DIRECTORS' RECOMMENDATION

The Directors (other than Mr Thomson) unanimously recommend that you vote in favour of Resolution 2.

RESOLUTION 3 – DIRECTORS' REMUNERATION REPORT

The Corporations Act requires that listed companies put a resolution to their shareholders to adopt by way of a non-binding advisory vote the Remuneration Report as found in the Company's Annual Report.

The resolution of Shareholders is advisory only and **not binding** on the Directors or the Company. However, the Board and its Remuneration Committee will take the outcome of this vote into account when considering future remuneration policy for non-executive Directors and executive key management personnel. If more than 25% of the votes cast on this resolution are against the adoption of the Remuneration Report, the remuneration report for the following year must either address any comments received from Shareholders or explain why no action has been taken in response to those comments. If, at the following annual general meeting, the remuneration report is again voted against by 25% or more of votes cast, a 'spill resolution' will be put to Shareholders. If at least 50% of the votes cast are in favour of the 'spill resolution' a special meeting of the Company will be held within 90 days at which the Directors in office at the time of the second annual general meeting must resign and stand for re-election.

The remuneration report for the 2020 financial year was passed by a show of hands at the Company's 2021 annual general meeting. Further, the Company did not receive any specific feedback at that annual general meeting or during the year on its remuneration practices.

The Remuneration Report is contained in the Company's Annual Report, which is available on the Company's website at www.cardno.com. It:

- explains the Board's policies in relation to the nature and level of remuneration paid to Directors and other KMP within the Group;
- discusses the link between the Board's policies and the Company's performance;
- sets out the remuneration details for each Director and for each other member of the Company's KMP; and
- makes clear that the basis for remunerating non-executive Directors is distinct from the basis for remunerating executives, including executive Directors.

The Chairman will give Shareholders a reasonable opportunity to ask questions about, or to make comments on, the Remuneration Report at the Annual General Meeting.

DIRECTORS' RECOMMENDATION

As the resolution relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with the spirit of section 250R(4) Corporations Act, makes no recommendation regarding this resolution.

RESOLUTION 4 - ISSUE OF PERFORMANCE RIGHTS TO DIRECTOR

Shareholders are being asked to approve the grant of Performance rights to the Chief Executive Officer and Managing Director (CEO) Susan Reisbord, under the Cardno Performance Equity Plan.

As CEO, Ms Reisbord's remuneration comprises her: (1) base salary of USD 500,000 per annum, (2) a short-term incentive or STI (paid annually and subject to achievement of that financial year's financial performance goals as determined by the Board's Remuneration Committee at the start of each financial year) of up to a maximum of 40% of base salary, and (3) a long-term incentive (LTI) of up to a maximum of 60% of base salary. The LTI grant takes the form of Performance rights.

Performance rights confer an entitlement to be issued one share – subject to meeting certain conditions. Certain financial performance hurdles must be met over a three-year period in order for the performance rights to become ordinary shares and vest to the employee. If the financial performance hurdles are not met or the employee ceases to be employed by Cardno before the three-year period completes then the performance rights do not vest and are cancelled. The LTI financial hurdles are discussed below.

The Board believes that the base salary and annual STI (if earned) reward the relevant executive for performance and achievement in year, while the LTI (if it vests) rewards the executive for financial performance over the medium term, aligned with the creation of shareholder value. In other words, the Board seeks to reward executives for successful short term and medium / long term business outcomes.

Subject to the approval of Shareholders, the Company proposes to grant 417,944 Performance Rights to Susan Reisbord, Managing Director.

The Performance Rights shall be issued under, and subject to, the terms of the Plan.

Listing Rule 10.14 provides that a company must not issue equity securities to a director of the company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. Once approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, Exception 8 as an exception to any requirement that may otherwise apply requiring shareholder approval under Listing Rule 10.11. Similarly, approval will not be required under Listing Rule 7.1.

