

ASX / TSX ANNOUNCEMENT

19 April 2021

Orocobre and Galaxy agree to a proposed A\$4B merger of equals, establishing a new force in the global lithium sector

Merger creates the 5th largest global lithium chemicals company with a diversified production base and exciting growth platform, with potential to unlock significant synergies and realise value to be shared by all shareholders.

Orocobre Limited (ASX:ORE, TSX:ORL) (**Orocobre**) and Galaxy Resources Limited (ASX:GXY) (**Galaxy**) are pleased to announce that they have entered into a binding Merger Implementation Deed (**MID**) under which the two companies will merge via a Galaxy Scheme of Arrangement (**Scheme**) pursuant to which Orocobre will acquire 100% of the shares in Galaxy.

Galaxy shareholders will receive 0.569 Orocobre shares for each Galaxy share held at the Scheme record date. Upon implementation of the Scheme, Orocobre shareholders will own 54.2% of the fully diluted share capital of the combined entity and Galaxy shareholders will own the remaining 45.8%.

The Scheme is unanimously recommended by the Board of Galaxy and each Galaxy Director intends to vote all the shares that they hold in Galaxy in favour of the Scheme (in both cases, subject to no superior proposal emerging and the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Galaxy shareholders).

The Scheme is endorsed and supported by the Board of Orocobre, subject to no proposal for Orocobre emerging.

As part of the proposed Scheme, Martin Rowley would become Non-Executive Chairman, Robert Hubbard would become Deputy Chairman, and Martín Pérez de Solay would remain CEO and Managing Director of the group, with a highly experienced and complementary Board and management team drawn from the combined group.

3.9 **Scheme voted down**

If Galaxy Shareholder Approval is not obtained at the Scheme Meeting by reason only of the non-satisfaction of the Headcount Test, and it appears to either party (acting reasonably) that there are reasonable grounds on which an application could be made to the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test (**Order**), that party may give notice to the other within three Business Days after the Scheme Meeting setting out those grounds and if such notice is given:

4.1 **Timetable**

Without limiting clause 2.1, each of Orocobre and Galaxy acknowledges and agrees that:

- (a) failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of clause 4.2 (by Galaxy) or clause 4.3 (by Orocobre) provided that the party has been working in good faith and in a timely manner to meet the timeframe or deadline or to the extent that such failure is due to circumstances and matters outside the party's control;
- (b) each party must:
 - (i) keep the other party informed about their progress against the Timetable; and
 - (ii) notify each other if it believes that any of the dates in the Timetable are unachievable; and

- (i) the Galaxy directors unanimously recommend that Galaxy Shareholders vote in favour of the Scheme at the Scheme Meeting; and
- (ii) each director of Galaxy who holds Galaxy Shares intends to vote his or her Galaxy Shares in favour of the Scheme at the Scheme Meeting,

in each case, subject only to no Superior Proposal emerging and to the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interest of Galaxy Shareholders;

(b) **(directors' support):**

- (i) use reasonable endeavours to procure that Galaxy's directors maintain the recommendation referred to in clause 4.2(a)(i) and the voting intention referred to in clause 4.2(a)(ii) until the Implementation Date, unless:
 - (A) the Galaxy Board, acting in good faith and after taking advice from Galaxy's external legal advisers, determines that maintaining the recommendation referred to in clause 4.2(a)(i) may constitute a breach of the fiduciary duties or statutory obligations of any member of the Galaxy Board to Galaxy;
 - (B) a Superior Proposal is received by Galaxy or announced; or
 - (C) the Independent Expert concludes (either in its initial Independent Expert's Report or in any written update, revision, amendment, addendum or supplementary reports to it) that the Scheme is not in the best interest of Galaxy Shareholders, or the Independent Expert withdraws its Independent Expert's Report prior to 7.00 am (Perth time) on the Second Court Date,

and provided that, in each case, Galaxy has complied with its obligations under clause 11.

For the purposes of this document, if a Competing Proposal is publicly announced in respect of Galaxy, the release by Galaxy of one or more Announcements to the effect that Galaxy Shareholders should take no action while the Galaxy Board considers its response will not (in and of itself) be regarded as a failure of Galaxy directors to maintain the recommendation referred to in clause 4.2(a)(i) and the voting intention referred to in clause 4.2(a)(ii).

