80 Ann Street, recently named by the anchor tenant, Suncorp, as Heritage Lanes, is a 35 level, approximately 60,000 square metre premium office building in Brisbane's CBD with dual frontage to Turbot and Ann Street. The building's design provides a number of breathable spaces throughout to take advantage of the local climate and also pays homage to the old Brisbane Produce Exchange which was located on the site until the mid-1900s. This is reflected in the heritage façade fronting Turbot Street and the marketplace experience being created on the ground plane which extends through to the main lobby on Level 1.

Designed by Woods Bagot Architects, the building is targeting WELL Gold Shell and Core and 6 Star Green Star as built ratings. International Work Group (IWG) join Suncorp to take over 6,000 square metres to operate under their Spaces banner. Tenant enquiry for the balance of the commercial space is gaining momentum with a non-binding Heads Of Agreement (HoA) recently signed for levels 12 & 13, taking pre-commitments to 81%. Leasing activity for the ground floor retail tenancies has commenced with some strong enquiry and a non-binding HoA signed with a leading retail tenancy.
