Pepper Master General Security Terms

General terms

1 Interpretation

1.1 Incorporated definitions

A term which has a defined meaning in the Master Trust Deed or Master Security Trust Deed (including by incorporation) has the same meaning when used in this document unless it is expressly defined in this document, in which case the meaning in this document applies.

1.2 Definitions

These meanings apply unless the contrary intention appears:

Collection Account means, in respect of a Trust, the account opened with the Depositee in the name of the Trustee and designated by the Trust Manager as the collection account for that Trust.

Control Event means:

- (a) in respect of any Collateral of a Trust that is, or would have been, a Revolving Asset:
 - (i) the Trustee breaches, or attempts to breach clause 3.1 (“Restricted dealings”) in respect of the Collateral of that Trust or takes any step which would result in it doing so; or

 - (iii) distress is levied or a judgment, order or Encumbrance is enforced or a creditor takes any step to levy distress or enforce a judgment, order or Encumbrance, over the Collateral of that Trust; or
 - (iv) the Security Trustee gives a notice to the Trustee that the Collateral of that Trust is not a Revolving Asset. (However, the Security Trustee may only give a notice if the Security Trustee reasonably considers that it is necessary to do so to protect its rights or the rights of the Secured Creditors under this document or if an Event of Default in respect of that Trust has occurred); or
- (b) in respect of all Collateral of a Trust that is, or would have been, a Revolving Asset:

- (i) a voluntary administrator, liquidator or provisional liquidator is appointed in respect of the Trustee or the winding up of the Trustee begins; or
- (ii) a Controller is appointed to any of the Trustee's property; or

1.3 Other interpretation provisions

Clauses 1.2 (“References to certain general terms”) to 1.6 (“Capacity”) and clause 6.1 (“Awareness of certain events”) of the Master Security Trust Deed apply to this document (with any consequential changes as are necessary to give effect to those clauses in this document). In addition, unless the contrary intention appears in this document, the following applies:

- (a) a reference to “possession” includes possession as defined in the PPSA; and
- (b) a reference to “this security” means the security interests created by this document.

1.4 Application and inconsistency

This document is to be read with, and prevails to the extent of any inconsistency with, the provisions of the Master Security Trust Deed and the Notice of Creation of Security Trust.

1.5 Limited recourse

Clause 18.1 (“Limited liability”) of the Master Trust Deed (as amended by the relevant Notice of Creation of Trust in respect of each Trust) applies to this document as if it were set out in full in this document with any necessary amendments to clause references, references to parties and references to applicable documents.

1.6 Limitation of liability of Security Trustee

Clause 8 (“Security Trustee indemnity and limitation of liability”) of the Master Security Trust Deed (as amended by the relevant Notice of Creation of Security Trust in respect of each Trust) applies to this document as if it were set out in full

in this document with any necessary amendments to clause references, references to parties and references to applicable documents.

1.7 Variations and replacements

The Trustee acknowledges that the Transaction Documents in respect of a Trust may be varied or replaced from time to time.

The Trustee confirms that the Secured Money includes any amount payable under any Transaction Document of the relevant Trust as varied or replaced. The Trustee confirms that this applies regardless of:

- (a) how the Transaction Document of that Trust is varied or replaced; and
- (b) the reasons for the variation or replacement; and
- (c) whether the Secured Money decreases or increases or the Transaction Document of that Trust is otherwise more onerous as a result of the variation or replacement.

2 Trustee must pay the Secured Money

The Trustee agrees, in respect of each Trust, to pay the Secured Money of that Trust in accordance with the terms of the Transaction Documents of that Trust.

3 Dealings with Collateral

3.1 Restricted dealings

Unless the Trustee is expressly permitted to do so under the Transaction Documents of a Trust, clause 3.2 ("Permitted dealings") or the Security Trustee (at the direction of an Extraordinary Resolution of the Ruling Secured Creditors of that Trust) consents, the Trustee may not, and may not agree, attempt or take any step to, do any of the following:

- (a) create or allow another interest in any Collateral of that Trust, other than any Permitted Encumbrance; or
- (b) dispose, or part with possession, of any Collateral of that Trust.

3.2 Permitted dealings

The Trustee may, in respect of a Trust, do any of the following in the ordinary course of the Trustee's ordinary business and in accordance with the Transaction Documents of that Trust:

- (a) create or allow another interest in, or dispose or part with possession of, any Collateral of that Trust which is a Revolving Asset; or
- (b) withdraw or transfer money from an account with a bank or other financial institution.