(c) **(Regulatory Approvals)** consult with Orocobre on all aspects of communications with Government Agencies in relation to the Scheme and, as expeditiously as practicable:

- (g) Payment of the relevant amounts calculated in accordance with clauses 4.4(c) to an Ineligible Shareholder in accordance with this clause 4.4 satisfies in full Orocobre's obligations to the Ineligible Shareholder under this Scheme in respect of the Scheme Consideration.

4.5 **Other ineligible Scheme Shareholders**

Where the issue of Consideration Shares to which a Scheme Shareholder (other than an Ineligible Shareholder) would otherwise be entitled under this Scheme would result in a breach of law:

- (a) Orocobre will issue the maximum possible number of Consideration Shares to the Scheme Shareholder without giving rise to such a breach; and
- (b) any further Consideration Shares to which that Scheme Shareholder is entitled, but the issue of which to the Scheme Shareholder would give rise to such a breach, will instead be issued to the Sale Nominee and dealt with under clause 4.4, as if:
 - (i) references to "Ineligible Shareholders" also included that Scheme Shareholder; and
 - (ii) references to "Ineligible Consideration Shares" also included any of that Scheme Shareholder's Consideration Shares that have been issued to the Sale Nominee.

4.6 **Fractional Entitlements**

Where the calculation of a total number of Consideration Shares to be issued to (or in respect of) a particular Scheme Shareholder as Scheme Consideration would result in an entitlement to a fraction of a Consideration Share, then, any such fractional entitlement:

- (a) of 0.5 or more will be rounded up to the nearest whole number; and
- (b) of less than 0.5 will be rounded down to the nearest whole number.

- (a) any Scheme Consideration will be issued to and registered in the names of the joint holders; and

4.8 **Shareholder splitting or division**

- (a) If Orocobre is of the reasonable opinion that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares which results in rounding in accordance with clause 4.6), have, before the Scheme Record Date, been party to shareholder splitting or division in an attempt to obtain unfair advantage by reference to such rounding, Orocobre may give notice to those Scheme Shareholders:
 - (i) setting out their names and Registered Address;
 - (ii) stating that opinion; and
 - (iii) attributing the Scheme Shares held by all of them to one of them as specifically identified in the notice.
- (b) The Scheme Shareholder specifically identified in a notice given under clause 4.8(a) as the deemed holder of all the specified Scheme Shares will, for the purposes of this Scheme, be taken to hold all of those Scheme Shares and each of the other

Scheme Shareholders whose names and Registered Addresses are set out in the notice will, for the purposes of this Scheme, be taken to hold no Scheme Shares.

- (c) Orocobre, in complying with the other provisions of this Scheme relating to it in respect of the Scheme Shareholder specifically identified in a notice given under clause 4.8(a) as the deemed holder of all of the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of this Scheme.

4.9 **Orders of a court or Government Agency**

- (a) If Galaxy (or the Galaxy Share Registry) or Orocobre receives written notice of an order or direction made by a court of competent jurisdiction or by a Government Agency that:
 - (i) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by Galaxy or Orocobre in accordance with this clause 4, then Galaxy or Orocobre (as applicable) will be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
 - (ii) prevents Galaxy or Orocobre from providing consideration to any particular Scheme Shareholder in accordance with this clause 4, or the payment or issuance of such consideration is otherwise prohibited by applicable law, Galaxy or Orocobre (as applicable) will be entitled to:
 - (A) in the case of any Ineligible Shareholder, retain an amount, in Australian dollars, equal to the relevant Ineligible Shareholder's share of any proceeds of sale received by Galaxy pursuant to clause 4.4; and
 - (B) not issue (or, in the case of Galaxy, direct Orocobre not to issue), or issue (or, in the case of Galaxy, direct Orocobre to issue) to a permitted trustee or nominee, such number of Consideration Shares as that Scheme Shareholder would otherwise be entitled to under clause 4.2, until such time as provision of the Scheme Consideration in accordance with this clause 4 is permitted by that (or another) order or direction or otherwise by law.
- (b) To avoid doubt, any payment or retention by Galaxy or Orocobre (as applicable) under clause 4.9(a) will constitute the full discharge of Orocobre's obligations under clause 4.2 with respect to the amount so paid or retained until, in the case of clause 4.9(a)(ii), the amount is no longer required to be retained.

4.10 **Consideration Shares to rank equally**

Orocobre covenants in favour of each Scheme Shareholder that:

- (a) the Consideration Shares to be issued as the Scheme Consideration will, on issue:
 - (i) be duly issued and fully paid;
 - (ii) be free from any Encumbrances and interests of third parties of any kind, whether legal or otherwise, or restriction on transfer of any kind, other than as provided for in the constitution of Orocobre; and

- (iii) rank equally in all respects, including for future dividends, with all existing Orocobre Shares then on issue; and
- (b) it will apply to ASX for the official quotation of the Consideration Shares and use all reasonable endeavours to ensure that the Consideration Shares are approved for official quotation on ASX by 8.00 am (Perth time) on the Business Day following the Effective Date (or such later day as ASX may require), initially on a deferred settlement basis, and with effect from the first Business Day after the Implementation Date on an ordinary (T+2) basis (which approval may be conditional on the issue of those Consideration Shares and other conditions customarily imposed by ASX).

4.11 **Unclaimed monies**

- (a) Galaxy may cancel a cheque issued under clause 4.4(e)(ii) if the cheque:
 - (i) is returned to Galaxy; or
 - (ii) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Galaxy (or the Galaxy Share Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), Galaxy must reissue a cheque that was previously cancelled under clause 4.11(a).
- (c) The Unclaimed Money Act will apply in relation to any Scheme Consideration which becomes "unclaimed money" (as defined in section 6 of the Unclaimed Money Act).

4.12 **Title to and rights in Scheme Shares**

- (a) Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder or to the Sale Nominee (as applicable, and in accordance with this clause 4), Orocobre will be beneficially entitled to the Scheme Shares transferred to it under this Scheme pending registration by Galaxy of the name and address of Orocobre in the Galaxy Share Register as the holder of the Scheme Shares.
- (b) To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to Orocobre will, at the time of transfer to Orocobre, vest in Orocobre free from all:
 - (i) Encumbrances and interests of third parties of any kind, whether legal or otherwise; and
 - (ii) restrictions on transfer of any kind.
- (c) To avoid doubt, notwithstanding clause 4.12(a), to the extent that clause 4.9(a) applies to any Scheme Shareholder, Orocobre will be beneficially entitled to any Scheme Shares held by that Scheme Shareholder immediately upon compliance with clause 4.9 on the Implementation Date as if Orocobre had provided the Scheme Consideration to that Scheme Shareholder.

5. DEALINGS IN GALAXY SHARES

5.1 Galaxy Share dealings that are recognised

To establish the identity of the Scheme Shareholders, dealings in Galaxy Shares (or other alterations to the Galaxy Share Register) will be recognised only if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Galaxy Share Register as the holder of the relevant Galaxy Shares as at the Scheme Record Date; and
- (b) in all other cases, registrable transfers or transmission applications in respect of those dealings, or valid requests in respect of other alternations, are received by the Galaxy Share Registry at or before the Scheme Record Date,

and Galaxy must not accept for registration, nor recognise for any purpose (except a transfer to Orocobre pursuant to this Scheme and any subsequent transfer by Orocobre or its successors in title), any transfer or transmission application or other request in respect of Galaxy Shares received after the Scheme Record Date, or received prior to the Scheme Record Date but not in registrable or actionable form.

5.2 Galaxy to register transfer and transmission applications

Galaxy must register registrable transfers and transmission applications of the kind referred to in clause 5.1(b) by the Scheme Record Date, provided that, for the avoidance of doubt, nothing in this clause 5.2 requires Galaxy to register a transfer that would result in a Galaxy Shareholder holding a parcel of Galaxy Shares that is less than a "marketable parcel" (within the meaning given to that term in the operating rules of ASX).

5.3 Transfers received after Scheme Record Date not recognised

If this Scheme becomes Effective, each Scheme Shareholder (and any person claiming through any Scheme Shareholder) must not dispose of or transfer, or purport or agree to dispose of or transfer, any Scheme Share or any interest in them after the Scheme Record Date, other than pursuant to this Scheme, and any such disposal or transfer, purported disposal or transfer or attempted disposal or transfer will be void and of no legal effect whatsoever and Galaxy must disregard any disposal, transfer or transmission application in respect of Scheme Shares received after the Scheme Record Date.

