The following estimated components are provided by Vanguard pursuant to the requirements, under Subdivision 12A-B and 12A-A of Schedule 1 to the Taxation Administration Act 1953 (Cth) (TAA 1953), to provide unitholders with notice of the components of this distribution from which amounts would have required to be withheld, pursuant to the non-resident withholding obligations imposed under Subdivision 12-H of Schedule 1 of the TAA 1953 (for fund payments) and Subdivision 12-F of Schedule 1 of the TAA 1953 (for dividend, interest and royalty payments):

For the purpose of Section 12A-110 of Schedule 1 of the TAA 1953, the Fund Payment component of the distribution for this distribution period is calculated as the sum of the following components:

Unit holders should not rely on this information for the purposes of completing their income tax return. Details of the final full year components attributed to each unit holder will be provided in the AMIT Members Annual Statement (AMMA Tax Statement), which will be issued following the end of the financial year.

Entities (such as those holding units on behalf of non-resident investors) who are required to withhold tax from these distributions should be aware that the AMMA Tax Statements that are issued by the Fund may provide for “deemed payments” which may be subject to additional withholding tax obligations.

You must be registered as a security holder of the respective Vanguard ETF on the Record Date to be eligible for this distribution.

To ensure prompt distribution payments please ensure that the correct bank details have been provided to the registrar, Computershare, prior to the Record Date.

[^] Under the AMIT regime and as a consequence of being an AMIT, in certain distribution periods, there may be a difference between the total Estimated Tax Attribution Components with the total Cash Distribution paid to investor.
