

ASX ANNOUNCEMENT – 24 MAY 2021

## COMMENCEMENT OF CEO

Centrex Metals Limited (ASX:CXM) (“Centrex” or the “Company”) is pleased to confirm that Mr Robert Mencil has today commenced as Chief Executive Officer of the Company.

The Board of Centrex formally welcomes him to the team and looks forward to his future contribution to the Company.

Mr Mencil is an engineering and mining executive with more than 25 years’ experience developing and operating a wide range of mining, mineral processing and engineering operations.

Relevantly, he has previously held the position of CEO for RONPHOS Corp., the Republic of Nauru’s Phosphate company, where he was responsible for production, marketing and export of phosphate to customers throughout Asia and the Indian Pacific region. Mr Mencil brings significant senior managerial experience to the role in Centrex, having held the position of Managing Director / CEO of various ASX listed companies in the energy and resources sector.

Since the Company’s previous announcement regarding Mr Mencil’s appointment, the Board have agreed to issue him 100,000 sign on ordinary shares, which will be issued this week.

This announcement was authorised for release by the Board of the Company.

## About Centrex Metals

Centrex Metals is looking to secure Australasia's sustainable agriculture future through the exploration and development of its wholly-owned Ardmore Phosphate Project and Oxley Potash Project. The products from both of these projects are necessary ingredients for global food production and human nutrition.

The Centrex Metals fertiliser projects are located near to established energy and transport infrastructure that are necessary for access to established agricultural markets. The Company is also continuing its copper-gold-base metal exploration projects near Goulburn in the Lachlan Fold Belt in New South Wales.