5.4 Galaxy to maintain Galaxy Share Register to determine entitlements

- (a) In order to determine entitlements to the Scheme Consideration, Galaxy must maintain, or procure the maintenance of, the Galaxy Share Register in accordance with this clause 5 until the Scheme Consideration has been paid to Scheme Shareholders and Orocobre has been entered into the Galaxy Share Register as the holder of the Scheme Shares.
- (b) The Galaxy Share Register in this form will solely determine entitlements to the Scheme Consideration.

5.5 Holding statements no effect from Scheme Record Date

- (a) All holding statements for Galaxy Shares (other than holding statements in favour of Orocobre) will cease to have effect as documents of title (or evidence thereof) after the Scheme Record Date.
- (b) Each entry on the Galaxy Share Register at and from the Scheme Record Date (other than those entries in respect of Orocobre) will cease to have any effect other than

as evidence of an entitlement to the Scheme Consideration in respect of the Scheme Shares relating to that entry.

5.6 **Galaxy to provide contact information for Scheme Shareholders**

Galaxy must ensure that, as soon as practicable after the Scheme Record Date (and in any event by 8.00 am (Perth time) on the day that is two Business Days after the Scheme Record Date), Orocobre is given details of the name, Registered Address and holding of Galaxy Shares of each Scheme Shareholder, as shown in the Galaxy Share Register at the Scheme Record Date, in the form Orocobre reasonably requires.

5.7 **Suspension of trading**

Galaxy will apply to ASX to suspend trading of Galaxy Shares on the securities exchange operated by ASX with effect from the close of trading on the Effective Date or such other date as agreed between Orocobre and Galaxy, acting reasonably, following consultation with ASX.

5.8 **Termination of official quotation**

Galaxy will apply to ASX:

- (a) for termination of the official quotation of Galaxy Shares on the securities exchange operated by ASX; and
- (b) to have itself removed from the official list of ASX,

in each case, with effect on and from the close of trading on the trading day immediately following the Implementation Date, or such other date as Orocobre and Galaxy may agree, acting reasonably, following consultation with ASX.

6. **GENERAL PROVISIONS**

6.1 **Galaxy giving effect to the Scheme**

Galaxy must do all things (including executing all documents), and must ensure that its employees and agents do all things (including executing all documents), that are necessary or desirable to give full effect to the Scheme and the transactions contemplated by it.

6.2 **Scheme Shareholders' agreements and consents**

Each Scheme Shareholder irrevocably:

- (a) agrees for all purposes to:
 - (i) the transfer of their Scheme Shares, together with all rights and entitlements attaching to those Scheme Shares, to Orocobre, in accordance with this Scheme;
 - (ii) become a member of Orocobre and to have their name registered in the Orocobre Share Register as a holder of Orocobre Shares (in respect of the Consideration Shares which they are issued pursuant to this Scheme); and
 - (iii) be bound by the constitution of Orocobre;
- (b) agrees to the variation, cancellation or modification of the rights attached to their Scheme Shares constituted by or resulting from, and in accordance with, this Scheme;

- (c) acknowledges that this Scheme binds Galaxy and all Scheme Shareholders (including those who did not attend the Scheme Meeting and those who did not vote, or voted against this Scheme, at the Scheme Meeting);
- (d) consents to Galaxy and Orocobre doing all things (including executing all deeds, instruments, transfers or other documents) as may be necessary or desirable to give full effect to this Scheme and the transactions contemplated by it; and
- (e) acknowledges and agrees that Galaxy, as agent of each Scheme Shareholder, may sub-delegate its functions under this Scheme to any of its directors and officers, jointly and severally,

in each case, without the need for any further act by the Scheme Shareholder.

