Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at <https://raizinvest.com.au/investors/results-reports/>.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2022 Annual General Meeting (**2022 AGM**), the Company will be required to put to the vote a resolution (**Spill Resolution**) at the 2022 AGM to approve the calling of a further meeting (**Spill Meeting**). On 17 September 2021, Mr Brendan Malone was appointed as an additional Director of the Company and has since served as a Director of the Company. He is an Executive Director and Joint Group CEO of the Company.

Directors' recommendation

The Directors (excluding Mr Brendan Malone) recommend that Shareholders vote for this Resolution.

ASX Listing Rule 7.1A

Resolution 3 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its shareholders, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As at the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$150 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities (namely, ordinary shares) and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 Trading Days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) raising funds to further develop the Company's business expansion in both Australia and Southeast Asia; and
- (b) raising funds to be applied to the Company's working capital requirements.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Shareholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.8625 50% decrease in issue price	\$1.725 issue prices ^(b)	\$3.45 100% increase in issue price

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserves its right to determine at the time of any issue of equity securities under Listing Rule 7.1A the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties)

including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Services Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Ratification of Prior Issue of Shares

Resolutions 4 and 5 – Ratification of Prior Issue of Tranche 1 Placement Shares and Tranche 2 Placement Shares under ASX Listing Rule 7.1A

Background

On 30 April 2021, the Company announced that it had received firm commitments from institutional investors to raise \$10.2 million (before costs) via the issue of 6,800,000 Shares at an issue price of \$1.50 (**Placement Shares**). The Placement Shares were issued in two tranches: 5,466,667 Tranche 1 Placement Shares were issued on 6 May 2021 and 1,333,333 Tranche 2 Placement Shares were issued on 20 May 2021.

All Placement Shares were issued under the Company's existing capacity under ASX Listing Rule 7.1A.

ASX Listing Rules 7.1 and 7.1A

Shareholder approval is being sought to approve and ratify the prior issue of:

- (a) 5,466,667 Tranche 1 Placement Shares under Listing Rule 7.1A (**Resolution 4**); and
 - (b) 1,333,333 Tranche 2 Placement Shares under Listing Rule 7.1A (**Resolution 5**),
- on 6 May 2021 and 20 May 2021, respectively.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed entity can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

At last year's AGM, the Company sought and obtained approval of its Shareholders under Listing Rule 7.1A to increase this 15% limit by an extra 10% to 25%.

The issue of the Tranche 1 Placement Shares and the Tranche 2 Placement Shares did not fit within any of the exceptions in ASX Listing Rule 7.2 and, as they have not been approved by Shareholders, it effectively uses up part of the additional 10% limit in Listing Rule 7.1A, reducing the Company's

capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A for the 12 month periods following the date of issue of the Tranche 1 Placement Shares and Tranche 2 Placement Shares (noting that the extra 10% under Listing Rule 7.1A will expire unless re-approved by the Company's Shareholders on an annual basis).

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

A note to Listing Rule 7.4 also provides that an issue made in accordance with Listing Rule 7.1A can be approved subsequently under Listing Rule 7.4 and, if it is, the issue will then be excluded from variable "E" in Listing Rule 7.1A.2 (which means that the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A is not reduced).

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of the Tranche 1 Placement Shares and Tranche 2 Placement Shares for the purposes of Listing Rule 7.4.

If Resolutions 4 and 5 are passed, the issue of the Tranche 1 Placement Shares and Tranche 2 Placement Shares under the Placement will be excluded in calculating the Company's 25% capacity to issue equity securities under Listing Rules 7.1 (15%) and 7.1A (10%) without Shareholder approval over the 12-month period following the Issue Date.

