and
- Accounting and taxation services includes the provision of a comprehensive range of accounting and taxation
 advice and solutions for investors and small to medium businesses such as SMSF accounting, tax planning and
 structuring, management and cash flow reporting, tax returns and ASIC compliance.

All other transactions are recorded as *All Other Segments*. Other income within *Financial Planning, Investment Advice & Sales* segment is the gain on the sale of some of Group's internal financial planning clients. Included in EBITDA of *All Other Segments* are corporate overhead expenses.

These operating segments are based on the internal reports on at least a monthly basis that are reviewed and used by the Managing Director and Board. The Managing Director has been identified as the CODM is assessing performance and determining allocation of resources. There is no aggregation of operating segments.

The CODM reviews segment profits (Segment EBITDA). The accounting policies adopted for internal reporting to the CODM are consistent with those adopted in the financial statements of the consolidated entity.

All sales were made in Australia and all assets are within in Australia. No single customer represents more than 10% of Group revenue.

The table below sets out the performance of each operating segment.

(a) Advances to executives or their related parties

For the period from FY2013 through until the end of H1 FY2021 the Group's founding executive directors agreed to forgo salary payments totaling \$2.56M and forgo potential bonus payments of up to a further \$1.07M. This included agreeing to be paid zero of contracted salary in certain years. During the same period, the Company agreed to provide shareholder entities associated with executive directors revolving advances against future dividends. Movements in the advance balances have been subject to ongoing disclosure through the Company's financial statements. Since inception these advances have totaled \$3.41M; of which \$2.45M has subsequently been repaid by dividends, leaving a current balance of \$962K, as set out below.

Movements in advances to executives or their related parties are shown in table below:

9. Intangible assets

Goodwill impairment disclosure

For the purpose of impairment testing, goodwill and indefinite life intangibles are allocated to cash-generating units which form part of or are based on the Group's operating divisions.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss. Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

The aggregate carrying amount of goodwill allocated to each CGU is:

| | 31-Dec-20 | 30-Jun-20 |
|---|------------|-----------|
| Description of the cash-generating unit (CGU) | <u></u> \$ | \$ |
| Financial planning, investment advice & product sales | 4,716,283 | 4,666,284 |
| Accounting & taxation services | 1,480,000 | 1,480,000 |
| Total | 6,196,283 | 6,146,284 |

The recoverable amount of each cash-generating unit above is determined based on fair value less cost of disposal. There is sufficient information available in the market to determine fair value of each CGU.

| | 155,787 | 153,998 |

Employee entitlements are recognised when the Group has a present (legal or constructive) obligation as a result of past events, it is probable the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a liability is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. If the time value of money is material, the liability is discounted using a current pre-tax rate specific to the liability. The increase in the liability resulting from the passage of time is recognised as a finance cost.

WT FINANCIAL GROUP LIMITED AND CONTROLLED ENTITIES

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of WT Financial Group Limited.

Conclusion

We have reviewed the half-year financial report of WT Financial Group Limited ("the Company"), and its controlled entities ("the Group"), which comprises the consolidated statement of financial position as at 31 December 2020, the consolidated statement of profit and loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the Corporations Act 2001 includina:

- (i) giving a true and fair view of the Group's financial position as at 31 December 2020 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Group in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) ("the Code") that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001 which has been given to the directors of the Company would be in the same terms if given to the directors as at the time of this auditor's review report.

Directors' Responsibility for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with the Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REVIEW REPORT (continued)

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Australian Auditing Standard on Review Engagements *ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the consolidated entity's financial position as at 31 December 2020 and its performance for the half-year ended on that date; and complying with Accounting Standard *AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of WT Financial Group Limited, *ASRE 2410* requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
