ORDINARY BUSINESS**Resolution 1 – Adoption of Remuneration Report**

The remuneration report of the Company for the financial year ended 30 June 2021 is contained in the 2021 Annual Report which is available on the Company's website: <http://www.korvest.com.au/investors/financial-reports/>.

Section 300A of the Corporations Act requires the directors to include a remuneration report in their directors' report for the financial year. Section 250R(2) requires the remuneration report be put to the vote at the Company's annual general meeting. The vote on the resolution is advisory only and does not bind the directors or the Company.

Directors' Recommendation

The directors recommend that shareholders vote in favour of Resolution 1.

Resolution 2 – Re-election of Director – Mr Gerard Hutchinson

Clause 51.1 of the Company's constitution provides that any director for whom this would be the third annual general meeting since their last appointment, and any director appointed by the directors since the last annual general meeting, will automatically retire at the end of each annual general meeting. Clause 51.3 of the Company's constitution provides that a director retiring in accordance with clause 51 is eligible for re-election.

ASX Listing Rule 14.4 provides that a director (excluding the Managing Director (if any)) must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer. ASX Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each general meeting.

In accordance with clause 51.1 of the Company's constitution, Mr Hutchinson automatically retires in rotation and, being eligible, offers himself for re-election pursuant to clause 51.3 of the Company's constitution.

Mr Hutchinson was appointed as a director of the Company and Chairman of the Audit Committee effective 19 November 2014.

Mr Hutchinson is a Chartered Accountant with extensive financial and commercial experience of over 25 years in the construction, engineering, manufacturing, resources and services industries. From the finance basis gained with KPMG, the combination of board and executive experience has included responsibility for a diverse portfolio of autonomous multinational operations, from start-ups to market leaders. This includes organisations with substantial revenues and large numbers of employees working across diverse operating environments and cultures.

Mr Hutchinson has held roles of Chief Financial Officer and Managing Director in a range of large and publicly-listed businesses across the construction, engineering sectors. He is currently Chief Financial Officer for Elegancia Group. Mr Hutchinson holds a Bachelor of Economics and Masters degrees in Business Administration (MBA), Information System Management (MScISM), and Business Law (MBL), which has allowed his responsibilities to expand across commercial management, risk management, major IT implementations, capital raising, structured finance, and strategic management initiatives. Mr Hutchinson has also led the due diligence and integration of a number of mergers and acquisitions.

Mr Hutchinson is a fellow of the Institute of Chartered Accountants in Australia and New Zealand (FCA ANZ), Australian Institute of Company Directors (FAICD), and Australian Institute of Management (FAIM).

Accordingly, Resolution 2 provides for the re-election of Mr Hutchinson as a director of the Company.

Directors' Recommendation

Other than Mr Hutchinson (who is standing for re-election), the directors recommend that the shareholders vote in favour of Resolution 2.

Resolution 3 – Re-election of Director – Ms Therese Ryan

Clause 51.1 of the Company's constitution provides that any director for whom this would be the third annual general meeting since their last appointment, and any director appointed by the directors since the last general meeting, will automatically retire at the end of each annual general meeting. Clause 51.3 of the Company's constitution provides that a director retiring in accordance with clause 51 is eligible for re-election.

ASX Listing Rule 14.4 provides that a director (excluding the Managing Director (if any)) appointed to fill a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting of the entity.

In accordance with clause 51.1 of the Company's constitution, Ms Ryan automatically retires after being appointed to fill a casual vacancy and, being eligible, offers herself for re-election pursuant to clause 51.3 of the Company's constitution.

Ms Ryan was appointed to the Board on 1 September 2021. Ms Ryan has extensive experience as a senior business executive and commercial lawyer working in widely diversified businesses in Australia and internationally. She brings strong commercial sense, risk management and strategic thinking, complemented by 45 years of legal experience in the automotive and other industries.

Ms Ryan spent most of her executive career in General Motors, including as General Counsel and Company Secretary of GM Holden, based in Australia and based in Shanghai as Vice President and General Counsel for GM's Asia Pacific operations and later as General Counsel and member of the Strategy Board for GM's International Operations outside North America and as Assistant Company Secretary of General Motors Corporation. In these various roles, she was responsible for corporate legal actions related to M&A, refinancing, product stewardship, franchising, IP, procurement, joint ventures, acquisitions and integration. She also chaired and had functional responsibility for GM Holden's employee superannuation fund.

