Disclaimer

This presentation has been prepared for use in conjunction with a verbal presentation and should be read in that context. The information in this presentation is only intended for Australian residents. The purpose of this presentation is to provide information only and the content of the presentation does not purport to provide investment advice. We strongly suggest that investors read the Prospectuses and all publicly available information and consult a financial advisor prior to making any investment decision. The presentation does not take into account the investment objectives, financial situation or particular needs of any person and should not be used as the basis for making investment, financial or other decisions. The information is selective and may not be complete or accurate for your particular purposes and should not be construed as a recommendation to invest in Future Generation Australia (ASX: FGX) or Future Generation Global (ASX: FGG). The information provided in the presentation is given in good faith and is believed to be accurate at the time of compilation. Neither Future Generation Australia, Future Generation Global nor their directors or employees make any representation or warranty as to the accuracy, reliability, timeliness or completeness of the information. To the extent permissible by law, Future Generation Australia, Future Generation Global and their directors and employees disclaim all liability (whether arising in contract, tort, negligence or otherwise) for any error, omission, loss or damage (whether direct, indirect, consequential or otherwise). Neither Future Generation Australia, Future Generation Global nor their directors or employees guarantee or make any representation as to the performance of Future Generation Australia, Future Generation Global, the maintenance or repayment of capital, the price at which shares may trade or any particular rate of return.
