## **About LPE**

LPE is an electricity provider that specialises in innovative technology that creates sustainable apartment living through delivering behind the meter shared solar energy solutions, carbon neutral centralised water heating plants and electrical embedded networks. LPE also provides traditional electricity to homes, businesses, and strata communities throughout Queensland and New South Wales making LPE one of the only electricity providers offering a diverse product range to customers. LPE's vision is to empower people to save money and create sustainable communities of the future.
