83,000 international passengers passed through Sydney Airport in June 2021, 93.6% down on the corresponding period in 2019.

International and domestic passenger numbers were impacted by the stay-at-home orders issued by the NSW government on 25 June 2021. These restrictions have resulted in border closures to NSW limiting interstate travel and a suspension in quarantine-free trans-Tasman travel from 23 June 2021. Prior to this suspension, trans-Tasman passenger traffic had returned to more than 40% of the corresponding period in 2019.
