RESPONSE TO ASX AWARE QUERY

Dreadnought Resources Limited ("**Dreadnought**" or "**the Company**") refers to your Aware Query Letter dated 12 April 2021 and provides the following responses:

1. Does DRE consider the Information to be information that a reasonable person would expect to have a material effect on the price or value of its securities?

Yes

2. Not applicable due to "Yes" answer to Question 1.
3. When did DRE first become aware of the Information?

The Company first became aware of the opportunity to raise capital in a discussion with its broker (Shaw & Partners) after the close of market (2.35pm) on 7 April 2021.

*The Board was not in a position to proceed with the capital raising until it was in a position to disclose all 'excluded information' (as described in section 708A(7) of the Corporations Act 2001 (Cth) (**Corporations Act**)).*

The Company had been in discussions with its convertible noteholders to extend the maturity date of the convertible notes for some time. It was not until 7.17pm on 7 April 2021 that the convertible noteholders provided their agreement to the extension with the Deed of Variation signed at 8.06pm. The Company would not have proceeded with the capital raising if this agreement had not been reached.

Upon such agreement being reached, the Company considered it was now in a position to disclose all excluded information in accordance with section 708A(5) of the Corporations Act, and could proceed with a capital raising. The decision of the Company to proceed with the capital raising was therefore not made until shortly after 8.06pm on 7 April 2021.

The extension of the maturity date of the convertible notes was announced on the ASX market announcements platform prior to the commencement of trading on 8 April 2021.

4. If the answer to question 1 is "yes" and DRE first became aware of the Information before the relevant date, did DRE make any announcement prior to the relevant date which disclosed the information? If so, please provide details. If not, please explain why this information was not released to the market at an earlier time, commenting specifically on when you believe DRE was obliged to release the information under Listing Rules 3.1 and 3.1A and what steps DRE took to ensure that the information was released promptly and without delay.

The Company was not able to release the information to the market at any earlier point as the Board was not in a position to proceed with the capital raising until all 'excluded information' (as described in section 708A(7) of the Corporations Act) had been disclosed. Please refer to the answer to Question 3 above.

5. Please confirm that DRE is complying with the Listing Rules and, in particular, Listing Rule 3.1.

The Company confirms that it is in compliance with the Listing Rules, and in particular, Listing Rule 3.1.

6. Please confirm that DRE's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of DRE with delegated authority from the board to respond to ASX on disclosure matters.

The Company confirms that these responses have been authorised and approved in accordance with its published Continuous Disclosure Policy.

Accordingly, even though an entity may consider information to be confidential and its disclosure to be a breach of confidence, if it is in fact disclosed by those who know it, then it ceases to be confidential information for the purposes of this rule.”