Resolution 4 seeks the required shareholder approval of the issue under and for the purposes of Listing Rule 10.11. In the event that this resolution is not approved by shareholders, the issue of Performance Rights, subject of this resolution, cannot proceed and the Company will need to consider alternate remuneration strategies to reward Ms Reisbord for medium to long term performance.

FY2022 Performance Rights

The key terms of the FY2022 Performance Rights (PRs) are set out in the tables below:

Term	Rights that are the subject of this Resolution have a term of 15 years from the Grant Date and if not exercised within the Term the Rights will lapse. However, the Rights will be exercised automatically if and when they vest.
Number of Rights	It is proposed that Ms Susan Reisbord will be offered two Tranches of Rights in relation to this resolution: Tranche 1 – 208,972 Performance Rights with an Indexed Total Shareholder Return (iTSR) Vesting Condition, Tranche 2 – 208,972 Performance Rights with an EBITDA Per Share Growth (EBITDAPSG) Vesting Condition.
Measurement Period	The Measurement Period is the period over which Vesting Conditions are assessed. For Tranche 1 – iTSR PRs, the Measurement Period will be from 1 July 2021 to 30 June 2024. For Tranche 2 – EBITDAPSG PRs, the Measurement Period will be from 1 July 2021 to 30 June 2024.
Vesting Conditions	Vesting Conditions are conditions that are used to determine the extent, if any, of vesting of Performance Rights. <u>Tranche 1 – iTSR PRs</u>

The Vesting Condition will be based on the Total Shareholder Return (TSR) of Cardno over the Measurement Period (equivalent to the change in Share Price, plus dividends declared assumed to be reinvested), compared to the movement in the TSR of the ASX 300 Small Industrials Total Return Index over the Measurement Period. Vesting will be determined according to the following scale:

Performance Level	Annualised Cardno TSR vs Annualised ASX Small Industrials TR Index Return for Measurement Period	% of Tranche Vesting
Target	≥ Index Return + 5% TSR p.a.	100%
Threshold - Minimum Acceptable Outcome	= Index Return	25%
Below Threshold	< Index Return	0%

Pro-rata outcomes apply between the specified levels.

TSR is calculated as a percentage growth in shareholder valued based on share price growth and dividends, assuming that they are reinvested into Shares.

Tranche 2 – EBITDAPSG PRs

The Vesting Condition will be based on the growth of Earnings Before Interest, Tax and Depreciation per share over the three-year Measurement Period based upon a comparison between the EBITDAPS for the year prior to the first year of the Measurement Period and the EBITDAPS for the final year of the Measurement Period. Vesting will be determined according to the following scale:

Performance Level	EBITDAPSG	% of Tranche Vesting
Stretch/Target - Incentive/Upside	≥10% p.a.	100%
Threshold - Minimum Acceptable Outcome	= 6% p.a.	25%
Below Threshold	<6% p.a.	0%

Pro-rata outcomes apply between the specified levels.

The EBITDAPSG scale was calibrated with the expectation that the Target is the expected outcome, based on an analysis of Cardno' historical EBITDAPSG performance and future business plans.

Both Tranches 1 and 2 are subject to a continued service/employment condition. If the employee ceases to be employed by Cardno prior to the release of the company's FY 2024 Annual Report, then neither tranche vests.

Gates	A Gate is a condition that must be met or exceeded before the Vesting Conditions attached to a Tranche may be assessed for the purposes of vesting. For Tranche 1 – iTSR PRs, the Gate condition is that Cardno' TSR must be positive over the Measurement Period. For Tranche 2 – EBITDAPSG PRs, no Gate applies.
Cost of Rights and Exercise Price	No amount is payable by Ms Susan Reisbord for the Rights as the value forms a significant portion of the variable remuneration in their total package for FY22. The Exercise Price is nil, being standard market practice for Performance Rights.

Other key terms of the Plan are detailed in Annexure A to this Notice of Meeting.

Other general terms of the Performance Rights

It is intended that the Performance Rights will be issued within 1 month after the Annual General Meeting, but in any event will be issued no later than 3 years after the Annual General Meeting.

