Global Data Centre Group (ASX:GDC) is pleased to announce that Michel has agreed to join Etix Everywhere (Etix) in Europe as a senior advisor effective immediately.

Michel has a deep background in managing and growing data centres and ecosystems especially in Europe. Michel was previously MD of Equinix¹ for over a decade and was instrumental in establishing and growing their business in France.

Michel delivered more than 25,000 square metres of IT rooms over this period enabling Equinix to be a leader in France.

Etix Chairman, David Yuile commented "Michel is a significant and welcomed addition to the Etix team. I am really looking forward to utilising his insights and drive to accelerate our global leadership role in Edge". Etix CEO, Louis Blanchot added "Michel has been a powerhouse in the Data centre and telecom business in France and I'm thrilled to have him on board to structure and accelerate our development strategy in Europe".

Michel Brignano said "I am pleased to be joining Etix at such an exciting time in its development. It is my strong view that Edge is definitely the next wave of data centre development and ETIX is extremely well positioned to be the leader in this field".

GDC, through Etix, is accelerating its investment in Edge data centres which are critical in delivering IT services and connection aggregation services closer to the customer for improved performance. There is a near term and significant opportunity that exists across this sector and GDC is well positioned for future growth, supported by strong industry tailwinds.

About Etix Everywhere
