Infratil Infrastructure Bond Offer Opens

3.60% p.a. due 15 December 2027

Infratil Limited (“**Infratil**”) announces that its offer of unsecured, unsubordinated fixed rate Infrastructure Bonds to New Zealand retail and institutional investors is now open.

Infratil is offering up to \$50 million of unsecured, unsubordinated fixed rate Infrastructure Bonds which are to mature on 15 December 2027 (“**Bonds**”), with the option to accept up to a further \$50 million of oversubscriptions at Infratil’s discretion. The key terms of the offer are contained in the Terms Sheet, a copy of which is attached.

The interest rate for the Bonds will be fixed at 3.60% p.a. for the full term of the Bonds.

The offer comprises a General Offer to all investors in New Zealand and an Exchange Offer under which holders of the IFT220 bonds that mature on 15 June 2021 have the opportunity (subject to availability) to exchange some or all of their maturing bonds for Bonds of the new series.

The offer is being made as an offer of debt securities of the same class as existing quoted debt securities pursuant to the Financial Markets Conduct Act 2013. The notice required by the Financial Markets Conduct Regulations 2014 has been provided to NZX. The Bonds will be quoted on the NZX Debt Market.

Details on how to apply for the Bonds are set out in the Terms Sheet. The offer is now open, with the Exchange Offer closing on 10 June 2021 and the General Offer closing on 30 June 2021. In both instances Infratil may elect to close the offer earlier.

Interested investors, including holders of the IFT220 bonds that mature 15 June 2021, should contact Infratil or their usual financial advisor for more details.

Further information is available on www.infratil.com/for-investors/bonds/ or by contacting Aaron Queree (Treasurer, Infratil) on 04 473 3663.

Accordingly, the Infrastructure Bonds are the same class as the Quoted Bonds for the purposes of the FMCA and the Financial Markets Conduct Regulations 2014.

Infratil is subject to a disclosure obligation that requires it to notify certain material information to NZX Limited ("**NZX**") for the purpose of that information being made available to participants in the market and that information can be found by visiting www.nzx.com/companies/IFT.

The Quoted Bonds are the only debt securities of Infratil that are currently quoted and in the same class as the Infrastructure Bonds that are being offered.

Investors should look to the market price of the Quoted Bonds referred to above to find out how the market assesses the returns and risk premium for those bonds.

Description:	Infrastructure Bonds are unsecured, unsubordinated debt securities of Infratil to be issued pursuant to the Trust Deed
Opening Date:	25 May 2021
General Offer and Exchange Offer:	<p>The Offer consists of two separate parts. Under the first part ("General Offer"), Infratil is offering Infrastructure Bonds to all investors in New Zealand.</p> <p>Under the second part ("Exchange Offer"), Infratil is offering holders of its fixed rate bonds maturing on 15 June 2021 ("2021 Bonds") the opportunity to exchange all or some of their 2021 Bonds for Infrastructure Bonds offered under this Terms Sheet. You will receive one new Infrastructure Bond for each 2021 Bond exchanged under the Exchange Offer. Once you submit a completed Exchange Offer application form you will no longer be able to sell or otherwise transfer your 2021 Bonds designated in that application form.</p> <p>Infratil will send further information about the Exchange Offer, and how to apply, directly to holders of the 2021 Bonds.</p>
Offer Amount:	The Offer is for up to \$50,000,000 of Infrastructure Bonds in aggregate across both the General Offer and the Exchange Offer (with the option to accept oversubscriptions of up to an additional \$50,000,000 in aggregate at Infratil's discretion).
Closing Date:	<p>General Offer: 5.00pm, 30 June 2021</p> <p>Exchange Offer for 2021 Bonds: 5.00pm, 10 June 2021</p>
Interest Rate:	3.60% per annum
Maturity Date:	15 December 2027
Interest Payment Dates:	15 March, 15 June, 15 September and 15 December of each year until and including the Maturity Date (commencing on 15 September 2021).
Interest Payments:	<p>Other than for the first Interest Payment Date, Infratil will pay interest in arrear in equal amounts on each Interest Payment Date.</p> <p>Interest payable on each Infrastructure Bond on the first Interest Payment Date will accrue at the Interest Rate from (and including) the date on which your subscription moneys have been banked into the trust account operated in respect of the Offer to (but excluding) the first Interest Payment Date. For Infrastructure Bonds allotted under the Exchange Offer, the redemption proceeds of the 2021 Bonds will be banked into the trust account operated in respect of the Offer on 15 June 2021 and interest on those Infrastructure Bonds will accrue from that date.</p> <p>In addition, if the Infrastructure Bonds are redeemed on a day that is not an Interest Payment Date (see "Right to Redeem Early" and "Early Redemption Events" below), the amount of interest that will be payable to you will be adjusted to reflect the number of days in the interest period in which the interest accrued.</p>
First Interest Payment to Original Subscriber:	Interest payable on the first Interest Payment Date will be paid by Infratil to the original subscriber of an Infrastructure Bond regardless of any transfer of the Infrastructure Bond prior to the first Interest Payment Date.