Ms Ryan serves as a non-executive director on the board of Bapcor (ASX: BAP) as well as a number of unlisted boards including Sustainable Timber Tasmania, Gippsland Water (Chair) and VicForests (Deputy Chair) and is an independent member of the Audit and Risk Committee for the City of Melbourne.

Accordingly, Resolution 3 provides for the re-election of Ms Ryan as a director of the Company.

Directors' Recommendation

Other than Ms Ryan (who is standing for re-election), the directors recommend that shareholders vote in favour of Resolution 3.

SPECIAL BUSINESS**Resolutions 4 and 5 – Approval of the grant of Performance Rights to Mr Chris Hartwig and Mr Steven McGregor for the purposes of ASX Listing Rule 10.14**

In 2011, as part of the overall remuneration strategy of the Company, the Company established the Korvest Performance Rights Plan (**Plan**). The Plan provides for the grant of performance rights (**Performance Rights**) to executives of the Company invited by the Board to participate in the Plan. The exercise of Performance Rights results in the issue of fully paid ordinary shares in the Company (**Shares**). A copy of the Plan Rules is available on the Company's website www.korvest.com.au. A brief summary of the Plan Rules is set out below.

The Plan is designed to provide the Company's executives with an incentive to maximise the return to shareholders over the long term, and to assist in the attraction and retention of key executives. Details of the Company's executive remuneration philosophy and objectives can be found in the 2021 Annual Report.

Both Mr Chris Hartwig and Mr Steven McGregor have again been invited by the Board, and are entitled, to participate in the Plan and to be issued with Performance Rights if approved by the shareholders at this AGM. No other directors (or their associates) are entitled to participate in the Plan.

Details of any Performance Rights and Shares issued under the Plan will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in a grant of Performance Rights under the Plan after (and if) Resolutions 3 and 4 are approved, and who are not named in this notice of meeting, will not participate until approval is obtained under that rule.

Use of Performance Rights

The Board considers that the grant of Performance Rights to Mr Hartwig and Mr McGregor, which are subject to the performance hurdles described below under the heading 'Performance Hurdles', provide an additional incentive to Mr Hartwig and Mr McGregor to work towards maximising returns to shareholders and to encourage Mr Hartwig's and Mr McGregor's retention.

The Board also considers the use of Performance Rights is superior to alternative forms of incentives, such as cash, on the basis that the Performance Rights vesting and becoming exercisable and the consequential issuing of Shares in the capital of the Company to Mr Hartwig and Mr McGregor means that the shareholding in the Company of each of Mr Hartwig and Mr McGregor increases, and this results in an alignment of the interests of management and shareholders.

Current remuneration packages

Mr Hartwig's total remuneration package consists of fixed remuneration (inclusive of superannuation) of \$354,310, a maximum cash short term incentive of \$182,700 with superannuation applied to the portion of this incentive that vests, as well as a long term incentive in the form of the Performance Rights proposed to be granted under Resolution 4. The Company values Performance Rights at the date of issue using the Black-Scholes option-pricing model. As the issue date is in the future the actual calculation cannot be completed until that time. However, for the purposes of this explanatory note, a calculation as at the date that the number of Performance Rights to be granted was determined (16 August 2021), produces a value per Performance Right of \$5.15. Therefore, using this value as a guide, the value of the 19,530 Performance Rights to be issued to Mr Hartwig is \$100,580.

Mr McGregor's total remuneration package consists of fixed remuneration (inclusive of superannuation) of \$339,460, a maximum cash short term incentive of \$46,300 with superannuation applied to the portion of this incentive that vests, as well as a long term incentive in the form of the Performance Rights proposed to be granted under Resolution 5. Using the value of \$5.15 per Performance Right outlined above, the value of the 18,710 Performance Rights to be issued to Mr McGregor is \$96,357.

The Company has not engaged a third party to provide an independent valuation report in respect of the Performance Rights the subject of Resolutions 4 and 5.

However, it is important to note that the grant of Performance Rights means that the actual value (if any) of the Performance Rights that Mr Hartwig and Mr McGregor will receive (if approval is obtained for the issue of those Performance Rights) cannot be determined until the end of the three year performance period and will depend on the extent to which the performance hurdles are met and the share price at the time the Performance Rights vest.

