Total passenger traffic in February 2021 was 623,000 passengers, down 79.8% on the prior corresponding period (pcp).

Domestic passengers totalled 596,000 for February 2021, down 70.0% on the pcp. The recovery in domestic passenger traffic from January was driven by unrestricted travel between all states and territories from late February.

27,000 international passengers passed through Sydney Airport in February, down 97.5% on the pcp³.

The downturn in international passenger traffic is expected to persist until government travel restrictions are eased.

¹ Due to data availability, all international passenger numbers (including prior corresponding period comparisons) are based on Confirmed Airline Passenger (CAP) data. As per previous information releases, these figures may contain estimates with any adjustments to preliminary statistics included in the year to date results in future months.

² Includes Domestic-on-Carriage

³ In 2019, international passengers represented 38% of Sydney Airport's total passenger traffic.
