ASX Release: 8 September 2021

INVESTOR PRESENTATION WEBINAR

FirstWave Cloud Technology Limited (ASX:FCT) (FirstWave or the Company), the Australian global cybersecurity technology company, advises that it will be participating in the ShareCafe "Hidden Gems" Webinar on Friday 10 September 2021 from 12:30pm AEST / 10:30am AWST.

FirstWave Executive Chairman John Grant will provide an overview of the Company's globally unique cybersecurity-as-a-service technology and the compelling market opportunity ahead of the company, as FirstWave moves towards the release of its new upgraded technology platform later in the year.

This webinar is viewable via Zoom and will provide viewers the opportunity to hear from, and engage with, FirstWave and other leading ASX-listed small cap companies.

The webinar is free to attend and can be accessed using the following link:
https://us02web.zoom.us/webinar/register/5416151767246/WN_VIZUS1yxTfiigIcSgtg4jg

A recorded copy of the webinar will be made available following the event.

A copy of the investor presentation will be lodged with ASX ahead of the webinar.

ENDS

This announcement has been approved for release by the Company Secretary.

About FirstWave Cloud Technology Limited (FirstWave)

Leading Australian cybersecurity technology company FirstWave has delivered cybersecurity-as-a-service (CSaaS) solutions since 2004.

FirstWave's mission is to democratise enterprise-grade cybersecurity-as-a-service for the SMB market. Through its global partner network, FirstWave provides affordable enterprise-grade CSaaS via its unique proprietary Cloud Content Security Platform (CCSP).

In an increasingly connected and vulnerable digital world, FirstWave believes that safe business is good business and that all companies should have access to enterprise-grade cybersecurity regardless of size. FirstWave's infrastructure, management and security processes are certified to ISO 27001 Information Security Management System Standard and ISO 9001 Quality Management System Standard.