Reason for Shareholder Approval

ASX Listing Rule 10.14 requires that a company obtain shareholder approval for the issue of securities under an employee incentive scheme to a director, an associate of a director or a person whose relationship with the company, a director or an associate of a director is such that ASX considers approval should be obtained. Accordingly, as each of Mr Hartwig and Mr McGregor is a director of the Company, shareholder approval is sought for the grant of Performance Rights under the Plan to each of them. If approval is given under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1. The Performance Rights to be granted to Mr Hartwig and Mr McGregor are in effect conditional entitlements, which may vest and become exercisable subject to the satisfaction of the

performance hurdles (**Performance Hurdles**), details of which are summarised below.

Grant of Performance Rights

The Company proposes to grant 19,530 Performance Rights to Mr Hartwig and 18,710 Performance Rights to Mr McGregor no later than one month after the date of the AGM. This means the maximum number of Performance Rights that may be acquired by all persons for whom approval is required at the scheduled AGM is 38,240.

Mr Hartwig has previously been granted 225,214 Performance Rights under the Plan at a nil acquisition price, of which 65,866 have vested, resulting in the issue of 65,866 Shares to Mr Hartwig. Mr McGregor has previously been granted 252,019 Performance Rights under the Plan at a nil acquisition price, of which 67,659 have vested, resulting in the issue of 67,659 Shares to Mr McGregor.

The Company also intends to grant Performance Rights to two executives of the Company, resulting in the total number of Performance Rights to be issued in 2021 being 65,230.

Rights attaching to Performance Rights

A Performance Right is a right to acquire one Share which can be exercised once the Performance Right has become exercisable and provided it has not lapsed.

A Performance Right does not give the holder a legal or beneficial right to Shares and does not enable the participating executives, in this case Mr Hartwig and Mr McGregor, to receive dividends or any other shareholder benefit by virtue of the grant of that Performance Right unless and until it has been exercised and the Share issued.

Exercise of Performance Rights

Performance Rights that have not vested, vest and are exercisable if:

- the Company meets during the Performance Period the performance criteria set by the Board at the time of grant; or
- the Board determines that a Performance Right becomes a vested Performance Right.

In addition, if an event such as a takeover bid occurs, then Performance Rights that have not vested, vest and are exercisable to the extent determined by the Board having regard to the length of time between the commencement of the Performance Period and the date of occurrence of such event, and the likelihood that the performance criteria would have otherwise been met if such event had not occurred.

Performance Period

The performance period is the period commencing on 1 July 2021 and ending on 30 June 2024. (**Performance Period**).

Performance Hurdles

The Performance Rights are subject to the “EPS Performance Hurdle” and the “ROIC Performance Hurdle”, such that:

- half of the total number of Performance Rights that the Company proposes to grant to each of Mr Hartwig and Mr McGregor (**EPS Performance Rights**) will vest and become exercisable if the Performance Hurdle for the EPS Performance Rights is satisfied over the Performance Period (**EPS Performance Hurdle**); and
- half of the total number of Performance Rights that the Company proposes to grant to Mr Hartwig and Mr McGregor (**ROIC Performance Rights**) will vest and become exercisable if the Performance Hurdle for the ROIC Performance Rights is satisfied over the Performance Period (**ROIC Performance Hurdle**).

EPS Performance Hurdle

The EPS Performance Rights will vest and become exercisable if the EPS Performance Hurdle is satisfied over the Performance Period in the following circumstances:

- the EPS Performance Hurdle will be met if the Company exceeds the aggregate threshold EPS over the Performance Period as set out in the table below;
- one quarter (1/4) of the EPS Performance Rights will vest and be exercisable if the Company equals the aggregate threshold EPS as set out in the table below;
- all of the EPS Performance Rights will vest and be exercisable if the Company equals or exceeds the aggregate range EPS as set out in the table below;
- if the Company achieves an aggregate EPS greater than the threshold EPS but less than the range EPS, the number of EPS Performance Rights that will vest and be exercisable will be calculated on a pro rata basis in accordance with the following formula:

$$A = E \times \{ 25\% + 75\% [(B - C) / D] \}$$

where:

A = the number of EPS Performance Rights that will vest and become exercisable (rounded down to the nearest whole number)

B = the aggregate actual EPS over the Performance Period

C = the aggregate threshold EPS

D = the aggregate range EPS less the aggregate threshold EPS

E = the number of EPS Performance Rights granted to the relevant executive.

Year ended	Threshold EPS	Range EPS
Base EPS	53.5	53.5
Compound Annual Growth Rate	5%	12%
Aggregate – 3 years to 30 June 2024	177.092	202.194

Under the Plan, the Board may make an invitation to an executive to apply for Performance Rights on such terms and conditions as the Board determines for such invitation including without limitation as to criteria and when, and in what circumstances, a Performance Right may become exercisable and any other criteria to be satisfied.