If Resolutions 4 and 5 are not passed, the issue of the Tranche 1 Placement Shares and Tranche 2 Placement Shares under the Placement will be included in calculating the Company's 25% capacity to issue equity securities under Listing Rules 7.1 (15%) and 7.1A (10%) without Shareholder approval over the 12-month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The Tranche 1 Placement Shares and Tranche 2 Placement Shares were issued to institutional investors identified by the lead manager to the Placement.
- (b) The Company issued 5,466,667 Tranche 1 Placement Shares and 1,333,333 Tranche 2 Placement Shares.
- (c) The Tranche 1 Placement Shares and Tranche 2 Placement Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) The Tranche 1 Placement Shares were issued on 6 May 2021 and the Tranche 2 Placement Shares were issued on 20 May 2021.
- (e) Each of the Tranche 1 Placement Shares and Tranche 2 Placement Shares were issued at an issue price of \$1.50 per Share, raising \$10.2 million in aggregate (before costs).
- (f) Funds raised from the issue of the Shares have been and will be used by the Company to accelerate customer growth, develop new products and services, expand into new geographies and integrate the acquisition of Superestate.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

The Chair intends to vote in favour of this resolution.

Resolution 6 – Ratification of Prior Issue of Superestate Shares

Background

On 28 April 2021, the Company announced that it had agreed to acquire 100% of the issued capital in Superestate Pty Ltd (**Superestate**), a niche integrated superannuation and Australian residential property investment platform.

As part of the agreement to acquire Superestate, the Company agreed to issue to the Superestate vendors 5,300,000 Shares at a deemed issue price of \$1.7845, based on an agreed VWAP, valuing Superestate at \$9.5 million.

On 29 July 2021, at completion of the acquisition of Superestate, the Company issued 5,300,000 Shares to the vendors of Superestate (**Superestate Shares**) by utilising the Company's existing capacity under Listing Rule 7.1.

The Superestate Shares were issued subject to voluntary escrow arrangements from the date of completion of the Superestate acquisition, as set out below:

1. 400,863 Superestate Shares subject to a voluntary escrow period of 3 months, ending on 28 October 2021;
2. 319,177 Superestate Shares subject to a voluntary escrow period of 6 months, ending on 28 January 2022;
3. 1,648,728 Superestate Shares subject to a voluntary escrow period of 12 months, ending on 28 July 2022; and
4. 2,931,232 Superestate Shares subject to a voluntary escrow period of 24 months, ending on 28 July 2023

ASX Listing Rule 7.1

This Resolution proposes that Shareholders approve and ratify the prior issue and allotment of 5,300,000 Superestate Shares which were issued on 29 July 2021 (**Issue Date**).

All of the Superestate Shares were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Superestate Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 6 seeks Shareholder approval to subsequently approve the issue of Superestate Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of Superestate Shares will be excluded in calculating the

Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Issue Date.

If this Resolution is not passed, the issue of Superestate Shares will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The Superestate Shares were issued to the Superestate vendors. There were a total of 37 vendors of Superestate shares, with the majority Superestate shareholder being Brits Pty Ltd as trustee for the Brits Family Trust.
- (b) The Company issued 5,300,000 Shares.
- (c) The Superestate Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company, although were subject to voluntary escrow arrangements as described above.
- (d) The Superestate Shares were issued on 29 July 2021.
- (e) The Superestate Shares were issued at a deemed issue price of \$1.7845 per Share as consideration for the acquisition of Superestate.
- (f) Funds were not raised from the issue of the Superestate Share as the Superestate Shares were issued to acquire Superestate.
- (g) The Superestate Shares were issued under an agreement between the Company and the vendors of Superestate. The material terms of the agreement are set out in Annexure A of this Notice.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

The Chair intends to vote in favour of this resolution.

Maximum Aggregate Amount of Non-Executive Directors' Fees

Resolution 7 – Approval to Increase the Maximum Aggregate Amount of Non-Executive Directors' Fees

In accordance with Listing Rule 10.17 and Article 10.11 of the Constitution, Shareholder approval is sought to increase the maximum aggregate amount available for non-executive directors' remuneration in any financial year by \$137,000, from \$270,000 to \$407,000. As disclosed in the Company's prospectus lodged with ASIC on 9 May 2018, the aggregate remuneration amount is presently fixed at \$270,000.

The Executive Directors seek Shareholder approval to increase the aggregate amount of directors' fees for non-executive directors as:

- (a) it is important to ensure that the Company maintains the ability to pay competitive fees and attract and retain high calibre non-executive directors; and
- (b) the size of the proposed increase would be consistent with other ASX listed entities of similar market capitalisation.

It is not intended that should this Resolution be passed, the maximum aggregate of the fees of non-executive directors would be utilised immediately.

The proportion remaining unused will provide the Company with the ability to attract and retain high quality directors, to make any appropriate increases to the size of the Board, and to increase fees in the future in line with market conditions.

It is proposed that the increase in the maximum aggregate amount of fees for non-executive directors will take effect immediately after this Meeting. However, the increased fee cap is only a maximum figure, and will not necessarily be fully used in any given year.

As required by Listing Rule 10.17, the Company confirms that the following securities have been issued to non-executive directors in the preceding three years (from the date of this Meeting) under Listing Rules 10.11 or 10.14:

Date of issue	Non-executive director	Terms and number of securities issued
1 January 2020	David Gordon	Listing Rule 10.14: Issued 85,252 Options under the Long Term Equity Incentive Plan (as approved by Shareholders on 12 November 2019).
1 January 2020	Nina Finlayson	Listing Rule 10.14: Issued 85,252 Options under the Long Term Equity Incentive Plan (as approved by Shareholders on 12 November 2019).
1 January 2020	Peter Anthony Fay	Listing Rule 10.14: Issued 85,252 Options under the Long Term Equity Incentive Plan (as approved by Shareholders on 12 November 2019).

Given the nature of this Resolution, the Board does not consider that it is appropriate to make a recommendation on how Shareholders should vote on this Resolution. As noted in the Proxy Form, the Chairman of the Meeting intends to cast all undirected proxies in favour of this Resolution.

Issue of Incentive Securities under the Long Term Equity Incentive Plan

Resolutions 8 and 9 – Approval of Grant of Options to Mr George Lucas and Mr Brendan Malone, Directors of the Company, under the Long Term Equity Incentive Plan

Background

Adoption of the Company's Long Term Equity Incentive Plan (**Incentive Plan**) was approved by Shareholders on 19 November 2020.

Resolutions 8 and 9 seek Shareholder approval under ASX Listing Rule 10.14 to grant 500,000 unlisted Options to George Lucas, and 300,000 unlisted Options to Brendan Malone, each a Director of the Company, under the Company's Incentive Plan, as part of their remuneration. The Company proposes to grant the options as an incentive payment to Mr Lucas and Mr Malone in recognition of their performance against KPIs, based on professionalism, compliance, customer satisfaction, as well as operating revenue. The KPIs were set by the Board with advice from the Remuneration Committee based on their job descriptions, as well as the short and long term goals of the Company.

A summary of the material terms of the Incentive Securities are as follows:

Type of Incentive Security	Material terms
----------------------------	----------------

Options	<ul style="list-style-type: none"> • Exercise price: 25% premium to the VWAP of the Company's shares in the five Trading Days prior to the grant of the Options (Grant Date) • Vesting: the Options vest three years from the Grant Date. Other than time, the options are not subject to any vesting conditions or performance hurdles. • Expiry: the Options expire five years from the Grant Date if not exercised prior. • Issue: the Options will be issued within one month from the date of the meeting and are being issued for nil consideration pursuant to the terms of the Incentive Plan.

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Mr Lucas and Mr Malone are each a current Director of the Company, the proposed issue of Incentive Securities constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, Resolutions 8 and 9 seek the required Shareholder approval to issue the Incentive Securities to Mr George Lucas and Mr Brendan Malone under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14 for Resolutions 8 and 9, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If Resolutions 8 and 9 are passed, the Company will be able to proceed with the proposed issue of Incentive Securities to Mr George Lucas and Mr Brendan Malone. Furthermore, in accordance with Listing Rule 7.2 (exception 14), separate approval is not required under Listing Rule 7.1, and the issue of such Options will not count towards the Company's capacity to issue equity securities under Listing Rule 7.1.

If Resolutions 8 and 9 are not passed, the Company will not be able to proceed with the proposed issues and may instead decide to pay Mr George Lucas and Mr Brendan Malone a cash bonus.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Incentive Securities constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person for whom there is reasonable grounds to believe will become a "related party" of a public company.

The non-conflicted Directors of the Company (being the Board with Mr George Lucas and Mr Brendan Malone removed from discussions) carefully considered the issue of these Incentive Securities, and formed the view that the giving of this financial benefit as part of their remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the Incentive Securities, and the responsibilities held by Mr George Lucas and Mr Brendan Malone in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these Incentive Securities to Mr George Lucas and Mr Brendan Malone falls within the “reasonable remuneration” exception as set out in section 211 of the Corporations Act, and relies on this exception for the purposes of Resolutions 8 and 9. Therefore, the proposed issue of Options to Mr George Lucas and Mr Brendan Malone requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

The indicative valuation is based on a VWAP of the Company's Share price in the five Trading Days ending 13 October 2021 of \$1.86 and is unaudited. The valuation cannot be finalised until the grant date of the Options.

- (g) The Incentive Securities will be issued within 3 years from the date of this Meeting, if approved by Shareholders of the Company.

Annexure B – Material Terms of the Long Term Equity Incentive Plan

Terms	Summary
Eligibility	<p>The Board has the discretion to determine which executives and employees are eligible to participate in the LTEIP, and the number and type of Awards that they will be offered (Eligible Employee). The definition of employee under the LTEIP rules includes any full-time or part-time employee, casual employee, director, contractor or prospective employee of a Raiz Group Company.</p>
Awards	<p>The Board has the discretion to set the terms and conditions on which it will offer Awards under the LTEIP.</p> <p>The Board may determine that the Awards will be subject to performance, service, or other conditions which must be satisfied or waived before the Award vests (Vesting Conditions) and, if so, will specify those Vesting Conditions in the offer to each Eligible Employee.</p> <p>In addition, the Board may determine that Awards in the form of Options or Rights will be subject to further conditions which must be satisfied or waived before vested Options or Rights may be exercised (Exercise Conditions).</p> <p>The grant of Awards under the LTEIP may be subject to the payment of an acquisition price by the participant as determined by the Board, or otherwise Awards may be granted at no cost to the participant. The exercise of Awards in the form of Options or Rights may be subject to payment of an exercise price by the participant as determined by the Board.</p>
Waiver	<p>The Board may, at its discretion, reduce or waive any Vesting Conditions and/or Exercise Conditions attaching to Awards at any time, subject to applicable law.</p>
Shares as an Award or on vesting of an Award	<p>Shares granted under the LTEIP or issued or transferred on the exercise of Options or Rights will rank equally in all respects, and carry the same rights and entitlements, as other issued Shares, including dividend and voting rights.</p> <p>Depending on the terms of an Award, Shares may be subject to disposal and/or forfeiture restrictions, which means that they may not be disposed of or dealt with for a period of time and/or may be forfeited if certain further conditions are not satisfied.</p> <p>Shares allocated to participants under the LTEIP may be issued by the Company or acquired on or off market by the Company or its nominee. The Company may initially issue Shares to a trustee before transferring the Shares to a participant.</p>

Terms	Summary
Vesting of Shares	<p>Shares granted under the LTEIP which have not been forfeited under the LTEIP will vest if and when any applicable Vesting Conditions have been satisfied or waived by the Board.</p> <p>On vesting, Shares will cease to be subject to disposal restrictions and the forfeiture provisions of the LTEIP (except where Shares have been acquired using a loan provided by a Raiz Group Company and the participant breaches the loan agreement).</p>
Vesting and exercise of Options and Rights	<p>Options and Rights which have not lapsed under the LTEIP will vest if and when any applicable Vesting Conditions have been satisfied or waived by the Board. However, vested Options or Rights will not become exercisable until any applicable Exercise Conditions have been satisfied or waived by the Board.</p> <p>Subject to applicable law, following the valid exercise of an Option or Right, the Company will issue or arrange the transfer of such number of Shares to the participant that relate to the Option or Right being exercised or, subject to any discretion conferred on the Board in the offer, make a cash payment in lieu of the issue or transfer of Shares.</p>
Expiry of Options and Rights	Options or Rights which have not been exercised by the date 10 years from the date of grant of the Options or Rights, or such other date determined by the Board and specified in the offer (LTEIP Expiry Date), will lapse unless the Board determines otherwise.
Forfeiture/lapse of Awards	<p>Unless otherwise determined by the Board, a Share granted under the LTEIP will be forfeited, and an Option or Right will lapse, in certain circumstances including:</p> <ul style="list-style-type: none"> • where the Board determines that any Vesting Condition applicable to the Award cannot be satisfied; • where the participant purports to dispose of the Award, or enter into any arrangement in respect of the Award, in breach of any disposal or hedging restrictions; • in the case of an Option or Right, on the LTEIP Expiry Date applicable to the Option or Right; • where the Award has been acquired using a loan provided by a Raiz Group Company and the participant breaches the loan agreement; • in certain circumstances if the participant's employment is terminated (see 'Cessation of employment' below);

Terms	Summary
	<ul style="list-style-type: none"> • if the Board determines that the Award will be forfeited or lapse in the event of a change of control in respect of the Company (see 'Change of control' below); and • if the Board determines that the Award is liable to clawback (see 'Clawback' below).
Dividend and voting entitlements	Awards, other than Shares, are not entitled to dividend or voting rights. However, the Board may determine prior to making an offer that any Options or Rights the subject of the offer will carry rights entitling the holder to receive a payment in cash or Shares equivalent to the value of dividends that would have been payable to the holder had they been the holder of the underlying Shares over which the Option or Right is exercisable.
Participation rights of Options and Rights	<p>Options and Rights do not confer the right to participate in new issues of Shares or other securities in the Company.</p> <p>However, the LTEIP provides for adjustments to be made to the number of Shares which a participant would be entitled on the exercise of Options or Rights or the exercise price (if any) of the Options or Rights in the event of a bonus issue or pro rata issue to existing holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) or a reorganisation of capital.</p>
Quotation	Awards, except Shares, will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the LTEIP, in accordance with the ASX Listing Rules.
Cessation of employment	<p>Generally, if a participant ceases employment in 'bad leaver' circumstances including resignation (other than due to death, terminal illness, total and permanent disablement, mental illness, redundancy or retirement or dismissal for cause or poor performance), unless the Board determines otherwise, all of their unvested Awards will be forfeited or lapse, and the participant will be required to exercise any vested Options or Rights within 60 days or they will also lapse.</p> <p>If a participant ceases employment in 'good leaver' circumstances, the participant will be entitled to retain a pro rata amount of their unvested Awards based on the proportion of any applicable vesting period which has elapsed at the date that employment ceases, and all other unvested Awards will be forfeited or lapse. Any retained Awards will remain subject to any applicable Vesting Conditions and Exercise Conditions.</p>

Terms	Summary
	Notwithstanding the above, the Board may also, subject to any requirement for shareholder approval, determine to treat awards in a different manner to that set out above.
Clawback	If the Board becomes aware of a material misstatement in the Company's financial statements, that a participant has committed an act of fraud, negligence or gross misconduct or failed to comply in a material respect with any restrictive covenant or that some other event has occurred which, as a result, means that a participant's Award should be reduced or extinguished, or should not vest, then the Board may clawback or adjust any such Award at its discretion to ensure no unfair benefit is derived by the participant.
Change of control	If a change of control event occurs with respect to the Company, the Board may determine, in its discretion, the manner in which all unvested Shares, or Options or Rights, will be dealt with.
Restrictions	<p>Awards may not be sold, transferred, mortgaged, pledged, charged, granted as security or otherwise disposed of, without the prior approval of the Board, or unless required by law.</p> <p>Participants must not enter into any arrangement for the purpose of hedging, or otherwise affecting their economic exposure to any unvested Shares, or Options or Rights.</p>
LTEIP trust	A trust may be established in connection with the operation and administration of the LTEIP. The trust, if established, may be used to acquire Shares that are then used to satisfy the Company's obligations to deliver Shares to participants upon the exercise of Option and Rights under the LTEIP.
Amendments	The Board may, in its discretion, amend the LTEIP rules, or waive or modify the application of the LTEIP rules in relation to a participant, provided that (except in specified circumstances) if such amendment would reduce the rights of a participant in respect of their Awards acquired under the LTEIP, the Board must obtain the consent of the participant.
Other terms	The LTEIP also contains customary and usual terms having regard to Australian law for dealing with the administration, variation, suspension and termination of the LTEIP.
