

## **Oneview Healthcare Appoints Nashina Asaria as Non-Executive Director**

Sydney, Australia – May 10, 2021— Oneview Healthcare Plc today announced that Ms. Nashina Asaria is joining the company as non-executive Director effective immediately. Nashina has deep experience in digital health and virtual care having had leadership, investor and advisor roles with numerous digital health and SaaS companies.

Nashina is currently an Independent Board Member and Chief Product Officer for Cloudbreak Health LLC, a US telehealth company and is passionate about mission driven initiatives with commercial viability. She has a proven record of sustaining successful endeavours in international partnerships, business strategies, business development, product management, marketing and deployment. As a Board Member of Cloudbreak Health, as well as its Chief Product Officer, she is responsible for Product Marketing, Product Management and Requirements, UI design, Software Engineering, Implementation and Customer Experience.

Most recently, Nashina was Co-Founder & Partner of Lumini Partners focused on bringing circular economy and energy solutions to Southern Africa. Prior to this, Nashina was the Chief Commercial Officer for LifeQ, a leading provider of biometrics and health information derived from wearable devices used in the insurance, health and pharma industries. Nashina has also held leadership roles with Verifone, Nantworks and Qualcomm. Born and raised in Nairobi, Kenya, Nashina has a Bachelor of Science from the London School of Economics and splits her time between the Netherlands and California.

Mike Kaminski, Chairman of Oneview Healthcare commented: "We have been fortunate to be introduced to Nashina through our recent partnership with Cloudbreak and are thrilled to welcome someone with so much relevant experience in the US healthcare technology industry. I have no doubt her energy, knowledge and passion will add tremendous value to the Board at what is a crucial time in our development."

Nashina remarked: "The healthcare industry is ready to embrace solutions that deliver on the promise of a streamlined patient experience. The recent Oneview platform enhancements deployed in market have placed the company in a unique leadership position. This is an exciting

Unifying the care experience.

time for the company and I am delighted to join the Board of Directors and I look forward to assisting the company on strategic initiatives going forward."

**This announcement was authorised by the Board of Oneview Healthcare Plc.**

### **About Oneview Healthcare**

For healthcare systems who lead on exemplary care, Oneview Healthcare provides digital tools for patients, families, and caregivers to improve the care experience. Unifying a facility's systems, content and services into one digital platform with dedicated devices at the point of care, Oneview helps deliver more control for patients and families, more time for care teams, and less complexity for executives and IT teams. Oneview is proud to partner with leading healthcare systems in the US, Australia, the Middle East and Asia.
