¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

PRINCIPAL 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

	Corporate Governance Council Recommendation	Compliance	Disclosure
1.1	A listed entity should disclose; (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	Yes	The role of the Board and delegation to Management is formalised in the Board Charter. The Board is responsible for the overall operation and stewardship of the Company and, in particular, for the long-term growth and profitability of the Company, the strategies, policies and financial objectives of the Company, and for monitoring the implementation of those policies, strategies and financial objectives. The role of Management is to support the Chief Executive Officer (or equivalent) and implement the running of the general operations and financial business of the Company, in accordance with the delegated authority of the Board.

			The Board Charter additionally sets out the role and responsibility of the Chairman and outlines the Board's policy on when and how Directors may seek independent professional advice at the expense of the Company. The Board has delegated to the Chief Executive Officer the authority and power to manage Simble and its businesses within levels of authority specified by the Board from time to time. The Chief Executive Officer may sub-delegate aspects of his authority and power but remains accountable to the Board for Simble's performance and is required to report regularly to the Board on the progress being made by Simble's business units. Appointment of the Chairman of the Board as well as appointing, and where necessary replacing, the Chief Executive Officer are matters which are expressly reserved to the Board. In accordance with the Board Charter, the Board will review the Board Charter as and when required, and in doing so will continually review the division of functions between the Board and management to ensure that it continues to be appropriate to the needs of the Company. A copy of the Board Charter is available on the Website.
1.2	A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting forward to security holders a candidate for election as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	Yes	The Board has determined that given the nature of the Company and the composition of the Board, that the previously established Remuneration and Nomination Committee would be dissolved. The functions usually managed by such a committee will be managed by the Board, including undertaking of appropriate checks before appointing a director or senior executive, or putting forward to security holders a candidate for election as a director.

1.3	A listed entity should have a written agreement with each Director and senior executive setting out the terms of their appointment.	Yes	All Directors and senior executives have entered into written agreements with the Company. Specifically, each Non-Executive Director has been given a letter of appointment which outlines terms including the Director's duties, obligations, remuneration, expected time commitments and notification of the Company's policies. Similarly, senior executives have a formal job description and services agreement or employment agreement with the Company describing their term of office, duties, rights and responsibilities, and entitlements on termination.
1.4	The Company Secretary of a listed entity should be accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.	Yes	The Company Secretary is responsible for the day to day operations of the company secretary's office, including the administration of Board and committee meetings, overseeing Simble's relationship with its share registrar and lodgements with the ASX and other regulators. The Company Secretary is also responsible for communications with the ASX about listing rule matters, including making disclosures to the ASX in accordance with Simble's Continuous Disclosure Policy. The Company Secretary supports the effectiveness of the Board by monitoring compliance with Board policies and procedures and coordinating the completion and dispatch of Board agendas and briefing papers. The Company Secretary is accountable to the Board, and all Directors have access to the Company Secretary. The decision to appoint or remove the Company Secretary is made or approved by the Board.
1.5	A listed entity should; (a) have and disclose a diversity policy;	No	The Board adopted a formal diversity policy with effect from 09 March 2021. Previously, the Board Charter provided that the Board should comprise people with a mix of skills and diversity of backgrounds to enable the Board to discharge its duties effectively. It is the Board's intention to continue to

	I (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally;and (c) disclose in relation to each reporting period: (1) the measurable objectives set for that period to achieve gender diversity; (2) the entity's progress towards achieving those objectives, and: (3) either; A. The respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes), or; B. If the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under the Act. If the entity was in the S&P/ASX300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.		consider matters of diversity in the course of its recruitment and retention on the basis of merit. Although this is a departure from recommendation 1.5, the Board considers it appropriate given the current size of the Company. The Board does not believe this departure will be detrimental to Simble or its Shareholders. Whilst the Company has not set formal measurable objectives for achieving gender diversity, the Company is nonetheless committed to recruiting employees from a diverse pool of qualified candidates.