Interest Suspension and Dividend Stopper:

Infratil may suspend the payment of interest where an Interest Suspension Event exists. If the payment of interest is suspended:

- (a) interest will continue to accrue (without compounding) and will be paid by Infratil when the Interest Suspension Event ceases to exist; and
 - (b) Infratil will not pay or make any distribution to shareholders or provide any financial assistance for the acquisition of shares in Infratil.
-

Interest Suspension Events:

In summary, an Interest Suspension Event may occur if:

- (a) the interest payment would be likely to breach the solvency test in section 4 of the Companies Act 1993;
 - (b) the interest payment would be likely to result in a breach of the terms or conditions of other financial indebtedness incurred by Infratil or certain of its subsidiaries; or
 - (c) the interest payment would be likely to result in a breach of any other legal obligation by Infratil or certain of its subsidiaries.
-

Right to Redeem Early:

Infratil has the right to redeem all or some of the Infrastructure Bonds prior to the Maturity Date by giving you no less than 5 Business Days' notice. Infratil may not exercise this right if:

- (a) the Supervisor has declared the Infrastructure Bonds due and payable because an event of default as described in clause 8.1 of the Trust Deed exists; or
- (b) the notice of early redemption is given at a time on or after the day falling 25 Business Days before the Maturity Date.

You have no right of early redemption except following an Early Redemption Event.

Redemption Price:

Redemption on the Maturity Date or following an Early Redemption Event

Each Infrastructure Bond redeemed on the Maturity Date, or earlier following an Early Redemption Event, will be redeemed at an amount equal to its Face Value less all withholding tax or deductions required to be made.

Early Redemption

If an Infrastructure Bond is redeemed early due to Infratil exercising its right to redeem early, it will be redeemed at an amount equal to the greater of:

- (a) its Face Value plus accrued but unpaid interest; and
- (b) the current market price of the Infrastructure Bonds (determined in accordance with clause 6.1(l)(ii) of the Trust Deed),

in each case less all withholdings or deductions required to be made.

Early Redemption Events:

In summary, an Early Redemption Event may occur if:

- (a) an event of default as described in clause 8.1 of the Trust Deed occurs; or
- (b) certain takeover offers are made in respect of the shares in Infratil.

In general terms, the events of default include non-payment for 14 days or more and the occurrence of certain insolvency related events in relation to Infratil.

Liabilities to Assets Covenant:

Infratil has agreed for the benefit of Bondholders that, on the last day of each financial year and financial half-year of Infratil (and in certain other circumstances), Borrowed Money Indebtedness of the Issuer Group (being Infratil and certain of its 100% owned subsidiaries) will not exceed 50% of Tangible Assets of Infratil and its subsidiaries as at that date.

Ranking of Infrastructure Bonds:

The Infrastructure Bonds are unsecured and unsubordinated debt obligations of Infratil. This means that in a liquidation of Infratil your rights and claims as a Bondholder:

- (a) will rank **after** the claims of (i) secured creditors of Infratil (if any), and (ii) creditors of Infratil who are preferred by law (e.g. the Inland Revenue Department in respect of unpaid tax);
- (b) will rank **equally** with the claims of all other unsecured, unsubordinated creditors of Infratil; and
- (c) will rank in **priority** to the claims of (i) subordinated creditors of Infratil (if any) (being creditors who have agreed to accept a lower priority in respect of their claims in a liquidation of Infratil), and (ii) shareholders.