Details of any securities issued under the Performance Equity Plan will be published in Cardno's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after this resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

Ms Reisbord has previously been issued 381,204 securities under a previous Plan and 2,320,368 securities under the current Plan (as a result of the approval by Shareholders at the Annual General Meeting of the Company on 22 October 2020).

For the purposes of Listing Rule 10.15.6, the Company proposes to issue Performance Rights to Ms Reisbord (as opposed to fully paid ordinary securities) for the following reasons:

- (a) Performance Rights are designed to incentivise employees, and in this case, to incentivise Ms Reisbord as an Executive Director of the Company. Performance Rights also act to provide a retention incentive for key employees, such as Ms Reisbord, to facilitate long-term growth; and
- (b) Equity based incentives assist in the alignment of Shareholders and Directors' interests.

Financial Benefit – Details and reasons

Approval has been sought for the giving of a financial benefit to Susan Reisbord as a related party, under section 208 of the Corporations Act.

The amount, terms and value (subject to the stated assumptions) of the Performance Rights are set out above.

The reasons for giving this financial benefit are:

- (a) the Company wishes to maximise the use of its cash resources towards other strategic initiatives and equity based incentives;
- (b) the total quantum of Performance Rights to be issued is reasonable in number, and will act as an incentive for future growth of the business;
- (c) Performance Rights are designed to incentivise employees, and in this case, to incentivise Directors of the Company. Performance Rights also act to provide a retention incentive for key employees, such as Ms Reisbord, to facilitate long-term growth;
- (d) equity based incentives assist in the alignment of Shareholders and Directors' interests; and
- (e) the Company believes the associated expense is limited and the nature of the Performance Rights package proposed is commensurate with market practice.

On this basis the Company believes the giving of the financial benefit, as constituted by the issue of the Performance Rights to the applicable Directors is in the best interests of the Company and its Shareholders.

Existing interests and the dilutionary effect on other Shareholders' interests

The effect that the vesting of the Performance Rights will have on the interests of the applicable Directors relative to other Shareholders' interests is set out in the following table. The table assumes no further issues of shares in, or reconstruction of the capital of the Company during the time between issue and vesting of the Performance Rights.

	Susan Reisbord
The total number of shares on issue in the capital of the Company	390,596,497
Shares currently held by the Director (including indirect interests)	700,222

Performance Rights held by the Director prior to Annual General Meeting (including indirect interests)	2,230,368
Options held by the Director prior to (including indirect interests)	Nil

Shares that will be held following the vesting of all Performance Rights and exercise of Options held by the Director (IF all Performance Rights vest)	2,648,312

In the case of Performance Rights (including Share Appreciation Rights) the Vesting Conditions are intended to be challenging and linked to indicators of sustainable value creation.</p> <p>The terms and conditions of the Plan include those aspects legally required as well as terms addressing exceptional circumstances, such as a de-listing, a major return of capital to shareholders, as well as the treatment of Rights and Restricted Shares on termination of employment.</p> <p>The Plan contains customary and usual terms having regard to Australian law for dealing with winding up, administration, variation, suspension and termination of the Plan.</p>
Variation of Terms and Conditions	<p>To the extent permitted by the ASX Listing Rules, the Board retains the discretion to vary or amend the terms and conditions of the Plan.</p>
Eligibility	<p>Eligible Persons selected by the Board will be invited to participate in the Plan. Eligible Persons includes: full time and part-time employees, directors and contractors.</p>
Term	<p>Each Invitation will specify the Term of Rights, as determined by the Board, and if not exercised within the Term the Rights will lapse. The maximum term allowable is 15 years under the Rules, which is based on the maximum tax deferral period in Australia. However, because the Rights exercise automatically the life of the instrument will be the period between the Grant Date and the date of automatic exercise (see below).</p>

