## TRANSGRID FUNDING UPDATE

Spark Infrastructure announces that TransGrid, in which it holds a 15.01% interest and which is rated Baa2 by Moody's, has reached agreement with investors to place 8 year AUD fixed notes as a follow-on issuance via its AMTN program. TransGrid has raised A\$300 million of 8 year fixed rate notes at 2.732%.

This follow-on issuance in the AMTN market continues TransGrid's progression in diversification and extension of the tenor of its debt profile at an attractive cost.