The Board has set the base EPS figure for the purposes of the Performance Rights as the statutory EPS for the prior financial year.

The EPS Performance Hurdle threshold is broadly equivalent to the Company achieving a compound annual growth rate of 5% per annum in respect of EPS for the Performance Period. The EPS Performance Hurdle range is broadly equivalent to the Company achieving a compound annual growth rate of 12% per annum in respect of EPS for the Performance Period.

For the purposes of assessing satisfaction of the EPS Performance Hurdle, the Board may adjust the Company's EPS over the Performance Period for extraordinary, significant or non-recurring items.

ROIC Performance Hurdle

The ROIC Performance Rights will vest and become exercisable if the ROIC Performance Hurdle is satisfied over the Performance Period. The ROIC Performance Hurdle measures the Board's efficiency at allocating capital under its control to generate profitable returns for the Company. In order to maintain and improve the Company's ROIC, the Board must focus on the quality of earnings and the capital required to achieve improved earnings.

The ROIC Performance Hurdle is calculated as follows:

$$\text{Return on Invested Capital (ROIC)} = \frac{\text{Net Operating Profit After Tax (NOPAT)}}{\text{Total Invested Capital (TIC)}}$$

where:

- NOPAT is the average of the Company's net operating profit after tax over the three years of the vesting period (i.e. 30 June 2022 to 30 June 2024); and
- TIC is the average of the Company's invested capital, calculated as follows: (current assets – current liabilities – cash and investments) + (plant, property and equipment + goodwill + intangibles) with the average TIC being the balances as at 30 June and 31 December during the period from 2021 to 2024.

Based on the Company's performance, the ROIC Performance Rights would vest in accordance with the table below:

Average 3 year ROIC of the Company	Proportion of ROIC Performance Rights vesting
Less than 6%	0%
6%	50%
Above 6% and below 9%	50% to 100% using a straight line analysis
9% or greater	100%

Grant Price and Exercise Price

Each Performance Right will be granted for no consideration and will have a nil exercise price. There are no loans in relation to this acquisition. If the Performance Right vests it would allow the holder to exercise the Performance Right and be issued with a Share.

Exercise Period

Once the Performance Rights have become exercisable, those rights would need to be exercised within 12 months from the date on which they vest and become exercisable, or they will lapse and there will be no further entitlement to any Shares. This period may be shortened if the holder ceases to be employed under certain circumstances (as described below).

Bonus issue and capital reconstruction of the Company

The number of Shares to be issued on the exercise of the Performance Rights will be adjusted to take account of any bonus issues, rights issues or reconstructions which the Company undertakes between the date of allocation of the Performance Rights and the exercise of those rights.

Cessation of employment

In the case of the holder's employment ceasing due to misconduct, any other reason justifying termination without notice, or upon notice of resignation, all Performance Rights lapse immediately.

In the case of the holder's employment ceasing due to death or permanent disablement:

- Performance Rights that have vested and are exercisable remain exercisable up until the end of the exercise period;
- a portion of Performance Rights that have not vested (with such portion calculated based on the extent that the Performance Period has elapsed) will continue to be unvested Performance Rights, will vest if the relevant Performance Hurdles are satisfied within the Performance Period and will be exercisable up until the end of the exercise period; and
- remaining Performance Rights that have not vested will lapse immediately.

In all other cases where employment ceases:

- Performance Rights that have vested and are exercisable will lapse at the end of 30 days;
- a portion of Performance Rights that have not vested (with such portion calculated based on the extent that the Performance Period has passed) will continue to be unvested Performance Rights, will vest if the relevant Performance Hurdles are satisfied within the Performance Period and will be exercisable up until the end of the exercise period; and
- remaining Performance Rights that have not vested will lapse immediately.

Clawback

If the Board determines in its absolute discretion that the vesting of Performance Rights that have not vested would result in an inappropriate benefit being provided to the holder, the Board may resolve that all or a number of such Performance Rights will lapse immediately.

The Board may determine in its absolute discretion the circumstances in which vesting of Performance Rights that have not vested would result in an inappropriate benefit being provided, including without limitation, where:

- a holder acts fraudulently, dishonestly or has engaged in conduct that adversely affects or is likely to adversely affect the Company's financial position, performance or reputation;
- a holder breaches their obligations to the Company or any duties under any applicable law; and

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
