Under Magellan Financial Group Limited's ("MFG") Share Purchase Plan ("SPP"), SPP participants may subscribe for shares in MFG at the prevailing market price (ordinarily calculated as the weighted average sale price of shares on ASX over the five trading days immediately preceding the day the offer of shares is made under the SPP). MFG provides financial assistance to the SPP participants for up to either 75% or 100% of the subscription value, via a full recourse, interest-free loan, and thus the SPP participant bears the full risks and benefits of being a shareholder. The full recourse loan is compulsorily repaid via dividends paid on associated shares plus 25% (or other amount as permitted by the SPP rules) of the relevant employee's after tax variable incentive. As the loan is full recourse, participants are liable to repay the loan irrespective of the performance of MFG's shares.