3.3 Revolving Assets

If a Control Event occurs in respect of any Collateral of a Trust then automatically:

- (a) that Collateral is not (and immediately ceases to be) a Revolving Asset;

- (b) any floating charge over that Collateral immediately operates as a fixed charge; and
- (c) the Trustee may no longer deal with that Collateral under clause 3.2 ("Permitted dealings").

3.4 Conversion to Revolving Assets

If any Collateral of a Trust is not, or ceases to be, a Revolving Asset, and becomes subject to a fixed charge or transfer under this clause, the Security Trustee may give the Trustee a notice stating that, from a date specified in the notice, the Collateral of that Trust specified in the notice is a Revolving Asset, or becomes subject to a floating charge or is transferred back to the Trustee. This may occur any number of times.

3.5 Inventory

Any inventory which is not, or ceases to be, a Revolving Asset of a Trust is specifically appropriated to this security. The Trustee may not remove such inventory without obtaining the specific and express authority of the Security Trustee to do so.

3.6 Where the law allows for creation of Encumbrance without consent

If a law entitles the Trustee to create another Encumbrance over the Collateral of a Trust without the consent of the Security Trustee and that law cannot be excluded, this clause 3 ("Dealings with Collateral") does not operate to require the Trustee to obtain the Security Trustee's consent before creating that other Encumbrance. However:

- (a) if the Trustee intends to create another Encumbrance in respect of that Trust, it agrees to notify the Security Trustee at least seven days before it proposes to do so; and
- (b) if the Security Trustee requests a priority agreement under clause 4 ("Other Encumbrances") and the Trustee has not complied with that request by the time the Encumbrance is created, financial accommodation need not be made available under any Transaction Document of that Trust.

This is without prejudice to any other rights the Security Trustee may have under the Transaction Documents.

4 Other Encumbrances

If the Trustee creates or allows to exist an Encumbrance over the Collateral of a Trust without the consent of the Security Trustee, then despite anything contained in this document, any Transaction Document of that Trust or any other agreement in connection with the provision of the Secured Money of that Trust:

- (a) the Trustee must immediately procure that; and
- (b) neither the Security Trustee nor any Secured Creditor of that Trust need provide any further accommodation which would form part of the Secured Money until the Trustee procures that,

a priority agreement is entered into between the persons in whose favour such Encumbrance is created and the Security Trustee which provides for this security to have priority over that Encumbrance. The Security Trustee's or any Secured Creditor's other rights which arise if the Trustee so creates or allows to exist an

Encumbrance are not affected by this clause. The Trustee must provide the Trust Manager with written notice of the creation or existence of the Encumbrance.

5 Application of payments

5.1 Application of money

The Security Trustee must apply money it receives under this document towards paying the Secured Money of that Trust in accordance with the order of priority specified in the Series Notice of that Trust.

5.2 Suspense account

The Security Trustee may place in a suspense account any payment it receives from the Trustee, in respect of a Trust, for as long as it considers prudent and (for so long as it remains in the suspense account) need not apply it towards satisfying the Secured Money of that Trust.

5.3 Credit from date of receipt

The Trustee is only credited with money from the date the Security Trustee or the person to whom it has directed payment actually receives it (including, where the Security Trustee has appointed a Receiver, the date the Receiver pays money to the Security Trustee or the person to whom it has directed payment).

6 Default

6.1 Trustee to ensure no Event of Default

The Trustee agrees, in respect of each Trust, to ensure that there is no Event of Default in respect of that Trust.

The Trustee is not liable in damages for breach of this clause 6.1 (including where the breach is also a breach of another clause) and such breach will not of itself constitute fraud, negligence or wilful misconduct of the Trustee. However, if the Trustee breaches this clause 6.1 in respect of a Trust, the Security Trustee may exercise its rights in relation to the Collateral of that Trust under this document and at law. This does not limit the Trustee's other liabilities to the Security Trustee or any of the Security Trustee's other rights against the Trustee or in relation to the Collateral of that Trust.

6.2 Security Trustee's powers on default

If an Event of Default in respect of a Trust is continuing, subject to the Master Security Trust Deed, the Security Trustee may (or, if directed to do so by an Extraordinary Resolution of Ruling Secured Creditors in respect of that Trust, the Security Trustee must) do one or more of the following in addition to anything else the law allows the Security Trustee to do as a secured party:

- (a) sue the Trustee for the Secured Money of that Trust; and
- (b) appoint one or more Receivers to all or any part of the Collateral of that Trust or its income; and
- (c) do anything that a Receiver could do under clause 7.4 ("Receiver's powers").

