# IPH Limited announces extension of existing on-market share buyback

IPH Limited (ASX:IPH) today announced an extension of its existing on-market share buy-back program of up to \$40 million.

The buy-back period will now continue until 30 May 2022 (unless the maximum number of shares are bought back or IPH decides to cease the buy back earlier).

While IPH has no immediate intention of buying back its shares, the extension of the program provides flexibility as part of the Company's capital management programme.

The buy-back program will not impact the Company's existing dividend policy and the Company retains ongoing flexibility to take advantage of accretive growth opportunities as they occur.

An Appendix 3D in respect of the extension of the program is attached to this announcement.
