ASX Release

4 October 2021

Completion of Acquisition of Revolution Wood Panels

As foreshadowed in its announcement of 24 August 2021, Big River Industries Ltd (**Big River, ASX: BRI**) is pleased to announce that it has now completed the acquisition of the Revolution Wood Panels (**Revolution**) effective from 1 October 2021.

Revolution distributes a diverse range of plywood and specialised timber panel products and is a highly regarded business having been established for over 15 years. The business operates out of two sites in Brendale, Brisbane and further adds to the geographic diversity of Big River.

The acquisition also continues the expansion of Big River's specialised Panels category and is highly complementary to the recent purchase of Timberwood Panels back in March 2021 and offers leverage for the company's manufacturing sites in Grafton and Melbourne, helping with scale efficiencies.
