

ASX ANNOUNCEMENT

Appendix 4C Quarterly Cash Flow and Activities Report for the Quarter Ending 30 June 2021

Farmaforce Limited (“Farmaforce” or “Company”) (ASX:FFC), a contract sales organization offering innovative solutions to the Australian Pharmaceutical Industry, is pleased to release its Quarterly Activity Report and associated Appendix 4C (Quarterly Cashflow Report) to the market.

Business Activities for the Quarter

The key highlights are:

- A significant increase in receipts from customers of 27% for Q4 FY21. This represents an increase of \$765K when compared to the previous quarter (Q3 FY21: \$2,864K);
- An overall increase of 36% in operating net operating cash inflows for Q4 FY21. This represents an increase of \$316K compared to the previous quarter (Q3 FY21: \$886K);
- Cash balance stands in a strong position with a balance of \$634K at the end of the current quarter (Q4 FY21). This is an increase of 7% when compared to this time last year (Q4 FY20: \$594K).

During the quarter, Farmaforce has continued to successfully execute its cost reduction strategy which was initiated in 2HY FY20 and has continued into 2HY FY21. The success of these measures is represented by a significant improvement in the net operative cash inflow (increase of 36% on the previous quarter).

The Company has always focused on increasing sales capacity, innovating its business model from fee for service to a profit-sharing partnering model with its clients, and diversifying its sales reach across more medical specialties. With most government supplementary funding finishing in the current quarter, the Company managed to secure new client contracts. Revenue from these new contracts has been realised from this quarter, represented by a 27% increase in customer receipts when compared to the previous quarter. This will flow into FY22 and create an increased cashflow.

Payments to Related Parties and their Associates (Refer section 6 of Appendix 4C)

During the quarter, the Company paid \$61K in relation to overhead reimbursements to its related parties and their associates including directors’ remuneration.

The Company also provided further net cash advances to its parent, the IQ Group Global, totaling circa \$1,660K, as funding for short-term working capital.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [*name of board committee – eg Audit and Risk Committee*]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
