### About LPE

LPE is an electricity provider that specialises in innovative Australian renewable solutions using shared solar, batteries and centralised hot water to give strata communities an immediate reduction in electricity costs at no upfront cost. LPE also provides traditional electricity to homes, businesses, and strata communities throughout Queensland and New South Wales making LPE one of the only electricity providers offering a diverse product range to customers. LPE's vision is to empower people to save money and create sustainable communities of the future.
