# Update on Curragh Fatality

Coronado Global Resources Inc. (ASX: CRN and "the Company") advises that legal charges have been issued in the Emerald Magistrates Court against its subsidiary Coronado Curragh Pty Ltd ("CCPL"), the operator of the Curragh Mine, and one of its employees in relation to the death of Mr Donald Rabbitt in an incident at the Curragh mine in January 2020 (see the earlier announcements<sup>1</sup>).

The safety of our people is our most important priority and we are committed to working hard every day to create an injury free workplace. We acknowledge the significant impact this incident has had on Donald's family and loved ones and we again express our deepest sympathies to Donald's family and co-workers.

CCPL is reviewing the charges, however, as these matters are before the Court, it is not appropriate for us to comment further at this time.
