Notification of Release of Shares from Escrow

In accordance with ASX Listing Rule 3.10A, EP&T Global Limited (ASX: EPX) advises that 3,375,000 fully paid ordinary shares will be released from ASX mandated escrow on 28 October 2021. An Appendix 2A will be lodged with the ASX to request the quotation of these shares.

Of those shares to be released from ASX mandated escrow, 2,625,000 will be held in voluntary escrow until 4.15pm on the date on which the half year financial results of the Company for the six-month period ending 31 December 2021 are released to the ASX by the Company.

The Company notes that of the shares being released from ASX mandated escrow, 750,000 of the shares were due to be released from escrow in July 2021 and the remaining 2,625,000 shares were due to be released from escrow on 1 October 2021. The delay in releasing these shares from escrow was an administrative oversight and the Company has taken steps to ensure that this will not be repeated.

This announcement has been approved for release by the Chairman of the Board of Directors.