6.3 Order of enforcement

The Security Trustee may (at the direction of an Extraordinary Resolution of the Ruling Secured Creditors of a Trust) enforce this security and its rights under this document before it enforces other rights or remedies:

- (a) against any other person; or
- (b) under another document, such as another Encumbrance.

If the Security Trustee has more than one Encumbrance in respect of a Trust, it may enforce them in any order it chooses.

7 Receivers

7.1 Terms of appointment of Receiver

In exercising its power to appoint a Receiver, the Security Trustee may:

- (a) appoint a Receiver to all of any part of the Collateral of a Trust or its income;
- (b) set a Receiver's remuneration at any figure the Security Trustee determines appropriate; and
- (c) remove a Receiver and appoint a new or additional Receiver.

7.2 More than one Receiver

If the Security Trustee appoints more than one Receiver, the Security Trustee may specify whether they may act individually or jointly.

7.3 Receiver is Trustee's agent

Any Receiver appointed under this document is the Trustee's agent unless the Security Trustee notifies the Trustee that the Receiver is to act as the Security Trustee's agent. The Trustee is solely responsible for anything done, or not done, by a Receiver and for the Receiver's remuneration and Costs.

7.4 Receiver's powers

Unless the terms of appointment restrict a Receiver's powers, the Receiver may do one or more of the following with the Collateral of a Trust to which it is appointed:

- (a) sell, transfer or otherwise dispose of the Collateral of that Trust or any interest in it; and
- (b) lease or licence the Collateral of that Trust or any interest in it, or deal with any existing lease or licence (including allowing a surrender or variation); and
- (c) take or give up possession of the Collateral of that Trust as often as it chooses; and
- (d) sever, remove and sell fixtures attached to the Collateral of that Trust; and
- (e) do anything else the law allows an owner or a Receiver of the Collateral of that Trust to do.

8 Disposal of the Collateral is final

The Trustee agrees that if the Security Trustee or a Receiver sells, transfers or otherwise disposes of the Collateral of a Trust:

- (a) the Trustee will not challenge the acquirer's right to acquire the Collateral (including on the ground that the Security Trustee or the Receiver was not entitled to dispose of the Collateral or that the Trustee did not receive notice of the intended disposal) and the Trustee will not seek to reclaim that property; and
- (b) the person who acquires the Collateral need not check whether the Security Trustee or the Receiver has the right to dispose of the Collateral or whether the Security Trustee or the Receiver exercises that right properly.

9 Collection Account

9.1 Operation of Collection Account

The Trustee agrees, in respect of each Trust, that:

- (a) at any time the Mortgage Loans or Related Securities of that Trust are not Revolving Assets, the Collection Account of that Trust may only be operated by two signatories, being:
 - (i) if no Event of Default in respect of that Trust has occurred, a signatory nominated by the Trustee together with a Security Trustee Signatory; or
 - (ii) if an Event of Default in respect of that Trust has occurred, two Security Trustee Signatories only, without any requirement for signature by, or for, the Trustee; and
- (b) if an Event of Default in respect of that Trust occurs, the Security Trustee may notify the Trustee that the Trustee is prohibited from making any withdrawals from the Collection Account of that Trust.

9.2 Notice to Deposittee after an Event of Default

If an Event of Default in respect of a Trust has occurred, the Security Trustee may give notice to the Deposittee that the Collection Account of that Trust may be operated by the signature only of two Security Trustee Signatories without any requirement for a signature by, or for, the Trustee. If this notice is given, the Trustee agrees that the Deposittee:

- (a) need not enquire whether the Security Trustee is in fact entitled to give such a notice; and
- (b) is directed by the Trustee to act in accordance with the notice without reference to the Trustee.

The Trustee acknowledges that any direction given under this clause cannot be revoked or varied by the Trustee except with the written consent of the Security Trustee.

9.3 Collection of book and other debts after an Event of Default

If an Event of Default in respect of a Trust has occurred or if the Mortgage Loans or Related Securities of that Trust are not Revolving Assets, the Security Trustee may notify the Trustee that the Trustee is prohibited from collecting the Trustee's book and other debts which are Trust Assets of that Trust and the Security Trustee intends to collect the Trustee's book and other debts which are Trust Assets of that Trust.

