## ABOUT GOLD 50

Gold 50 (ASX: G50) is a precious metals exploration company focussed on discovery in Arizona and Nevada, USA.

Gold 50's strategic intent is to rapidly define and progress exploration targets, leveraging the Company's board and management's track record of discovery in the Southwest USA.

Gold 50's flagship asset is the Golconda Project in the Wallapai Mining District of Arizona, where the Company has consolidated a historical mining district adjacent to a major copper-molybdenum porphyry deposit and known for its extensive mineralised veins containing unusually high precious metals grades. Gold 50 is also exploring a portfolio of high-quality gold projects - Spitfire, Caisson, Broken Hills and Top Gun - in the Walker Lane Trend of Nevada, a prolific yet relatively under-explored region that stands out for its exceptional high gold grades and growing reserves.

Gold 50 listed on the Australian Securities Exchange in August 2021 and has a strongly supported register of institutional and mining investors.
