## **ASX ANNOUNCEMENT**

### **Cyber Security Incident**

Shriro Holdings (ASX: SHM) advises it has been subject to a cyber security incident involving unauthorised access to its operating systems. The cyber security incident has impacted operating systems this week.

The Company has engaged a leading cyber forensics firm to conduct an investigation and this investigation is ongoing. Shriro has also commenced a comprehensive internal investigation to review its systems and processes.

Shriro has notified the Australian Cyber Security Centre.

There is a possibility that data on our systems has been accessed and the Company is continuing to ascertain the extent to which data has been accessed. As investigations become more advanced Shriro will update the market and any impacted stakeholders directly.