If the Security Trustee gives notice under this clause in respect of a Trust, then the Trustee agrees to:

- (a) the Security Trustee collecting the Trust Assets of that Trust which are book and other debts and notifying debtors of the Security Trustee's interest in such book and other debts; and
- (b) the Security Trustee preparing and dispatching invoices in connection with the Trust Assets of that Trust which are book and other debts which are Trust Assets of that Trust, whether or not an invoice has been prepared previously or dispatched in respect of such book or other debt; and
- (c) use its best endeavours to assist the Security Trustee to collect the Trust Assets of that Trust which are book and other debts.

10 Power of attorney

10.1 Appointment

The Trustee irrevocably appoints the Security Trustee, each Authorised Officer of the Security Trustee, and each Receiver individually as the Trustee's attorney and agrees to ratify anything an Attorney does under clause 10.2 ("Powers").

10.2 Powers

If an Event of Default in respect of a Trust is continuing, or the Security Trustee reasonably believes that such an Event of Default is continuing, an Attorney may:

- (a) do anything which the Trustee can lawfully authorise an attorney to do in connection with this document or the Collateral of that Trust, or which the Attorney believes is expedient to give effect to any of the Security Trustee's or a Receiver's rights (these things may be done in the Trustee's name or the Attorney's name, and they include signing and delivering documents, transferring, selling or leasing the Collateral of that Trust, transferring, selling or surrendering any lease, lodging or withdrawing caveats and starting, conducting and defending legal proceedings and sending any instructions, messages or communications by which the Collateral of that Trust can be transferred or otherwise dealt with); and
- (b) delegate their powers (including this power) and revoke a delegation; and
- (c) exercise their powers even if this involves a conflict of duty or they have a personal interest in doing so.

11 Reinstatement of rights

Under law relating to Insolvency, a person may claim that a transaction (including a payment) in connection with the Secured Money in respect of a Trust is void or voidable. If a claim is made and upheld, conceded or compromised, then:

- (a) the Security Trustee is immediately entitled as against the Trustee to the rights in respect of the Secured Money of that Trust to which it was entitled immediately before the transaction; and
- (b) on request from the Security Trustee, the Trustee agrees to do anything (including signing any document) to restore to the Security Trustee any Encumbrance (including this document) it held from the Trustee immediately before the transaction.

12 Statutory powers and notices

12.1 Exclusion of PPSA provisions

To the extent the law permits:

- (a) for the purposes of sections 115(1) and 115(7) of the PPSA:
 - (i) the Security Trustee need not comply with sections 95, 118, 121(4), 125, 130, 132(3)(d) or 132(4) of the PPSA; and
 - (ii) sections 142 and 143 of the PPSA are excluded;
- (b) for the purposes of s115(7) of the PPSA, the Security Trustee need not comply with sections 132 and 137(3) of the PPSA;
- (c) if the PPSA is amended after the date of this document to permit the Trustee and the Security Trustee to agree to exclude other provisions of the PPSA, the Security Trustee may notify the Trustee that the Security Trustee need not comply with any of those provisions as notified to the Trustee by the Security Trustee; and
- (d) the Trustee agrees not to exercise its rights under section 275 of the PPSA, or to authorise the disclosure of any information under that section.

12.2 No notice required unless mandatory

To the extent the law permits, the Trustee waives its rights to receive:

- (a) any notice required under any provision of the PPSA (including a notice of a verification statement); and
- (b) any notice, or lapse of time, that is required by any other law before a Security Trustee or Receiver exercises a right, power or remedy under this document.

If the law which requires a period of notice or a lapse of time to be given cannot be excluded, but the law provides that the period of notice or lapse of time may be agreed, that period or lapse is one day or the minimum period the law allows to be agreed (whichever is the longer).

However, nothing in this clause prohibits the Security Trustee or any Receiver from giving a notice under the PPSA or any other law.

13 General

13.1 Counterparts

This document may consist of a number of copies, each signed by one or more parties to the document. If so, the signed copies are treated as making up the one document.

13.2 Governing law and jurisdiction

This document is governed by the law in force in New South Wales. Each party submits to the non-exclusive jurisdiction of the courts of that place.

13.3 Variation by General Security Agreement

The terms of this document may be varied for any Trust by the General Security Agreement for that Trust. Any such variations apply to that Trust only and not to any other Trust.