6.3 **Scheme Shareholders' warranties**

- (a) Each Scheme Shareholder is taken to have warranted to Galaxy and Orocobre on the Implementation Date, and to have appointed and authorised Galaxy as its attorney and agent to warrant to Orocobre on the Implementation Date, that:
 - (i) all their Scheme Shares (including any rights and entitlements attaching to their Scheme Shares) which are transferred under this Scheme will, at the time of transfer of them to Orocobre, be fully paid and free from all:
 - (A) Encumbrances and interests of third parties of any kind, whether legal or otherwise; and
 - (B) restrictions on transfer of any kind;
 - (ii) they have full power and capacity to transfer their Scheme Shares to Orocobre, together with any rights and entitlements attaching to those Scheme Shares, under this Scheme; and
 - (iii) as at the Scheme Record Date, they have no existing right to be issued any other Scheme Shares or any other form of securities in Galaxy.
- (b) Galaxy undertakes that it will provide such warranty to Orocobre as agent and attorney of each Scheme Shareholder.

6.4 **Appointment of Galaxy as attorney of Scheme Shareholders**

On and from the Effective Date, each Scheme Shareholder, without the need for any further act, irrevocably appoints Galaxy and each of its directors and officers, jointly and severally, as its attorney and agent to:

- (a) execute any document or do any other act necessary, expedient or incidental to give full effect to this Scheme and the transactions contemplated by it, including executing and delivering the Scheme Transfer under clause 3.2; and
- (b) enforce the Deed Poll against Orocobre,

and Galaxy accepts such appointment in respect of itself and on behalf of each of its directors and officers.

6.5 **Appointment of Orocobre as agent, attorney and sole proxy in respect of Scheme Shares**

Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder or to the Sale Nominee (as applicable, and in accordance with clause 4), until Orocobre is

registered as the holder of all Scheme Shares in the Galaxy Share Register, each Scheme Shareholder:

- (a) irrevocably appoints Orocobre as its attorney and agent (and directs Orocobre as its attorney and agent to appoint any of the directors and officers of Orocobre as its sole proxy and, where applicable, corporate representative, of that Scheme Shareholder) to:
 - (i) attend shareholders' meetings of Galaxy;
 - (ii) exercise the votes attaching to the Scheme Shares registered in the name of the Scheme Shareholder; and
 - (iii) sign any Galaxy Shareholders' resolution (whether in person, by proxy or by corporate representative);
- (b) must take all other action in the capacity of a registered holder of Scheme Shares as Orocobre reasonably directs;
- (c) undertakes not to attend or vote at any shareholders' meetings of Galaxy or sign any Galaxy Shareholders' resolution (whether in person, by proxy or by corporate representative) other than pursuant to clause 6.5(a); and
- (d) acknowledges and agrees that in exercising the powers conferred by clause 6.5(a), Orocobre and any director, officer or agent nominated by Orocobre may act in the best interests of Orocobre as the intended registered holder of the Scheme Shares.

6.6 **Binding effect of Scheme**

This Scheme binds Galaxy and all of the Scheme Shareholders (including those who did not attend the Scheme Meeting and those who did not vote, or voted against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of Galaxy.

6.7 **No liability when acting in good faith**

Neither Galaxy nor Orocobre, nor any of their respective directors, officers, secretaries or employees will be liable for anything done or omitted to be done in good faith in the performance of this Scheme or the Deed Poll.

6.8 **Deed Poll**

Galaxy undertakes in favour of each Scheme Shareholder to enforce the Deed Poll against Orocobre for and on behalf of each Scheme Shareholder.

6.9 **Notices**

- (a) Where a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Galaxy, it will be deemed to be received on the date (if any) on which it is actually received at Galaxy's registered office or at the Galaxy Share Registry and on no other date.
- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by a Galaxy Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

6.10 **Stamp duty**

Orocobre will pay all stamp duty (if any) and any related fines and penalties payable on, or in connection with, the transfer by the Scheme Shareholders of the Scheme Shares to Orocobre pursuant to this Scheme or the Deed Poll.

6.11 **Governing law**

- (a) This Scheme and any dispute arising out of or in connection with the subject matter of this Scheme is governed by the laws of Western Australia.
- (b) Each party irrevocably submits to the non-exclusive jurisdiction of the courts of Western Australia and of the courts competent to determine appeals from those courts with respect to any proceedings that may be brought at any time arising out of or in connection with the subject matter of this Scheme. Each party irrevocably waives any objection to the venue of any legal process in these courts on the basis that the process has been brought in any inconvenient forum.