ASPECT	DETAILS
Number of Rights	The number of Rights specified in an Invitation will be at the discretion of the Board. It is intended that the number of Rights to be granted will be determined annually with regard to the Participant's fixed remuneration, relevant market practices and the relevant policies of the Company regarding remuneration, such that total remuneration is appropriate in both quantum and structure.
Measurement Period	The Measurement Period is the period over which Vesting Conditions are assessed and may be determined by the Board as part of each Invitation but will generally be three years for Performance Rights (including for Performance Share Appreciation Rights).
Vesting Conditions	<p>Vesting Conditions are conditions that are used to determine the extent, if any, of vesting of Performance Rights and Service Rights (including when they are Share Appreciation Rights). Vesting Conditions are to be determined by the Board as part of each Invitation. Performance Rights (including Performance Share Appreciation Rights) will vest based on selected measures of Company performance and service with the Company. They are intended to create alignment with indicators of shareholder value creation over the Measurement Period.</p> <p>Service Rights will vest based on periods of service with the Company only, and will generally relate to annual remuneration cycles when granted as part of fixed remuneration. Restricted Rights do not have Vesting Conditions.</p>
Gates	The Board may attach Gates to tranches of Performance Rights. A Gate is a condition that must be met or exceeded before the Vesting Conditions attached to a Tranche may be assessed for the purposes of vesting.
Cost of Rights and Exercise Price	<p>No amount is payable by Participants for Rights unless otherwise determined by the Board. No Exercise Price is payable by a Participant to exercise Rights under the Rules. However, as part of the terms of an Invitation the Board may determine that a notional Exercise Price applies, which will be deducted from the value of a Share in determining the Exercised Rights Value i.e. creating a cashless exercise option or Share Appreciation Right which functions identically to an option, but is less dilutive than traditional options from a shareholder perspective.</p> <p>The value of the Rights forms part of the annual total remuneration appropriate to each Participant.</p>
Exercise of Vested Rights	<p>Rights are exercised automatically at the latter to occur of the Vesting Date, or the elapsing of Exercise Restrictions.</p> <p>Upon exercise of vested Rights the Exercised Rights Value will be calculated as follows and will be either be paid in cash, converted into Shares based on the then Share price, or a combination of cash and Shares, as determined by the Board:</p> <p>Exercised Rights Value =</p> <p>Number of Rights Exercised x (Share Price at Exercise – Exercise Price)</p> <p>Generally, it is expected that the Exercised Rights Value will be settled in Shares. Such Shares will often be Restricted Shares as they will be subject to disposal restrictions if the exercise occurs during a period in which trading in Shares is prohibited under the Cardno securities trading policy.</p>
Exercise Restrictions	<p>An Invitation may specify a period of Exercise Restrictions during which Rights may not be exercised, even if vested.</p> <p>For Restricted Rights which are fully vested at grant, Exercise Restrictions apply for at least 90 days following grant.</p>

ASPECT	DETAILS
Disposal Restrictions	<p>Rights may not be sold, transferred, mortgaged, charged or otherwise dealt with or encumbered, except by force of law.</p> <p>Shares acquired from the exercise of vested Rights will be subject to disposal restrictions due to:</p> <p>(d) The Cardno securities trading policy, and</p> <p>(e) The insider trading provisions of the Corporations Act.</p> <p>Shares resulting from the exercising of Rights that may not be traded due to the foregoing or because of Specified Disposal Restrictions included in an Invitation will be Restricted Shares while they are so restricted. Cardno will ensure that such restrictions are enforced due to the presence of CHES holding locks or alternatively via holding of the Restricted Shares in an appropriate Employee Share Trust.</p>
Disposal and Exercise Restriction Release at Taxing Point	<p>In the event that a taxing point arises during employment with the Company in relation to Restricted Rights or Restricted Shares and the Exercise Restrictions or Specified Disposal Restrictions have not elapsed then they will cease to apply to 50% of the taxable Rights and Shares. This ensures that unreasonable tax outcomes are avoided.</p>
Termination of Employment	<p>If a Participant is classified as Bad Leaver, all unvested Rights will be forfeited upon termination. Bad Leaver includes a Participant that has ceased to be an employee of the Group, due to termination for cause, fraud, defalcation or misconduct, resignation without Board permission, resignation to join a competitor or otherwise as determined by the Board in its sole discretion.</p> <p>It should be noted that the Plan contains clauses that address fraud, misconduct, inappropriate benefits and clawback which will result in the forfeiture of unvested and unexercised rights equivalent to traditional “Bad Leaver” approaches, but which may apply at any time including during employment.</p> <p>Should a Participant leave Cardno for any other reason (including but not limited to an inability to work due to illness or death, or termination) then all unvested rights are forfeited upon termination. The Remuneration Committee retains the ability to apply discretion in extenuating circumstances.</p>
Change of Control or Delisting	<p>In the event the Board determines that the Company will be subject to a de-listing, the Vesting Conditions specified in an Invitation for Performance Rights will cease to apply and:</p> <p>> Unvested Performance Rights in each tranche will vest in accordance with the following formula:</p> $\text{Number of Performance Rights to Vest} = \frac{\text{Unvested Performance Rights}}{\text{Performance Rights}} \times \frac{\% \text{ of First Year of Measurement Period Elapsed}}{100} \times \frac{(\text{Share Price at the Effective Date} - \text{Share price at Measurement Period Commencement})}{\text{Share price at Measurement Period Commencement}}$ <p>> Remaining Performance Rights may vest or lapse as determined by the Board,</p> <p>> Service Rights will vest to the extent determined to be appropriate by the Board under the circumstances applicable to each grant of Service Rights, and</p> <p>> Exercise Restrictions and Specified Disposal Restrictions will cease to apply on the date determined by the Board.</p> <p>The Plan does not contain an automatic trigger to bring forward vesting upon a change of control event, however the Board has discretion to bring forward vesting under the discretionary powers contained in the Rules.</p>

ASPECT	DETAILS
Major Return of Capital or Demerger	<p>In the event that the Board forms the view that a major part of the Company's assets or operations will imminently cease to be owned by the Group due to an intention to sell or separately list those assets or operations, or in the event of a major return of capital to Shareholders, the Board has discretion to vest, lapse or adjust the terms of Rights such that Participants are neither advantaged nor disadvantaged by the corporate action.</p> <p>Restricted Rights will cease to be subject to Exercise Restrictions prior to the return of capital or demerger, on the date determined by the Board.</p>
Board Discretion and Preventing Inappropriate Benefits	<p>The Board has discretion to adjust the number of Rights that ultimately vest if it forms the view that the unadjusted outcome is not appropriate to the circumstances that prevailed over the Measurement Period and/or to the contribution of a Participant to outcomes over the Measurement Period.</p> <p>The Board has sole discretion to determine that some or all unexercised Rights held by a Participant lapse on a specified date, if allowing the Rights to be retained would, in the opinion of the Board, result in an inappropriate benefit to the Participant. Such circumstances include joining a competitor or actions that harm the Company's stakeholders.</p> <p>In the case of fraud or misconduct, Participant will forfeit all unvested Rights.</p>
Bonus Issues, Rights Issues, Voting and Dividend Entitlements	<p>The number of Rights held by Participants will be proportionately adjusted to reflect bonus issues. Right holders will not participate in Shareholder rights issues but may, subject to the ASX Listing Rules, be offered options on similar terms to the rights issue.</p> <p>Rights do not carry voting or dividend entitlements. Shares (including Restricted Shares) issued when Rights are exercised carry all entitlements of Shares, including voting and dividend entitlements.</p>
Quotation	<p>Rights will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the Plan, in accordance with the ASX Listing Rules.</p>
Issue or Acquisition of Shares	<p>Shares allocated to a Participant when Rights are exercised under the Plan may be issued by the Company or acquired on or off market by a trustee whose purpose is to facilitate the operation of the plan.</p>
Cost and Administration	<p>The Company will pay all costs of issuing and acquiring Shares for the purposes of satisfying exercised Rights, as well as any brokerage on acquisitions of Shares for this purpose and all costs of administering the Plan.</p>
Hedging	<p>The Company prohibits the hedging of Rights or Shares subject to disposal restrictions by specified Participants.</p>

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.
