Review of Operations

Clover Corporation Limited (Clover) has reported a revenue decrease of 21.7% to \$29.4 million (2020: \$37.6 million), within the guidance of a 15% to 25% reduction of 1H2020 provided at the 20 November 2020 Annual General Meeting.

Clover reported Net Profit after Tax of \$2.5 million for the half-year ended 31 January 2021 (2020: \$4.6 million), a decrease of 45.8%.

Financial Highlights

- Clover has been negatively impacted by COVID-19 as customer demand for their infant formula products reduced in the half-year.
- The Australian and NZ market has been heavily impacted by COVID-19 restrictions and reduced demand from Daigou and Chinese travel market supplying infant formula to Chinese consumers.
- Clover has increased its revenue from the EU, Asia and USA markets against the comparative half-year with new customers and product initiatives taking effect. Each of these markets remain under severe constraint from COVID-19 conditions.
- Clover has retained and grown its customer base
- The stronger Australian dollar to US dollar has further impacted the financial performance. Given that more than 50% of sales are invoiced in US dollars, translation back into AU dollars has reduced overall revenues. On a like for like foreign exchange basis, revenue would have been \$30.3m.
- Clover has carefully managed discretionary expenditure in the half-year with operating expenditure at \$4.6m, a reduction of 15% on the prior half-year. Clover has continued to experience legal expenses in enforcing its intellectual property rights against Pharmamark Nutrition Pty Ltd and an individual.
- The company has recognised its \$578,000 share of the first half loss of Melody Dairies, as the new spray drying facility in Hamilton New Zealand (NZ) has taken longer to be available and has been hampered by COVID-19 restrictions for product and customer qualification. Clover will use the spray dryer in 2H FY2021 for product development, customer acceptance testing and production of its hypoallergenic product range.

DIRECTORS' REPORT continued

- Excluding the one-off impacts of Melody Dairies delays and legal costs defending Intellectual Property rights, imply an underlying, normalised NPAT of \$3.3m
- The company's balance sheet remains strong with cash at \$9.8m.

Operational Highlights

- The company has released a highly concentrated Omega 3 powder which is under application trials for new health food products and the Research and Development team have several new products undergoing internal approvals for release in 2H FY2021.
- COVID-19 and industrial action have restricted container availability and access to shipping, making supply chains insecure. Accordingly, Clover maintains a strong raw materials inventory position to avoid these constraints and enable flexibility to respond to fluctuations in demand.
- The company remains focused on growing its markets and products to diversify its revenue opportunities. The EU, Asia and USA all remain key growth platforms for the company as they recover from COVID-19 conditions.
- Clover has managed its production through COVID-19 with a restricted workforce, increased
 hygiene procedures and constant communication. The company has not sought or received any
 government assistance during the period.

The fundamentals of the business remain strong. Whilst COVID-19 has impacted the customer base, curtailed growth and new projects, as vaccines become available and take effect, global markets are expected to recover. Clover is well placed to take advantage of new opportunities and grow with its existing customer base.

The global uncertainty is leading to a slow recovery in the infant formula market, leading Clover to expect revenue for FY2021 to be in the range of \$60m to \$70m.

Dividend

After careful consideration of the company's short-term cash requirements, the Board has declared a fully franked interim dividend of 0.5 cent per share in respect of the financial period ended 31 January 2021.

For more information please refer to: www.clovercorp.com.au

Rounding of Amounts

The economic entity has applied the relief available to it in ASIC Corporations (Rounding in Financial / Directors' Reports) Instrument 2016/191 and accordingly amounts in the financial report and the directors' report have been rounded off to the nearest thousand dollars, unless otherwise stated.

Auditors Independence Declaration

The auditor's independence declaration for the half-year ended 31 January 2021 has been received and is set out on page 19.

This report is signed in accordance with a resolution of the directors.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF-YEAR TO 31 JANUARY 2021

1. Significant accounting policies

Basis of preparation

The financial report of Clover Corporation Limited ('the Company') and its controlled entities ('the Group') for the half-year ended 31 January 2021 is a condensed general purpose financial report, prepared by a 'for-profit' entity in accordance with the requirements of the Corporations Act 2001 and Australian Accounting Standard AASB 134 Interim Financial Reporting. The Financial Statements were authorised for issue in accordance with a resolution of the directors on 16 March 2021.

The half-year financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Group's annual financial statements as at 31 July 2020, and any public announcements made by the Company during the half-year in accordance with the continuous disclosure requirements of the ASX listing rules.

The Company has applied the relief available to it in ASIC Corporations (Rounding in Financial / Directors' Reports) Instrument 2016/191 and accordingly amounts in the financial statements and the directors' report have been rounded off to the nearest thousand Australian dollars, unless otherwise stated.

The accounting policies adopted in the preparation of the half-year financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended 31 July 2020, except for the impact, if any, of adoption of new standards and interpretations noted below.

New/Amended Accounting Standards and Interpretations

(i) New standards and interpretations

In the half-year the Group has reviewed all of the revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to the Group and effective for annual reporting periods beginning on or after 1 August 2020.

(ii) Early adoption of standards

The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

8. Contingencies

Litigation has been initiated by the company (and its subsidiary) against an individual and Pharmamark Nutrition Pty Ltd. During the half-year ended 31 January 2021 the company continued to incur legal and other expenses in conducting the litigation, and this is expected to continue until the matter is resolved.

The company alleges that the individual has engaged in conduct in breach of obligations owed to the company and that Pharmamark Nutrition Pty Ltd has supported that conduct. The company is seeking an injunction to restrain the conduct, as well as compensation, damages and costs. The directors are of the opinion that the company has good prospects of success in the litigation. The additional information usually required by AASB 137 Provisions, Contingent Liabilities and Contingent Assets is not disclosed on the grounds that it can be expected to prejudice seriously the outcome of the litigation.

9. Capital Commitments

There are no capital commitments

DIRECTORS' DECLARATION

In accordance with a resolution of the directors of Clover Corporation Limited, I state that:

In the opinion of the directors:

- (a) the financial statements and notes of the consolidated entity as set out in this financial report:
 - 1. give a true and fair view of the consolidated entity's financial position as at 31 January 2021 and of its performance for the half-year ended on that date; and
 - 2. comply with Accounting Standard AASB134 Interim Financial Reporting and the Corporations Act 2001; and
- (b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

Independent Auditor's Review Report to the Members of Clover Corporation Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of Clover Corporation Limited (the Company) and its subsidiaries (collectively, the Group) which comprises the statement of financial position as at 31 January 2021, the statement of profit or loss and other comprehensive income, statement of changes in equity, and statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the half-year financial report of the Group is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated financial position of the Group as at 31 January 2021 and of its consolidated financial performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

Directors' Responsibility for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the Group's consolidated financial position as at 31 January 2021 and its consolidated financial performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of the Group, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.
