This announcement is authorised by Graham Shaw (Chairman) and Molly Matthews (Chief Executive Officer) of Pushpay Holdings Limited.

### *About Pushpay*

Pushpay provides a donor management system, including donor tools, finance tools and a custom community app, and a church management system (ChMS) to the faith sector, non-profit organisations and education providers located predominantly in the United States (US) and other jurisdictions. Our leading solutions simplify engagement, payments and administration, enabling our Customers to increase participation and build stronger relationships with their communities.

Church Community Builder is a subsidiary of Pushpay Holdings Limited and provides a Software as a Service (SaaS) church management system predominantly in the US and other jurisdictions. Church Community Builder provides a platform that churches use to connect and communicate with their community members, record member service history, track online giving and perform a range of administrative functions. Combined, Pushpay and Church Community Builder deliver a best-in-class, fully integrated ChMS, custom community app and giving solution for customers in the US faith sector.

Pushpay is an award-winning company. For more information visit [www.pushpay.com/investors/awards](http://www.pushpay.com/investors/awards).

### *About Resi*

Resi is a high growth SaaS company that provides end-to-end live video streaming solutions enabled by hardware products predominantly to the faith sector, whilst also servicing commercial, nonprofit organisations and education providers in the US. Its industry exclusive technology delivers superior streaming quality and reliability, providing a premiere streaming experience for its customers located primarily in the US and other jurisdictions.