Infratil is a holding company with investments in various companies. **Bondholders have no claims against, or recourse to the assets of, any of those companies.** Infratil's ability to make timely payments on the Infrastructure Bonds is dependent on the returns it receives from its investments, its capital structure and the quality of its management.

In a liquidation of the Infratil group, creditors of Infratil's subsidiaries and associates (including lenders) would have a prior claim to the assets of those companies ranking ahead of the claim of Infratil's liquidator (claiming as shareholder in the companies). Only the residual assets of the companies, after the claims of the companies' creditors have been satisfied, would be available to Infratil's liquidator and therefore Infratil's creditors (including Bondholders).

No Guarantee:

The Infrastructure Bonds are not guaranteed by any member of the Infratil group or any other person.

Issue Price:

\$1.00 per Infrastructure Bond (being the Face Value). No subscription moneys are payable by a Bondholder for Infrastructure Bonds allotted under the Exchange Offer.

Face Value:

\$1.00 per Infrastructure Bond.

Infrastructure Bonds offered under the General Offer will be issued on 6 July 2021.

Infrastructure Bonds offered under the Exchange Offer will be issued on 15 June 2021.

For Infrastructure Bonds issued on 6 July 2021: 7 July 2021.

By supplying **your mobile number** you will enable the Registrar to advise you by TXT Alerts (post allotment for New Zealand investors only) of any changes on your holding balance, or if your bank account details or address on the register change, or if a new / replacement FIN has been requested.

This feature provides additional security to you as an investor. You may unsubscribe at any time for this TXT Alert service.

B = Application Details

Please enter the aggregate Face Value of Infrastructure Bonds that you wish to apply for.

Each Infrastructure Bond has a Face Value of \$1.00.

An application to subscribe for Infrastructure Bonds must be for a minimum aggregate Face Value of \$5,000 and thereafter in multiples having a Face Value of \$1,000.

Payment must be made by direct debit. **Infratil is no longer able to accept payment by cheque.**

By completing the direct debit account details, you authorise the Registrar to direct debit the bank account nominated on the General Offer application form, on the day the General Offer application form is received by the Registrar, for the amount applied for on the General Offer application form. You cannot specify any other direct debit date and you must ensure that:

- the bank account details supplied are correct;
- sufficient funds in the bank account for direct debit are available on the day the Registrar receives the General Offer application form;
- the person(s) giving the direct debit instruction has/have the authority to operate the account solely/jointly; and
- the bank account you nominated is a transactional account eligible for direct debit transactions.

If you are uncertain, you should contact your bank or financial institution. Should your direct debit fail, your application may be rejected. The Registrar will not be able to process your direct debit if you do not sign and date the General Offer application form. If requested, the Registrar will provide you with a direct debit authority form.

The banking of application moneys does not constitute confirmation of allotment of any Infrastructure Bonds or acceptance of an offer to subscribe for Infrastructure Bonds.

If an applicant's direct debit is dishonoured, Infratil may cancel that applicant's allotment of Infrastructure Bonds and pursue any other remedies available to it at law. Investors who are members of NZClear may, by prior arrangement with the Registrar, settle their applications for the Infrastructure Bonds on the relevant Issue Date of the Infrastructure Bonds through the NZClear System.

C = Holder Number Details

If you have other investments registered under a Common Shareholder Number ("**CSN**") please supply your CSN in the space provided. The name and address details on your General Offer application form must correspond with the registration details under that CSN.

D = Interest and Redemption Payments

If payment to your cash management account with an NZX participant is selected, tick the box for option 1, insert the name of the NZX Participant where your cash management account is held and provide your cash management client account number.

If you currently receive interest or dividend payments from the Registrar by direct credit, and wish your payments in respect of the Infrastructure Bonds to be direct credited to the same account, then you do not need to complete section D of the General Offer application form.

E = IRD number, RWT and other tax details

Please enter your IRD number and tick the resident withholding tax ("**RWT**") rate that applies to you (or, if you are exempt from RWT, tick the exempt box). If no IRD number is supplied payments will be taxed at the non-declaration rate of 45%. Please note that if you select the 39% rate, that rate only applies with effect from 1 October 2021 and an election of 33% will be deemed to apply prior to that date. RWT will therefore be withheld at a rate of 33% in relation to interest paid prior to 1 October 2021 and at 39% for subsequent interest payments.

F = Electronic Investor Correspondence

By supplying your email address Infratil will be able to deliver your investor correspondence to you electronically where possible. This is a much more environmentally friendly, cost effective and timely option than paper based investor mail outs.

G = Signing and Dating

Read the Terms Sheet and General Offer application form carefully and sign and date the General Offer application form.

The General Offer application form must be signed by each of the applicant(s) personally, (in the case of a company) by two directors of a company (or one director if there is only one director, whose signature must be witnessed), or in either case by a duly authorised attorney or agent.

If the General Offer application form is signed by an attorney, the power of attorney document is not required to be lodged, but the attorney must complete the certificate of non-revocation of power of attorney following the General Offer application form.

If the General Offer application form is signed by an agent, the agent must complete the certificate of non-revocation of agent following the General Offer application form.

Joint applicants must each sign the General Offer application form.

H = General Offer Closing Date and Delivery

Exchange Offer Application Instructions

Infratil
Terms Sheet
May 2021

These application instructions relate to an application for Infrastructure Bonds under the Exchange Offer. An application to subscribe for Infrastructure Bonds under the Exchange Offer must be made on the Exchange Offer application form following these application instructions.

An application will constitute an irrevocable offer by the applicant to subscribe for the aggregate Face Value of Infrastructure Bonds specified in the Exchange Offer application form (or such lesser amount which Infratil may determine) on the terms set out in the Terms Sheet, the Trust Deed, the Series Supplement and the Exchange Offer application form.

A = Investor Details

Please complete all relevant sections in the Exchange Offer application form in CAPITAL LETTERS.

Full name details: Insert your full name. Applications must be in the name(s) of the natural persons, companies or other legal entities which hold the Infrastructure Bonds due 15 June 2021 ("**2021 Bonds**") to be exchanged under the Exchange Offer.

Use the table below to see how to write your name correctly.

Type of Investor:	Correct way to write Name:	Incorrect way to write Name:
Individual person	JOHN SMITH	J SMITH
More than one person	JOHN SMITH MICHELLE SMITH	J & M SMITH
Company	ABC LIMITED	ABC
Trusts	JOHN SMITH (JOHN SMITH FAMILY TRUST A/C)	SMITH FAMILY TRUST
Partnerships	JOHN SMITH MICHAEL SMITH (JOHN SMITH AND SONS A/C)	JOHN SMITH & SONS
Clubs and unincorporated associations	JANE SMITH (SMITH INVESTMENT CLUB A/C)	SMITH INVESTMENT CLUB
Superannuation funds	JOHN SMITH LIMITED (SUPERANNUATION FUND A/C)	JOHN SMITH SUPERANNUATION FUND

Postal address details: Insert your postal address for correspondence. All communications to you from Infratil will be mailed to the person(s) at the address shown (unless an applicant provides an email address in section F of the Exchange Offer application form). For joint applicants, only one address is to be provided.

Telephone numbers: Insert your telephone number(s) in case the Registrar or Infratil needs to contact you in relation to your application.

By supplying **your mobile number** you will enable the Registrar to advise you by TXT Alerts (post allotment for New Zealand investors only) of any changes on your holding balance, or if your bank account details or address on the register change, or if a new / replacement FIN has been requested.

This feature provides additional security to you as an investor. You may unsubscribe at any time for this TXT Alert service.

B = Application Details

Please enter the aggregate Face Value of Infrastructure Bonds that you wish to apply for.

Each Infrastructure Bond has a Face Value of \$1.00.

Unless you are applying to exchange all of your 2021 Bonds, an application to subscribe for new Infrastructure Bonds must be for a minimum aggregate Face Value of \$5,000 and thereafter in multiples having a Face Value of \$1,000. The maximum amount of Infrastructure Bonds you may apply for under the Exchange Offer is equal to the number of 2021 Bonds you hold.

2021 Bonds that are not exchanged under the Exchange Offer will remain on issue and be redeemed on 15 June 2021 subject to their existing terms and conditions.

C = Holder Number Details

Please enter the Common Shareholder Number ("**CSN**") or Holder Number your 2021 Bonds are registered on in the space provided. The name and address details on your application form must correspond with the registration details under that CSN.

D = Interest and Redemption Payments

If you wish your payments in respect of the new Infrastructure Bonds to be direct credited to the same account to which payments in respect of your 2021 Bonds are made, then you do not need to complete section D of the Exchange Offer application form.

