Dear Lin,

Agua Resources Limited – Request for Voluntary Suspension

Agua Resources Limited (**Agua**) refers to its request for a trading halt dated 26 March 2021 and to the trading halt granted by ASX in response.

Agua requests that its fully paid ordinary shares (ASX Code: AGR) and listed options (ASX Code: AGRO) be placed in voluntary suspension with immediate effect. For the purposes of ASX Listing Rule 17.2 and in support of its request, Agua provides the following information:

- a) **Reason for voluntary suspension:** Agua is currently considering a capital raising and is not yet in a position to make an announcement regarding this matter. Agua considers it appropriate that it enters into a voluntary suspension so that it can manage its continuous disclosure obligations and to avoid the market trading in Agua shares on a basis that is not reasonably informed.
- b) **Duration of the voluntary suspension:** Agua requests that the voluntary suspension remain in place until Agua releases an announcement to the market in relation to the above matter. Agua currently expects that the voluntary suspension will be required for one trading day.
- c) **Termination of the voluntary suspension:** Agua anticipates that the voluntary suspension will cease upon it making an announcement to the market in relation to the above matter.
- d) **No reason:** Agua is not aware of any reason why the voluntary suspension should not be granted by ASX.
- e) **Further information:** Agua is not aware of any reason why its securities should not be temporarily suspended or any other information necessary to inform that market about the requested voluntary suspension.

Yours sincerely

Nicholas Donlon
Company Secretary
