Love Group Ltd (ASX:LVE) is pleased to present its quarterly cash flow report and operational update for the quarter ending June 2021.

Love Group Founder and CEO, Michael Ye: *"We experienced a challenging quarter as a result of a lower volume of store consultations, in particular in Singapore, which announced new COVID restrictions during the quarter. Our Bangkok business increased substantially during the quarter as a result of higher marketing spend and staffing, leading to significant increase in consultation volumes."*

Looking ahead to fiscal year 2022, we foresee continued challenges in our existing markets due to ongoing COVID restrictions and include government guidelines that may dissuade some consumers from signing up for offline store consultations. At the same time, we will evaluate new geographic expansion opportunities by identifying markets with less severe COVID restrictions and potential to deliver profitable Return on Ad Spend in a sustainable manner."