If payment to your cash management account with an NZX participant is selected, tick the box for option 1, insert the name of the NZX Participant where your cash management account is held and provide your cash management client account number.

If you wish to be paid by direct credit but wish to have payment in respect of your new Infrastructure Bonds credited to a different bank account than the account to which payments in respect of your 2021 Bonds are currently made, please tick the box for option 2 and enter the details of the bank account.

E = IRD number, RWT and other tax details

Please enter your IRD number and tick the resident withholding tax ("**RWT**") rate that applies to you (or, if you are exempt from RWT, tick the exempt box). If no IRD number is supplied payments will be taxed at the non-declaration rate of 45%. Please note that if you select the 39% rate, that rate only applies with effect from 1 October 2021 and an election of 33% will be deemed to apply prior to that date. RWT will therefore be withheld at a rate of 33% in relation to interest paid prior to 1 October 2021 and at 39% for subsequent interest payments.

F = Electronic Investor Correspondence

By supplying your email address Infratil will be able to deliver your investor correspondence to you electronically where possible. This is a much more environmentally friendly, cost effective and timely option than paper based investor mail outs.

G = Signing and Dating

Read the Terms Sheet and Exchange Offer application form carefully and sign and date the Exchange Offer application form.

The Exchange Offer application form must be signed by each of the applicant(s) personally, (in the case of a company) by two directors of a company (or one director if there is only one director, whose signature must be witnessed), or in either case by a duly authorised attorney or agent.

If the Exchange Offer application form is signed by an attorney, the power of attorney document is not required to be lodged, but the attorney must complete the certificate of non-revocation of power of attorney following the Exchange Offer application form.

If the Exchange Offer application form is signed by an agent, the agent must complete the certificate of non-revocation of agent following the Exchange Offer application form.

Joint applicants must each sign the Exchange Offer application form.

H = Exchange Offer Closing Date and Delivery

The Exchange Offer will close at 5.00pm on 10 June 2021. Applicants should remember that the Closing Date of the Exchange Offer may be changed at the sole discretion of Infratil. Changes will be advised by NZX announcement. Infratil reserves the right to refuse to accept applications received by the Registrar after the Closing Date of the Exchange Offer. Your Exchange Offer application form should be returned to, or lodged with, an appropriate person as specified under the heading "How to Apply" on page 6 of the Terms Sheet.

Personal Information Rights

Personal information provided by you will be held by Infratil and the Registrar at their respective addresses shown under the address details section in the Terms Sheet or at such other place as is notified upon request. This information will be used for the purpose of managing your investment.

You have a right to access and correct any personal information about you under the Privacy Act 2020. You can also access your information on the Link Market Services website: www.linkmarketservices.co.nz. (You will be required to enter your holder number and FIN).

Dear Bondholder/Shareholder

Infratil is making a new offer of Infratil Infrastructure Bonds ("New Bonds").

The offer comprises a General Offer to all investors in New Zealand and an Exchange Offer to holders of the Infratil Bonds maturing on 15 June 2021.

Information about the New Bonds is available on Infratil's website www.infratil.com/for-investors/bonds/. Key terms include:

- Maturity: 15 December 2027.
- Coupon/Yield: 3.60% per annum (payable quarterly).
- Amount: \$50 million (Infratil has the right to take up to a further \$50 million in oversubscriptions).
- Open: The New Bond issue is open now. Infratil will pay interest at the rate of 3.60% per annum from the time funds are banked into the trust account operated in respect of the Offer.
- If not closed before, the Exchange Offer closes 10 June 2021 and the General Offer closes 30 June 2021.
- Exchange: Holders of the Infratil Bonds maturing on 15 June 2021 may contract to roll some or all of the maturing value into the New Bonds. The availability of this depends on the issue not being fully subscribed or having been closed by Infratil.

As an existing Infratil bondholder or shareholder we would welcome your participation in this New Bond issue. However, it is not practical for us to reserve allocations so if you wish to make this investment we advise you to lodge your application as soon as possible.

If you are interested in further information we suggest that you contact your usual financial adviser or feel free to contact us at info@infratil.com or call 04 473 3663.

Yours sincerely

Aaron Queree
Infratil Treasurer
