7 September 2021

---

## IOUpay Limited (ASX: IOU) – Trading Halt

### Description

The securities of IOUpay Limited ('IOU') will be placed in trading halt at the request of IOU, pending it releasing an announcement. Unless ASX decides otherwise, the securities will remain in trading halt until the earlier of the commencement of normal trading on Thursday, 9 September 2021 or when the announcement is released to the market.

Dear Maria,

**Regarding Request for Trading Halt on Securities of IOUpay Limited ('IOU'):**

Pursuant to Listing Rule 17.1, IOU formally applies for a trading halt to be put in place immediately today 7 September 2021, in relation to a material investment/acquisition, complimentary to the Company's BNPL business segment.

That trading halt is requested to be in place until commencement of trade 9 September 2021 or when that announcement is released to the market.

IOU is not aware of any reason why the Company's request for a trading halt should not be granted.

This request has been authorised for release by the Board of Directors.

Yours faithfully,

**IOUPay Limited**

**JARROD WHITE**  
**Company Secretary**

**About IOUpay (ASX:IOU):**

IOUpay Limited (ASX:IOU) provides fintech and digital commerce software solutions and services that enable its institutional customers to securely authenticate end-user customers and process banking, purchase and payment transactions.

The Company's core technology platform enables large customer communities to connect to end user customers using any mobile device and integrate mobile technology throughout their existing business and customer product offerings. The Company's business divisions consist of Mobile Banking, Digital Payments and Digital Services which service the top 20 banks in Malaysia and large telco's and corporates in Malaysia & Indonesia. IOUpay also works with telecommunication network providers to provided mobile OTT (over-the-top) services that leverage their subscriber base to build active communities.
