EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of Shareholders of Twenty Seven Co. Limited (**Company**) in connection with the business to be conducted at the General Meeting of the Company to be held at 45 Ventnor Avenue, West Perth, WA 6005 on Wednesday 29 September 2021 commencing at 11.00am (WST).

This Explanatory Statement should be read in conjunction with the accompanying Notice of Meeting. The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolution in the Notice of Meeting.

A Shareholder-specific Proxy Form has been dispatched with the Notice of Meeting and Explanatory Statement.

1 RESOLUTION – SHARE CONSOLIDATION

1.1 General

The Company is seeking Shareholder approval for the Company to consolidate its issued Share capital through the conversion of every twenty (20) Shares into one (1) Share (**Consolidation**).

1.2 Regulatory requirements

Section 254H(1) of the Corporations Act provides that the Company may convert all or any of its Shares into a larger or smaller number of Shares by ordinary resolution passed at a general meeting. The result of the Consolidation is that each Shareholder's security holding will be reduced to 5% of its current level.

Pursuant to and in accordance with ASX Listing Rule 7.20, the information below is provided in relation to this Resolution.

(a) Effect of the Consolidation

If this Resolution is approved, every twenty (20) Shares on issue will be consolidated into one (1) Share (subject to rounding). Overall, this will result in the number of Shares on issue reducing from 2,660,813,905 to approximately 133,040,696.

The Consolidation applies equally to all Shareholders. Accordingly, individual shareholdings will be reduced in the same ratio as the total number of Shares (subject to rounding). Assuming no other market movements or impacts occur, the Consolidation will therefore have no effect on the percentage interest in the Company of each Shareholder (other than minor variations resulting from rounding).

The Consolidation will not result in any change to the substantive rights and obligations of existing Shareholders.

(b) Fractional entitlements

Where the Consolidation results in an entitlement to a fraction of a Share, Option or Performance Right (as applicable), that fraction will be rounded up to the next whole number of Shares, Options or Performance Rights (as applicable). Each security holder's proportional interest in the Company's issued capital will, however, remain unchanged as a result of the Consolidation (other than minor variations resulting from rounding).

(c) Proposed treatment of convertible securities

As at the date of this Notice of Meeting, the Company has on issue the following convertible securities:

- 292,551,512 Listed Options with an exercise price of \$0.009 each and an expiry date of 31 October 2023;
- 323,500,000 Unlisted Options with various exercise prices and expiry dates as shown in the table below; and
- 280,000,000 Unlisted Performance Rights (ASX Security Code: TSCAB) with conversion terms detailed below.

If the Consolidation is approved, in accordance with ASX Listing Rule 7.22.1, all Options and Performance Rights issued by the Company will be consolidated in the same ratio as Shares, and their exercise price will be amended in inverse proportion to that ratio.

Unlisted Options

ASX Security Code	Expiry date	Exercise price	Vested	Unvested	Total
TSCAC	Various	Various	241,000,000	241,000,000	241,000,000
TSCAD	30 June 2022	\$0.01	2,500,000	2,500,000	2,500,000
TSCAE	22 January 2024	\$0.007	13,300,000	13,300,000	13,300,000
TSCAF	22 January 2024	\$0.015	13,300,000	13,300,000	13,300,000
TSCAG	22 January 2024	\$0.02	13,400,000	13,400,000	13,400,000
TSCAH	31 October 2023	\$0.009	40,000,000	40,000,000	40,000,000
TOTAL:			323,500,000	323,500,000	323,500,000

Unlisted Performance Rights

The following Performance Rights were issued to vendors of Nomad Explorations Pty Ltd (**Nomad**) as part consideration for the acquisition by the Company of 100% of the issued capital of Nomad.

Each tranche of Performance Rights will be converted into Shares upon the achievement in full of the following vesting conditions:

- Tranche A – 140,000,000 Performance Rights will (subject to a vesting period of 18 months from the date of their issue) automatically convert into Shares if the Company announces to the ASX a drill intercept on any of the tenements which were owned by Nomad of at least 7m @ 500ppm cobalt in at least two drill holes at least 100m apart; and
- Tranche B – 140,000,000 Performance Rights will (subject to a vesting period of 18 months from the date of their issue) automatically convert into Shares if the Company announces to the ASX a mineral resource in either the inferred, indicated or measured category (reported in accordance with the JORC Code, 2012 Edition) on any of the tenements which were owned by Nomad of at least 10Mt at 750ppm cobalt with a 500ppm cut-off.

1.3 Purpose of proposed resolution

The Company currently has 2,660,813,905 Shares on issue, which, for a Company of its size, is a considerable number. The Consolidation will result in a more appropriate and effective capital structure for the Company and a Share price more appealing to a wider range of investors. The Directors consider that the Consolidation will result in a more appropriate and effective capital structure for the Company as it continues to progress its projects.

The large number of Shares currently on issue subjects Shareholders to several disadvantages, including:

- poor market perception as investors equate the low share price with the perception of a troubled or poorly performing company;
- vulnerability to speculative day-to-day trading which generates excessive Share price volatility; and
- discouraging quality, long term institutional investors, equity funds and lending institutions seeking stability and long term growth.

The Board believes these factors can be minimised by the Consolidation.

1.4 Holding statements

With effect from the date of the Consolidation, all existing holding statements will cease to have any effect, except as evidence of entitlement to a certain number of securities on a post-Consolidation basis.

After the Consolidation becomes effective, new holding statements will be issued to securityholders, who are encouraged to check their post-Consolidation holdings.

1.5 Effect on capital structure

The effect which the Consolidation will have on the Company's capital structure is set out as follows (subject to any minor variations resulting from rounding):

Capital Structure	Shares	Listed Options	Unlisted Options	Performance Rights
Pre-Consolidation	2,660,813,905	292,551,512	323,500,000	280,000,000
Post-Consolidation	133,040,696	14,627,576	16,175,000	14,000,000

1.6 Taxation

The Consolidation should not result in a capital gains tax event for Australian tax residents. The cost base of the Shares held after the Consolidation will be the sum of the cost bases of the original Shares pre-Consolidation. The acquisition date of Shares held after the Consolidation will be the same as the date on which the original Shares were acquired.

This Explanatory Statement does not, however, consider the tax implications in respect of Shares or other securities held on revenue account, as trading stock or by non-resident Shareholders. The tax information in this Explanatory Statement does not apply to Shareholders that have acquired their Shares in respect of employment or through the provision of services. Nor does it apply to Shareholders that are subject to the "Taxation of Financial Arrangement" rules.

Shareholders should consider their own circumstances and seek their own professional advice in relation to their tax position. Neither the Company nor any of its officers or employees assumes any liability or responsibility for advising Shareholders or other securityholders about the tax consequences of the proposed Consolidation.

1.7 Indicative timetable

If approved by Shareholders, the proposed Consolidation will take effect on Thursday 30 September 2021. The following is an indicative timetable (subject to change) of the key events:
