Wisr Prices Inaugural ABS Transaction with AAA Rating for Top Tranche

Sydney, 20 May 2021 - Wisr Limited (ASX: WZR) (ACN 004 661 205) (“Wisr”, or the “Company”) is pleased to announce the pricing of A\$225M of asset-backed securities (“ABS”), supported by a pool of fully amortising unsecured consumer personal loans.

The Wisr Freedom Trust 2021-1 is the inaugural ABS transaction for Wisr, and strong investor demand saw the issuance significantly oversubscribed across all tranches.

Highlights include:

- **Top tranche AAA rating (Moody’s), which is exceptional for an inaugural issuer, providing strong external validation of the quality of the Wisr business operations and the underwriting platform**
- **The introduction of new high-quality investors, both domestic and international, to the Wisr funding platform**
- **A day one weighted average margin of 1.5% + 1m BBSW which is a material reduction in current cost of funds (reduced by circa 1.5% or 50%)**
- **Release of capital for Wisr given the size of the equity contribution relative to the Wisr Warehouse**

Mr. Andrew Goodwin, Chief Financial Officer, Wisr said, *“This transaction signifies a coming of age for Wisr as the Company commences access to the global debt capital markets. We are extremely pleased with the market appetite, it’s a very strong testament to the quality of the Wisr loan book and overall business. The strong demand and pricing achieved across all tranches reflects that investors continue to seek high quality assets originated by high quality companies.”*

“There is a huge opportunity in front of us to grow market share in-line with our risk appetite and this transaction is an important and strategic step for Wisr. We’re in a prime position to aggressively grow our revenue with significant room to scale towards our medium-term target of a \$1B loan book. We have the right ingredients to deliver a highly profitable, differentiated business that is well capitalised and with market leading metrics.” finished Mr. Goodwin.

The Wisr Freedom Trust 2021-1 includes:
