

ASX Announcement

2 September 2021

Investor Webinar

Atomo Diagnostics Limited (ASX: AT1) (**Atomo**) is pleased to announce its participation in the ShareCafe Small Cap "Hidden Gems" Webinar, to be held on Friday, 3 September 2021 from 12:30pm AEST.

Managing Director and CEO, John Kelly will provide an overview of Atomo's unique, integrated rapid diagnostic test (RDT) devices for the global diagnostic market.

This webinar is able to be viewed live via Zoom and will provide viewers the opportunity to hear from, and engage with, a range of ASX-listed leading micro/mid cap companies.

To access further details of the event and to register at no cost, please copy and paste the following link into your internet browser:

About Atomo

Atomo is an Australian medical device company supplying unique, integrated rapid diagnostic test (RDT) devices to the global diagnostic market. Atomo's patented devices simplify testing procedures and enhance usability for professional users and untrained self-testers. Atomo has supply agreements in place for tests targeting infectious diseases including HIV, COVID-19, and viral vs bacterial differentiation.
