### About Lindsay Australia Ltd (ASX: LAU)

Lindsay Australia Ltd is an integrated transport, logistics and rural supply company and a leading national service provider to the agriculture, horticulture and food-related industries. The Lindsay Australia Group comprises the two core divisions of Rural and Transport (including Fresh Logistics). When combined, these divisions offer products and services covering key needs of customers throughout their production lifecycle.

The Lindsay end-to-end solution begins with offering expert agronomy advice and continues with a diverse range of products and services along the supply chain to help farmers grow, package, transport and distribute their produce throughout Australia and the world. Lindsay's end-to-end solution is unique and offers customers with a single point of contact and accountability.
